The MRCGP Clinical Skills Assessment (CSA) Workbook Monal Wadhera, Rajeev Gulati, 2011-03-01 This revision book for the clinical skills assessment CSA portion of the Membership of the Royal College of General Practitioners MRCGP exams includes a range of scenarios representative of those candidates will encounter each created with direct input from an MRCGP examiner The book enables candidates to role play the scenarios with colleague

The Complete MRCGP Study Guide Sarah Gear, 2006 This greatly expanded revised and updated guide comprehensively covers every aspect of the new format membership examination of the Royal College of General Practitioners Its new format includes current treatment issues and the latest research and is divided into three parts covering main medical topics non clinical areas and ambiguous topics and exam questions for the registrar year Concise and easy to read covering a wide range of skills and approaches that are used daily by general practitioners it will serve well as a useful resource for personal and professional development This is

CSA Revision Notes for the MRCGP, second edition Jennifer Stannett, 2013-03-15 This book helps you to revise and prepare for the CSA part of the MRCGP exam The new edition features an additional 11 clinical scenarios all presented in the same standardised format to help you to improve your data gathering a broad range of appropriate questions to ask the patient are provided and red flags are highlighted where appropriate interpersonal skills each clinical problem is described using terms that you can use in your explanations to patients clinical management tells you which examinations to consider which investigations to order and how to manage each clinical problem based on the latest guidelines and current best practice consultations to help you practise every clinical case features a realistic role play scenario all of which have been extended with additional information in the new edition Every clinical scenario in this new edition has been updated and new appendices have been added to cover driving and the latest DVLA guidelines and when to suspect child maltreatment The book is designed to be used as a workbook with wide margins to allow you to add in your own notes questions and other aides memoires Used in this way CSA

Revision Notes for the MRCGP is the ideal book to help you successfully prepare for the exam From reviews of the first edition Following the glowing reviews of this book I bought it for my CSA preparation It is a very well written book and a good resource for the CSA I like the lay out with different case scenarios presented in the CSA style of data gathering interpersonal skills and clinical management I like the open questions and focused questions for each scenario and the role play idea at the end of each case scenario Interestingly this is the recommended read from our VTS programme

CSA Practice Cases for the MRCGP Prashini Naidoo, Sonali Bapat, 2016-01-21 From reviews This book has been thoughtfully written and will be a great asset to each trainee using it but also a good resource for trainers and VTS groups InnovAiT August 2016 CSA Practice Cases for the MRCGP contains 52 practice cases set up as 4 full CSA circuits to allow you to work through a range of representative CSA cases These cases can be tackled by a small revision group or used for structured individual revision It is a book of two halves The first half of the book contains 26 cases these case contain lots of detail and are an ideal way to start preparing for the exam The patient notes are extensive to allow a non medic to tackle the role playing The explanatory notes for the doctor contain comprehensive guidance and questions to provide a model of what a good competent GP should do These cases help you to refine your consultation skills and identify areas of weakness The second half of the book also contains 26 cases but the cases are more concise with less explanation and are ideal to work through as the real exam gets closer They offer you the opportunity to practise and revise your CSA technique Whether you are just starting out on your preparation for the CSA exam or are in the final cramming stage the cases in this book should be an essential part of your preparation

Essential Guide to the RCA for the MRCGP Talha Sami, 2022-01-15 The Recorded Consultation Assessment RCA represents a significant change for a generation of doctors used to taking practical exams featuring actors The RCA exam is based on recordings of your telephone and video consultations with genuine patients but of course patients don't present or respond quite like actors do This full colour book provides a practical guide to help nervous candidates and particularly International Medical Graduates IMGs prepare effectively with useful advice on Common pitfalls Working with your practice team to identify the patients you need Obtaining consent Differentiating between low and high challenge cases and which topics to avoid Setting up the technology for telephone video and face to face consultations How to perform well in each of the core domains In addition the book takes you through all aspects of using the FourteenFish platform to record assess and submit your consultations with screenshots used to illustrate every step If you need help to prepare from someone who passed the exam as part of the first cohort who has run RCA exam preparation courses and who has checked what is required with trainers and programme directors then you need this book Really packed with practical and clinical tips Covers everything you need to know before submitting A stress free way to prepare for the exam
