Schanbacher, 2019-03-22 This important work addresses the difficult ethical issues surrounding the accessibility of food to all people as a human right and not a privilege that emerges because of social structure or benefit of geography Food sovereignty the right of peoples to define their own chosen food and agriculture free of monopolization or threats is the path to stopping global hunger This book approaches the topic from a solutions based perspective discussing concrete policy providing for sovereignty or control of one's own food sources as a solution that while controversial offers more promise than do the actions of international organizations and trade agreements Providing access to safe healthy food is an ethical responsibility of the world's nations not just a right of the elite or wealthy This book presses the need to formulate policies that address the problems of poverty and hunger on a more humane and meaningful level Organized thematically chapters are based on such topics as food security food sovereignty human rights and sustainability that focus on the global food system Specific case studies provide examples of global hunger and poverty issues Taken in its entirety the book informs readers of how their food consumption might negatively affect the global poor while its concluding chapters offer solutions for alleviating problems in the global food system *The Everything Kids' Gross Cookbook* Colleen Sell, Melinda Sell Frank, 2007-07-17 Spending time in the kitchen might be a chore for busy mums and dads but kids see the kitchen as a fun and exciting place to explore their creative sides *Stepping Stones*, 1928 *Little Sally Waters* Ethel Calvert Phillips, 2025-03-02 In *Little Sally Waters* Ethel Calvert Phillips weaves a charming yet poignant narrative that delves into the complexities of childhood innocence and the bittersweetness of growing up This early 20th century novel employs a lyrical and whimsical prose style that captures the evocative spirit of rural life rendering the landscape as vividly as the characters that inhabit it Phillips employs a rich tapestry of imagery and folklore inviting readers to explore the intersection of community and individuality within a nostalgic pastoral setting echoing literary influences from the likes of Frances Hodgson Burnett and the Romantic poets Ethel Calvert Phillips an accomplished author of children's literature and women's fiction was known for her keen observations of human relationships and societal expectations Her upbringing in the English countryside paired with her own experiences as a mother and educator deeply informed her understanding of children's perspectives *Little Sally Waters* reflects Phillips's commitment to portraying authentic childhood experiences marked by both
