Experimental literature accelerated dramatically in Vancouver in the 1960s as the influence of New American poetics merged with the ideas of Marshall McLuhan Vancouver poets and artists began thinking about their creative works with new clarity and set about testing and redefining the boundaries of literature As new gardes in Vancouver explored the limits of text and language some writers began incorporating collage and concrete poetics into their work while others delved deeper into unsettling revolutionary and Surrealist imagery There was a presumption across the avant garde communities that radical openness could provoke widespread socio political change In other words the intermedia experimentation and the related destruction of the line between art and society pushed art to the frontlines of a broad socio political battle of the collective imagination of Vancouver Finding Nothing traces the rise of the radical avant garde in Vancouver from the initial salvos of the Tish group through Blewointment s spatial experiments to radical Surrealisms and new feminisms Incorporating images original texts and interviews Gregory Betts shows how the VanGardes signalled a remarkable consciousness of the globalized forces at play in the city impacting communities orientations races and nations The British Library General Catalogue of Printed Books 1976 to 1982 British Library,1983 **Books in Print** ,1987 *International Who's Who in Poetry 2004* Europa Publications,2003 Provides up to date profiles on the careers of leading and emerging poets **A Comprehensive Bibliography of English-Canadian Short Stories, 1950-1983** ,1988 This bibliography endeavors to record every short story written in English by a Canadian author and first published during the period 1950 1983 and contains 20 000 citations to stories by more than 5 300 authors Organized alphabetically by author s last name it includes references to anthology and story collection appearances by these authors thus providing a complete publishing history of each story cited Hundreds of Canadian periodicals and dozens of anthologies were searched in addition the bibliography cites appearances by Canadian stories in foreign books and periodicals
