Mokama Thottam draws upon twenty years worth of research to tell this inspiring story for the first time She brings to life the hopes struggles and accomplishments of these ordinary women both American and Indian who succeeded against the odds during the tumult and trauma of the years after World War II and Partition Pain and loss were everywhere for the women of that time but the collapse of the old orders provided the women of Nazareth Hospital with an opening a chance to create for themselves lives that would never have been possible otherwise Woman's Missionary Friend ,1903 **The history of the Universities' Mission to Central Africa** Anne Elizabeth Mary Anderson-Morshead,1899 **The History of the Universities' Mission to Central Africa, 1859-1898** A.
