The Brotherhood of the Red Nile: A Terrorist Perspective Dan Perkins, 2015-03-17. In a small village near the town of Al Mukharram in western Syria, the council of the Brotherhood of the Red Nile met for the first time to discuss their plan of a nuclear attack on the United States. Washington DC: Frank Williams, the Under Secretary of Homeland Security for Terrorist Activity, speaks to his people: Ladies and gentlemen, we are here today because of a real threat that if successful could bring down America. I know that we are all concerned about threats to the safety and security of the United States, but based on what we have been able to pick up in Internet traffic, a new al Qaeda type terrorist group is being formed somewhere in Syria, dramatically different from al Qaeda. Intelligence operatives around the world scramble to stop the Brotherhood. But will they be able to find the bombs in time? From the halls of the White House to the rebel camps of the Middle East, the trilogy of *The Brotherhood of the Red Nile* delivers a chilling thrill ride adventure of modern age danger and heroism so realistic you are not sure if it is fact or fiction.
