Poetry, Publishing, and Visual Culture from Late Modernism to the Twenty-first Century Natalie Pollard, 2020-05-27 This is a book about contemporary literary and artistic entanglements word and image media and materiality inscription and illustration It proposes a vulnerable fugitive mode of reading poetry which defies disciplinary categorisations embracing the open endedness and provisionality of forms This manifests itself interactively in the six case studies which have been chosen for their distinctness and diversity across the long twentieth century the book begins with the early twentieth century work of writer and artist Djuna Barnes exploring her re animation of sculptural and dramatic sources It then turns to the late modernist artist and poet David Jones considering his use of the graphic and plastic arts in *The Anathemata* and next to the underappreciated mid century poet F T Prince whose work uncannily re activates Michelangelo's poetry and sculpture The second half of the book explores the collaborations of the canonical poet Ted Hughes with the publisher and artist Leonard Baskin during the 1970s the innovative late twentieth century poetry of Denise Riley who uses page space and embodied sound as a form of address and finally the contemporary poet Paul Muldoon who has collaborated with photographers and

artists as well as ventriloquising nonhuman phenomena The resulting unique study offers contemporary writers and readers a new understanding of literary artistic and nonhuman practices and shows the cultural importance of engaging with their messy co dependencies The book challenges critical methodologies that make a sharp division between the textual work and the extra literary and raises urgent questions about the status and autonomy of art and its social role *Arlott David Rayvern Allen*,2014-03-01 John Arlott s rich Hampshire burr was the voice of BBC cricket commentary for many years from the great Test match radio broadcasts of the fifties to bucolic Sunday League on the television in the seventies But he was also a distinguished journalist for the Guardian a Liberal parliamentary candidate a courageous opponent of apartheid in sport from the earliest opportunity and a connoisseur and imbibor of fine wine without equal David Rayvern Allen s definitive biography was acclaimed on its first publication and won the Cricket Society s award for Cricket Book of the Year Now reissued by Aurum in a new paperback edition to tie in with its publication of the author s authorised biography of E W Swanton Arlott evokes both a broadcasting legend and a sensitive humane man whose graphic pensive and wry commentaries came to epitomise the sound of an English summer *Michael Ayrtton Peter Cannon-Brookes*,2002-02
