

She didn't even have to call them to her, for they were
so used they were already in the finished part of the nest
for sleep.

Night fell and all was quiet except for the call of the loon.

far out on the lake and the lapping of the waves on the beach.
And as she bent her head and nestled it in the soft down
of the babies beneath her, her heart was filled with gladness
because of the peace all around and because the world was
such a kind place.

Mrs Duck The Milkman

Susan Glaspell

Mrs Duck The Milkman:

Mrs. Duck and the Milkman Hebe Weenolsen, 1946 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1947 Includes Part 1A Books Part 1B Pamphlets Serials and Contributions to Periodicals and Part 2 Periodicals Part 2 Periodicals incorporates Part 2 Volume 41 1946 New Series Heritage Rare Books & Manuscripts Auction Final Session # 683 , Little wide-awake (magazine, ed.) by mrs. S. Barker Lucy D Sale Barker, 1885 **Harper's Magazine** Henry Mills Alden, Lee Foster Hartman, Thomas Bucklin Wells, Frederick Lewis Allen, 1916 Important American periodical dating back to 1850 **Rogues and Vagabonds** George R. Sims, 2022-09-04 In Rogues and Vagabonds George R Sims presents a vivid tapestry of life in Victorian England capturing the struggles and resilience of the downtrodden The narrative intricately weaves together short stories that illuminate the plight of society's outcasts beggars thieves and the impoverished while simultaneously employing a sardonic yet heartfelt humor Sims prose is reminiscent of the social realism prevalent in the late 19th century sharply critiquing the moral hypocrisy of the era while offering a nuanced portrayal of his characters humanity amidst hardship George R Sims a prominent figure in the realm of social reform and literature was deeply influenced by his experiences as a journalist and playwright His commitment to social issues is mirrored in his writings where he shines a light on the marginalized Born into a working class family Sims understanding of poverty and its complexities provided him the impetus to pen this collection which serves as both a critique and a compassionate examination of society's outcasts I wholeheartedly recommend Rogues and Vagabonds to readers seeking an authentic exploration of Victorian society's underbelly as well as those interested in the intersection of literature and social justice Sims ability to blend pathos with wit invites readers to not only engage with the text but also reflect on the broader implications of social inequality **Contemporary Authors New Revision** John Jorgensen, Daniel Jones, 1997-11 In response to the escalating need for up to date information on writers Contemporary Authors New Revision Series brings researchers the most recent data on the world's most popular authors These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries For your convenience a soft cover cumulative index is sent biannually *A Living from the Land* William Powell-Owen, 1919 Her America Susan Glaspell, 2010-07 One of the preeminent authors of the early twentieth century Susan Glaspell 1876 1948 produced fourteen ground breaking plays nine novels and more than fifty short stories Her work was popular and critically acclaimed during her lifetime with her novels appearing on best seller lists and her stories published in major magazines and in The Best American Short Stories Many of her short works display her remarkable abilities as a humorist satirizing cultural conventions and the narrowness of small town life And yet they also evoke serious questions relevant as much today as during Glaspell's lifetime about society's values and priorities and about the individual search for self fulfillment While the classic A Jury of Her Peers has been widely anthologized in the last several decades the

other stories Glaspell wrote between 1915 and 1925 have not been available since their original appearance This new collection reprints *A Jury of Her Peers* restoring its original ending and brings to light eleven other outstanding stories offering modern readers the chance to appreciate the full range of Glaspell's literary skills Glaspell was part of a generation of midwestern writers and artists including Sherwood Anderson Sinclair Lewis Willa Cather and F Scott Fitzgerald who migrated first to Chicago and then east to New York Like these other writers she retained a deep love for and a deep ambivalence about her native region She parodied its provincialism and narrow mindedness but she also celebrated its pioneering and agricultural traditions and its unpretentious values Witty gently humorous satiric provocative and moving the stories in this timely collection run the gamut from acerbic to laugh out loud funny to thought provoking In addition at least five of them provide background to and thematic comparisons with Glaspell's innovative plays that will be useful to dramatic teachers students and producers With its thoughtful introduction by two widely published Glaspell scholars *Her America* marks an important contribution to the ongoing critical and scholarly efforts to return Glaspell to her former preeminence as a major writer The universality and relevance of her work to political and social issues that continue to preoccupy American discourse free speech ethics civic justice immigration adoption and gender establish her as a direct descendant of the American tradition of short fiction derived from Hawthorne Poe and Twain

[365 Bedtime Stories for Kids](#) Emma Landon, 2023-07-27 In this captivating collection of bedtime stories young readers will embark on a journey through 365 delightful tales each designed to inspire imagination and fill their dreams with wonder From brave knights and adventurous pirates to curious creatures and intergalactic explorations this book offers a magical story for every night of the year Share the joy of reading with your little ones as they embark on a new adventure every night before they drift off to sleep Say goodbye to restless nights and enchanted dreams with these heartwarming and age appropriate stories Let the bedtime ritual become a treasured bonding experience between parents and children as you dive into the world of endless imagination and joy together
