Monet in the '90s Paul Hayes Tucker, Claude Monet, Museum of Fine Arts, Boston, 1990-01-01 Monografie over de impressionistische schilder Claude Monet 1840 1926 *Claude Monet* Virginia Spate, 1992 Monet is incontestably one of the greatest Impressionists as well as being the most popular Yet hitherto books on this great figure have been partial concentrating either on aesthetic or on social aspects of his work without attempting a synthesis Now Virginia Spate restores plenitude of meaning to Monet's paintings examining the various ways in which they can be read the tension between image and reality which energizes them and the mysterious interactions between the work itself its exhibition promotion and sale and its reception both in public and in private Based on a complete study of the artist's work made possible as never before by recently published catalogues of his oeuvre his surviving letters nearly 3 000 in all and contemporary documentary material this is the fullest account available of a complex and influential man whose style changed and evolved considerably during his long career Monet is considered as an intelligent and cultured being a friend to writers such as Zola Mallarmé and Octave Mirbeau fully informed as to the cultural and intellectual tendencies of his time His often neglected figure paintings always of family or friends are analyzed alongside his landscapes which ranged from timeless river scenes to steam filled railway stations Changes in his output in response to shifts in demand are linked to the new system of art dealers and to his financial situation The France of Monet's youth and maturity is covered in depth especially the traumatic legacy of the Franco Prussian war and the Paris Commune and his famous garden at Giverny is shown to be both a personal Utopia and a vital part of his creative processes The dialectic of the real world and its representation in art is explored in detail as manifested in his splendid canvases faithfully reproduced in over 130 colour plates This definitive treatment of a hugely important artist makes an indispensable contribution to the art history of Impressionism and the roots of modernism BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Monet (World of Art)** James H. Rubin, 2020-04-14 From a world authority on impressionism and nineteenth century French art comes this new addition to the World of Art series on the art and life of Claude Monet One of the most famous and admired painters of all time Claude Monet 1840 1926 was the architect of impressionism a revolution that gave birth to modern art His technique of painting outside at the seashore or in city streets was as radically new as his subject matter the landscapes and middle class pastimes of a newly industrialized Paris Working with unprecedented immediacy and authenticity Monet claimed that his work was both natural and true and therefore entirely novel In *Monet* James H Rubin one of the world's foremost specialists in nineteenth century French art traces Monet's development from his early work as a caricaturist to the late paintings of water lilies and his garden at Giverny Rubin explores the cultural currents that helped shape Monet's work including the utopian thought that gave rise to his politics his interest in Japanese prints and gardening and his relationship with earlier French landscape painters and contemporaries such as Édouard Manet and Pierre Auguste Renoir Featuring more than 150 color

illustrations of his key works Rubin establishes Monet as the inspiration for generations of avant garde artists and a true patriarch of modern art *Monet* Lynn Federle Orr, Claude Monet, Paul Hayes Tucker, Elizabeth Murray, 1994 A mix of art history and garden theory provides a look at the late masterworks of Monet **Monet Paintings and Drawings** Carol Belanger Grafton, Claude Monet, 2008-01-28 Monet's interpretations of light and shifting color revolutionized modern art Enjoy 187 images of the master's finest Impressionist works including Jerusalem Artichokes Lady with Parasol Water Lilies and many more presented here in full color for easy use in an array of creative projects *Monet* Claude Monet, 1992
