

Mozart And His Circle A Biographical Dictionary

Cliff Eisen

Mozart And His Circle A Biographical Dictionary:

Mozart and His Circle H. P. Clive,1993 From his earliest years as an internationally acclaimed wunderkind to the triumphs and frustrations of his artistic maturity Mozart had a wide circle of friends family and patrons This book consists of several hundred biographical entries on Mozart s circle which included not only sovereigns princes and members of the nobility but also theater directors librettists actors singers instrumentalists composers physicians publishers pupils as well as family members Book jacket Mozart and His Circle H. P. Clive,1993 A superbly researched and unique reference book with biographical entries on all the people who were important in Mozart s life and career family friends patrons theatre directors court officials librettists actors singers and other musicians Mozart and His Circle Peter Clive,1996-01-01

The Harvard Biographical Dictionary of Music Don Michael Randel, 1996 Biographaical dictionary emphisizes classicaland art music also gives ample attention to the classics as well as Jazz Blues rock and pop and hymns and showtunes across the ages The Cambridge Companion to Mozart Simon P. Keefe, 2003-05-22 The Cambridge Companion to Mozart paints a rounded yet focussed picture of one of the most revered artists of all time Bringing the most recent scholarship into the public arena this volume bridges the gap between scholarly and popular images of the composer enhancing the readers appreciation of Mozart and his extraordinary output regardless of their prior knowledge of the music Part I situates Mozart in the context of late eighteenth century musical environments and aesthetic trends that played a pivotal role in his artistic development and examines his methods of composition Part II surveys Mozart's works in all of the genres in which he excelled and Part III looks at the reception of the composer and his music since his death Part IV offers insight into Mozart's career as a performer as well as theoretical and practical perspectives on historically informed performances of his music Beethoven and His World H. P. Clive, 2001 Following the author's acclaimed biographical dictionaries on Schubert and Mozart Beethoven and His World offers an extremely comprehensive and up to date survey of the composer's relations with a multitude of persons with whom he associated on a personal or professional basis relatives friends acquaintances librettists poets publishers artists patrons and musicians With more than 450 entries the dictionary is the result of a wide ranging examination of primary and secondary sources and critically assesses the use which scholars have made of the considerable documentation now available In particular there are numerous references to Beethoven's correspondence and conversation books which have recently been published in excellent new editions The book places the composer and his music in a fuller context and a wider perspective than might be possible in a traditional biography it will appeal to all music lovers both the scholar and the non specilaist alike **Mozart's Music of Friends** Edward Klorman, 2016-04-21 In 1829 Goethe famously described the string quartet as a conversation among four intelligent people Inspired by this metaphor Edward Klorman's study draws on a wide variety of documentary and iconographic sources to explore Mozart's chamber works as the music of friends Illuminating the meanings and historical foundations of comparisons

