Negro Heritage Library: A Martin Luther King treasury, 1964 *Ebony*, 1964-07 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine *The Crisis*, 1965-05 The Crisis founded by W E B Du Bois as the official publication of the NAACP is a journal of civil rights history politics and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color For nearly 100 years The Crisis has been the magazine of opinion and thought leaders decision makers peacemakers and justice seekers It has chronicled informed educated entertained and in many instances set the economic political and social agenda for our nation and its multi ethnic citizens

Martin Luther King, Jr Robert E. Jakoubek, Heather Lehr Wagner, 2009 Presents a biography of the Baptist minister and civil rights leader whose philosophy and practice of nonviolent civil disobedience helped African Americans win many battles for equal rights **King's Dream** Eric J. Sundquist, 2020-08-11 Sundquist's careful thoughtful study unearths new and fascinating evidence of the rhetorical traditions in King's speech Drew D Hansen author of *The Dream* Martin Luther King Jr and the Speech That Inspired a Nation I have a dream no words are more widely recognized or more often repeated than those called out from the steps of the Lincoln Memorial by Martin Luther King Jr in 1963 King's speech elegantly structured and commanding in tone has become shorthand not only for his own life but for the entire civil rights movement In this new exploration of the I Have a Dream speech Eric J Sundquist places it in the history of American debates about racial justice debates as old as the nation itself and demonstrates how the speech an exultant blend of grand poetry and powerful elocution perfectly expressed the story of African American freedom This book is the first to set King's speech within the cultural and rhetorical traditions on which the civil rights leader drew in crafting his oratory as well as its essential historical contexts from the early days of the republic through present day Supreme Court rulings At a time when the meaning of the speech has been obscured by its appropriation for every conceivable cause Sundquist clarifies the transformative power of King's Second Emancipation Proclamation and its continuing relevance for contemporary arguments about equality The I Have a Dream speech and all that surrounds it background and consequences are brought magnificently to life In this book he gives us drama and emotion a powerful sense of history combined with illuminating scholarship The New York Times Book Review Editor's Choice *Negro Heritage*, 1976 *Black Citizenship and Authenticity in the Civil Rights Movement* Randolph Hohle, 2013 This book explains the emergence of two competing forms of black political representation that transformed the objectives and meanings of local action created boundaries between national and local struggles for racial equality and prompted a white response to the civil rights movement that set the stage for the neoliberal turn in US policy Randolph Hohle questions some of the most basic assumptions about the civil rights movement including the importance of non violence and the movement's legacy on contemporary black politics Non violence was the effect of the movement's emphasis

on racially non threatening good black citizens that when contrasted to bad white responses of southern whites severed the relationship between whiteness and good citizenship Although the civil rights movement secured new legislative gains and influenced all subsequent social movements pressure to be good black citizens and the subsequent marginalization of black authenticity have internally polarized and paralyzed contemporary black struggles This book is the first systematic analysis of the civil rights movement that considers the importance of authenticity the body and ethics in political struggles It bridges the gap between the study of race politics and social movement studies
