Image Politics in the Middle East Lina Khatib, 2012-10-22 Politics in the Middle East is now seen and the image is playing a central part in processes of political struggle This is the first book in the literature to engage directly with these changing ways of communicating politics in the region and particularly with the politics of the image its power as a political tool Lina Khatib presents a cross country examination of emerging trends in the use of visuals in political struggles in the Middle East from the Cedar Revolution in Lebanon to the Green Movement in Iran to the Arab Spring in Egypt Syria and Libya She demonstrates how states activists artists and people on the street are making use of television the social media and mobile phones as well as non electronic forms including posters cartoons billboards and graffiti to convey and mediate political messages She also draws attention to politics as a visual performance by leaders and citizens alike With a particular focus on the visual dynamics of the Arab Spring and based on case studies on the visual dimension of political protest as well as of political campaigning and image management by political parties and political leaders Image Politics in the Middle East shows how visual expression is at the heart of political struggle in the Middle East today It is a hard hitting enjoyable groundbreaking book challenging the traditional ways in which politics in the Middle East is conceived of and analysed

The Government and Politics of the Middle East and North Africa Mark Gasiorowski, 2016-08-02 A comprehensive country by country examination of the history domestic politics and foreign policies of the Middle East and North Africa

Refugee Governance, State and Politics in the Middle East Zeynep Şahin Mencütek, 2018-11-13 The movement of displaced people migrants and refugees has become increasingly important around the world leading to a need for increased scrutiny of global responses and policies towards migration This book focuses on the Middle East where many nations are part of this global phenomenon as both home transit and or host country Refugee Governance State and Politics in the Middle East examines the patterns of legal political and institutional responses to large scale Syrian forced migration It analyses the motivations behind neighbouring countries policy responses how their responses change over time and how they have an impact on regional and global cooperation Looking in particular at Turkey Lebanon and Jordan three of the world s top refugee hosting countries this book explores how refugee governance differs across countries and why they diverge To theorize variations the book introduces multi pattern and multi stage refugee governance models as two complementary analytical frameworks The book further argues that each of these three states refugee responses is constructed based on three main factors internal political interests economic development related concerns and foreign policy objectives as well as interactions among them The book s categorizations and models on policy fields actors stages

patterns and driving forces provide analytical tools to researchers for comparative analyses Scholars and students of Comparative Politics International Relations Refugee Studies Global Governance and Middle Eastern Studies will find this book a useful contribution to their fields The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY ND 4.0 license

Islamist Politics in the Middle East Samer Said Shehata, 2012 For over three decades Islamist politics or political Islam has been one of the most dynamic and contentious political forces in the Middle East Although there is broad consensus on the importance of political Islam there is far less agreement on its character the reasons for Islamist's success the role of Islamist movements in domestic and international affairs or what these movements portend for the future This volume addresses a number of central questions in the study of Islamist politics in the Middle East through detailed case studies of some of the region's most important Islamist movements Chapters by leading scholars in the field examine the Egyptian Muslim Brotherhood Hamas Hizbullah Morocco's Justice and Benevolence the Jordanian Muslim Brotherhood the Sunni Insurgency in Iraq and Islamist politics in Turkey and Iran The topics addressed within this volume include social networks and social welfare provision Islamist groups as opposition actors Islamist electoral participation the intersection of Islam and national liberation struggles the role of religion in Islamist politics and Islam and state politics in Iran among other topics All of the contributing authors are specialists with deep knowledge of the subject matter who are committed to empirically based research These scholars take Islamists seriously as modern sophisticated and strategic political players Together their work captures much of the diversity of Islamist politics in the region and will contribute to the scholarship on a topic that continues to be important for the Middle East and the world

A Political Economy of the Middle East Melani Cammett, 2018-03-22 *A Political Economy of the Middle East* is the most comprehensive analysis of developments in the political economy of the region over the past several decades examining the interaction of economic development processes state systems and policies and social actors in the Middle East The fourth edition with new authors Melani Cammett and Ishac Diwan has been thoroughly revised with two new introductory chapters that provide an updated framework with which to understand and study the many changes in demography education labor markets urbanization water and agriculture and international labor migration in the recent years The new edition also includes a new chapter that charts the political economy of the Gulf states and in particular the phenomenal growth of oil economies a new chapter on the rise of crony capitalism and increased coverage of the changes in civil society and social movements in the region including an exploration of the causes dynamics consequences and aftermath of the Arab uprisings

The international politics of the Middle East Raymond Hinnebusch, 2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license This text aims to fill a gap in the field of Middle Eastern political studies by combining international relations theory with concrete case studies It begins with an overview of the rules and features of the Middle East regional

system the arena in which the local states including Egypt Turkey Iran Israel and the Arab states of Syria Jordan and Iraq operate The book goes on to analyse foreign policy making in key states illustrating how systemic determinants constrain this policy making and how these constraints are dealt with in distinctive ways depending on the particular domestic features of the individual states Finally it goes on to look at the outcomes of state policies by examining several major conflicts including the Arab Israeli conflict and the Gulf War and the system of regional alignment The study assesses the impact of international penetration in the region including the historic reasons behind the formation of the regional state system It also analyses the continued role of external great powers such as the United States and the former Soviet Union and explains the process by which the region has become incorporated into the global capitalist market *Islam and Politics in the Modern Middle East (RLE Politics of Islam)* Metin Heper, Raphael Israeli, 2014-04-11 The recent resurgence of Islam in the Middle East is a far more complex phenomenon than is often suggested by those analyses which reduce recent developments in the area to no more than an intensification of religiosity Islam and Politics in the Modern Middle East challenges that perception of the contemporary Middle East It explores the nature of the Islamic revival and attempts to establish the original impulse behind particular instances of Islamic resurgence It also examines the degree to which religious institutions have served as a mechanism for expressing secular demands and frustrations and investigates to what extent politics is a functional alternative to religion First published in 1984 **Middle East, the Strategic Hub** Army Library (U.S.), 1978

Environmental Politics in the Middle East Harry Verhoeven, 2018-09-01 This book investigates how ecology and politics meet in the Middle East and how those interactions connect to the global political economy Through region wide analyses and case studies from the Arabian Peninsula the Gulf of Aden the Levant and North Africa the volume highlights the intimate connections of environmental activism energy infrastructure and illicit commodity trading with the political economies of Central Asia the Horn of Africa and the Indian subcontinent The book's nine chapters analyze how the exploitation and representation of the environment have shaped the history of the region and determined its place in global politics It argues that how the ecological is understood instrumentalized and intervened upon is the product of political struggle deconstructing ideas and practices of environmental change means unravelling claims of authority and legitimacy This is particularly important in a region frequently seen through the prism of environmental determinism where ruling elites have imposed authoritarian control as the corollary of environmental crisis This unique and urgent collection will question much of what we think we know about this pressing issue The Societies of the Middle East and North Africa Sean Yom, 2021-07-21 The second edition of this well regarded volume explores the societies of the Middle East and North Africa Presenting original studies written by the world's leading MENA scholars it sheds light upon the organizing structures human vulnerabilities and dynamic forces that propel social change among the peoples of the Arab world as well as Israel Turkey and Iran The volume can be used in conjunction with *The Government and Politics of the Middle East and North Africa*