between chamber music and social interplay Klorman infuses the analysis of sonata form and phrase rhythm with a performer's sensibility. He develops a new analytical method called multiple agency that interprets the various players within an ensemble as participants in stylized social intercourse characters capable of surprising seducing outwitting and even deceiving one another musically This book is accompanied by online resources that include original recordings performed by the author and other musicians as well as video analyses that invite the reader to experience the interplay in time as if from Theological Anthropology in Mozart's La clemenza di Tito Steffen Lösel, 2022-07-13 This book asks what theological messages theologically educated Catholics in late eighteenth century Prague might have perceived in Mozart s late opera seria La clemenza di Tito The book s thesis is two fold first that Catholics might have heard the opera s advocacy of enlightened absolutism as a celebration of a distinctly Catholic understanding of political governance and second that they might have found in the opera a metaphor for the relationship between a gracious God and humanity caught up in sin expressed as sexual concupiscence pride and lust for power The book develops its interpretation of the opera through narrative character analyses of the main protagonists an examination of their dramatic development and by paying attention to the biblical and theological associations they may have evoked in a Catholic audience The book is geared towards academic readers interested in opera theologians historians and those who work at the intersection of theology and the arts It contributes to a better understanding of the theological implications of Mozart's operatic work Words about Mozart Dorothea Link, Judith Nagley, 2005 Published as a tribute to the late Stanley Sadie these eleven essays look at compositional and performance matters consider new archival research and provide an overview of work since the bicentenary in 1991 Words About Mozart is published as a tribute to the late Stanley Sadie musicologist critic and editor of The New Grove Dictionary of Music and Musicians Of the eleven essays presented here three focus on compositional matters Iulian Rushton examines the dramatic meaning of a recurring motif in Idomeneo Elaine Sisman sifts through the facts surrounding the genesis of Mozart s Haydn quartets and Simon Keefe matches up pairs of piano sonatas and concertos on the basis of their common compositional features Cliff Eisen considers some problems of performing practice posed by the solo keyboard parts in Mozart's concertos and Robert Philip surveys tempo fluctuations in a selection of historical recordings Felicity Baker's detailed analysis of aspects of the Don Giovanni libretto is a welcome contribution from the field of literary criticism Three studies offer new archivalresearch Neal Zaslaw uncovers the background to one of Mozart's nonsense compositions Dorothea Link examines the Viennese Hofkapelle and creates a new context for understanding Mozart's court appointment and Theodore Albrecht proposes a candidate for Mozart s Zauberfl tist Christina Bashford considers an aspect of Mozart reception in 19th century England connected with John Ella and Peter Branscombe presents a comprehensive overview of research published since the bicentenary in 1991 The volume includes a full bibliography of Stanley Sadie's publications and broadcasts Contributors THEODORE ALBRECHT FELICITY BAKER CHRISTINA BASHFORD PETER BRANSCOMBE CLIFF

EISEN SIMON P KEEFE LEANNE LANGLEY DOROTHEA LINK ANDREW PORTER ROBERT PHILIP JULIAN RUSHTON ELAINE SISMAN NEAL ZASLAW Brahms and His World Peter Clive, 2006-10-02 As an influential and well connected composer Johannes Brahms 1833 1897 had encountered befriended and collaborated with hundreds of people over his significant career In Brahms and His World A Biographical Dictionary author Peter Clive provides extensive and up to date information on the composer's personal and professional association with some 430 persons. These persons include relatives friends acquaintances and physicians fellow musicians and composers whom Brahms particularly admired and in the editions of whose works he was involved conductors instrumentalists and singers who took part in notable or first performances of his works poets whose texts he set to music publishers and artists and even the rulers of certain German states with whom he had significant contact Offering information not usually available in Brahms biographies this volume combines findings from both primary and secondary sources giving insights into Brahms character his life and his career and shedding light on the educated middle and upper class culture of the nineteenth century A comprehensive chronology of Brahms life a bibliography and two indexes round out this important reference guide Wolfgang Amadeus Mozart, The Mozart Family Ruth Halliwell, 1998 Mozart's family has never received the kind of attention that does justice to the complexity of its relationships or its interactions with colleagues friends and neighbors in Mozart's native Salzburg And most biographies of the great composer have neglected the many passages in the rich Mozart family correspondence that do not bear directly on him This book turns a bright light on this neglected material most of which has never before been translated into English to provide a fascinating look at Mozart's parents Leopold and Maria Anna and sister Nannerl Challenging most previous views of the individuals in Mozart's family and the relationships within it Halliwell introduces a wealth of characters from the family s circle in Salzburg from chambermaids to princes and relates the gossip stories the family told to their larger outlook on the world She also draws on the neglected papers of the Berchtold family into which Nannerl married and other rare archival material to provide a sympathetic account of the hopes fears and expectations of the family within their social context An important final section traces the role of Nannerl and Mozart s wife Constanze in using controlling and handing on the biographical source material after Mozart s death addressing the question of how myths surrounding his life and death became so prevalent so early Schubert and His World H. P. Clive, 1997 This is the first book of its kind on Schubert It appears at a time when scholarly and general interest in his life and compositions is greater than ever and its publication coincides with the celebration of the bicentenary of Schubert's birth in 1797 The book opens with a chronicle of Schubert's life which is followed by more than 300 biographical entries offering information not only on his friends and acquaintances and on persons with whom he was associated through his music poets librettists publishers patrons musicians but also on a number of later Schubertians who greatly advanced public appreciation and scholarly examination of his music or made a particularly significant contribution to our knowledge of his life The book thus adds a fuller context and perspective to the

