Adoptive and Foster Parent Screening James L. Dickerson, Mardi Allen, 2012-10-12 Screening applicants for adoption or foster homes has life altering consequences for the children involved yet there are incredibly few programs available to train screeners The educational system that certifies thousands of social workers each year does not understand the specialized training required to screen adoptive and foster parents social work schools provide minimal interview training and what training they do provide focuses on therapeutic interview techniques rather than screening skills There is a clear need for a book like Adoptive and Foster Parent Screening one that can be incorporated into course requirements and used by working social workers and psychologists involved with adoption and foster parent screening Adoptive and Foster Parent Screening written by a former social worker who has placed hundreds of children into adoptive and foster homes and

a clinical psychologist meshes the best of psychology and social work experience into a definitive guide for screening adoption and foster home applicants The book provides information on evaluating aberrant behavior and unhealthy parenting attitudes interview techniques psychological testing Adoptive and Foster Parent Screening is based on case histories research data and interpretive analysis The book is written in an accessible style free of technical language thus making it appropriate for college level students and professionals who don't have time to sift through empirical data to obtain accessible information that they can adapt to their profession

Helping Children Cope with Loss and Change Amanda Seyderhelm, 2019-08-19 Whether it's the grief of bereavement the strain of divorce or the uncertainty of a new home or school loss and change affect children in countless ways Nevertheless teachers and parents frequently find themselves ill equipped to help children struggling with the difficult feelings that these situations and others like them bring Helping Children Cope with Loss and Change offers guided support for teachers health professionals and parents Designed for use with children aged 4-10 this guide offers Case studies illustrating various signs of grief and loss to help the caregiver spot and manage a child's pain Therapeutic stories designed to be read with the child and with prompt questions to encourage discussion Creative activities and exercises that can be developed into a therapeutic toolkit to support the child and the caregiver themselves With chapters that move from Loss and Change to Resolution and Resilience addressing the needs of both the child and caregiver Helping Children Cope with Loss and Change will be an invaluable therapeutic tool

The Basics of Adoption James L. Dickerson, Mardi Allen, 2006-09-30 With about 70 000 domestic and international adoptions each year in the United States and Canada adoption remains a major means of building families in both countries Its continued success can be inferred not only from the yearly statistics but from a report issued in 2003 by the U S Census Bureau To the surprise of many the report announced the

existence of 1.6 million adopted children in the U.S. under the age of eighteen. Written by a former social worker who has placed hundreds of children in foster and adoptive homes and a clinical psychologist who has counseled adopted children and parents, this book offers a comprehensive look at the adoption process by merging the best of social work with the best of psychology. Adoption can be a frustrating and intimidating undertaking for the unprepared. This guide provides prospective adoptive parents with the insider information that they need to navigate the process, and it provides students with the sort of expert opinion that they need to grasp the academic theory they receive in the classroom.
