The story of Jewish emancipation is not well known nor how Jews made such an important contribution to law and democracy in England. In *The Jewish Contribution to English Law* Barrington Black explains how Jews first came to the UK, were expelled, returned and eventually took their place in Parliament and on the bench. He tells of the first Jewish lawyers as well as those who rose to be judges, President of the Supreme Court, Lord Chief Justice, Lord Chancellor, Master of the Rolls and Attorney General. The turning point was a Statute of 1858 which allowed Jews to take an oath compatible with their religious beliefs, extending comparable benefits conferred on Catholics almost 70 years before. This opened the doors for the first unconverted Jewish MP, Lionel de Rothschild, after which the judiciary beckoned. The book surveys Jewish heritage from ancient times to the days when modern governments turned to Jewish lawyers in troubling times and it records lawyers famous and less well known, the pioneers, the trailblazers, the experts and the mavericks who helped build the system we have today. *The Jewish Contribution to English Law* is full of insights into Jewish life. Based on a lifetime of research and reflection, the book tells why Jews were drawn to the law, charts history to and since 1858 and contains pen portraits of many Jewish judges, barristers, solicitors and lawyer-politicians.

Reviews

As this superb book shows, the Jewish contribution to English law has been enormous. How to read the book: *The Law Society Gazette* A brisk and cheerful anthology of the unique contribution made by scores of distinguished Jewish judges and lawyers to English law. Jonathan Goldberg QC *Jewish Chronicle* A superb book and owing to Barrington Black's rather cheery style, most readable. Brian P Block JP An interesting, well-researched, erudite and often humorous account, well written and clearly a labour of love.