reader s view of Schubert s activities and indeed of the music itself The Italian Opera Singers in Mozart's Vienna Dorothea Link, 2022-11-22 Dorothea Link examines singers voices and casting practices in late eighteenth century Italian opera as exemplified in Vienna's court opera from 1783 to 1791 The investigation into the singers voices proceeds on two levels understanding the performers in terms of the vocal dramatic categories employed in opera at the time and creating vocal profiles for the principal singers from the music composed expressly for them In addition Link contextualizes the singers within the company in order to expose the court opera's casting practices Authoritative and insightful The Italian Opera Singers in Mozart's Vienna offers a singular look at a musical milieu and a key to addressing the performance practice problem of how to cast the Mozart roles today The Cambridge Companion to The Magic Flute Jessica Waldoff, 2023-11-02 A comprehensive up to date resource providing an essential framework for understanding Mozart s most performed opera and its extraordinary afterlife Mozart Studies 2 Cliff Eisen, 1997 Published to complement Mozart Studies published in 1991 Mozart Studies 2 offers a forum for the most important trends in recent Mozart scholarship including substantial contributions in gender and genre studies close readings of individual works among them the Prague symphony and Le nozze di Figaro textual and contextual research and new directions in analysis both for the operas and instrumental music At the same time it also aims to suggest directions for future research In addition to Cliff Eisen the contributors include leading Mozart scholars among them Mary Hunter John Platoff Wolf Dieter Seiffert and Elaine Sisman

The Authentic Magic Flute Libretto Michael Freyhan, 2009-10-26 Shortly after Wolfgang Amadeus Mozart s death his widow Constanze sent a manuscript copy of one of his most beloved operas Die Zauberfl te to the court of the Elector of Cologne It was eventually published by Nicolaus Simrock in 1814 as the first full score edition However the question still remains as to why this early copy in her possession diverges from Mozart s autograph in so many libretto details The Authentic Magic Flute Libretto Mozart s Autograph or the First Full Score Edition investigates the origin and claim to authenticity of the first full score edition of Die Zauberfl te drawing attention to the close bond between words and music Michael Freyhan brings the subtlety of the first edition word setting to the attention of scholars musicians and opera lovers setting out the evidence for its authenticity and detailing the quest pursued in 15 countries for the earliest possible historical sources Freyhan examines the differences between the first edition and the autograph discussing the quality of the word setting supported by 32 musical examples and evaluating the relationship of the two texts in terms of language and literature The following chapters discuss the early history of the autograph focusing on four alleged owners its market value and the misleading catalogue numbering systems seen on the first page Details of the performance and publication history of the first edition text are followed by a new perspective on the disputed authorship of the libretto in light of the possible existence of two authentic texts A concluding chapter discusses Mozart s sketches and working methods while an appendix traces the character and career of Karl Ludwig Giesecke one of the writers who claimed ownership of the opera s libretto The book also

Mozart And His Circle A Biographical Dictionary Introduction

In the digital age, access to information has become easier than ever before. The ability to download Mozart And His Circle A Biographical Dictionary has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Mozart And His Circle A Biographical Dictionary has opened up a world of possibilities. Downloading Mozart And His Circle A Biographical Dictionary provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Mozart And His Circle A Biographical Dictionary has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Mozart And His Circle A Biographical Dictionary. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Mozart And His Circle A Biographical Dictionary. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Mozart And His Circle A Biographical Dictionary, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Mozart And His Circle A Biographical Dictionary has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing

online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Mozart And His Circle A Biographical Dictionary Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Mozart And His Circle A Biographical Dictionary is one of the best book in our library for free trial. We provide copy of Mozart And His Circle A Biographical Dictionary in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Mozart And His Circle A Biographical Dictionary. Where to download Mozart And His Circle A Biographical Dictionary online for free? Are you looking for Mozart And His Circle A Biographical Dictionary PDF? This is definitely going to save you time and cash in something you should think about.
