

A BIOGRAPHY
OF
WILLIAM SHAKSPERE

BY CHARLES KNIGHT

CAREFULLY REVISED

"All that is known with any degree of certainty concerning Shakspeare is—that he was born at Stratford-upon-Avon—married and had children—remained in London, where he commenced actor, and wrote poems and plays—remained in Stratford, until his death, and was buried."—*Register*

"Adding with due respectful reservations, perhaps even without much of it, we could have liked to get some notion, in case any one follows the usual procedure: What and how was Emerson? Let us Shakspeare's reader, observe how some ground is often made out of the other works: What things have we to forget, what to deny and withhold, before we, from such evidence, can get ourselves to Shakspeare's place: and so be the full sense of the name, individual life, his writings, and his things?"—*Edinburgh*

Recent Discoveries Relating to the Life and Works of William Shakespeare Arthur Field, 1948-01-01 **Less Is More**
Donna J. Baumbach, Linda L. Miller, 2006-06-05 Contains practical advice for updating a school library collection describing why it is important and how to use automation tools to make the job easier *Shakespeare's Lives* Samuel Schoenbaum, 1991 This volume presents a study of the changing images and differing ways that the life of English poet and playwright William Shakespeare 1564 1616 has been interpreted throughout history The author takes readers on a tour of the countless myths and legends which have arisen to explain the great dramatist's life and work bringing the story right up to 1989 He reconstructs as much of the elusive author's life as possible considering his family history his economic standing and his reputation with his peers the Shakespeare who emerges may not always be the familiar one catalogue of works relating to william shakespeare and his writings in the barton collection boston public library James mascarene hubbard, 1880 Shakespeare Survey Allardyce Nicoll, 2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback *Histories. Life of William Shakespeare* William Shakespeare, 1847 The Biography and Bibliography of Shakespeare Henry George Bohn, Philobiblon Society (Great Britain), 1863 **The Shakespearean World** Jill L Levenson, Robert Ormsby, 2017-03-27 The Shakespearean World takes a global view of Shakespeare and his works especially their afterlives Constantly changing the Shakespeare central to this volume has acquired an array of meanings over the past four centuries Shakespeare signifies the historical person as well as the plays and verse attributed to him It also signifies the attitudes towards both author and works determined by their receptions Throughout the book specialists aim to situate Shakespeare's world and what the world is because of him In adopting a global perspective the volume arranges thirty six chapters in five parts Shakespeare on stage internationally since the late seventeenth century Shakespeare on film throughout the world Shakespeare in the arts beyond drama and performance Shakespeare in everyday life Shakespeare and critical practice Through its coverage The Shakespearean World offers a comprehensive transhistorical and international view of the ways this Shakespeare has not only influenced but has also been influenced by diverse cultures during 400 years of performance adaptation criticism and citation While each chapter is a freshly conceived introduction to a significant topic all of the chapters move beyond the level of survey suggesting new directions in Shakespeare studies such as ecology tourism and new media and making substantial contributions to the field This volume is an essential resource for all those studying Shakespeare from beginners to advanced specialists *The Complete Dramatic and Poetical Works of William Shakespeare* William Shakespeare, 1878 **Shakespeare** British Museum. Department of Printed Books, 1964 Shakespeare's Plays with His Life William Shakespeare, 1847 **William Shakespeare: A Brief Life** Paul Menzer, 2023-03-23 This engaging and fresh biography begins by examining how Shakespeare's life turns into myth so comfortably as to seduce even the most sceptical scholar The early departure the late

return Public success private loss A twilight of plays about family reunions a death at home in the biggest house in town the one he walked by as a schoolboy and eyed with envy or at least ambition Shakespeare led an orbital life everything returned to where it began He even had the dramatic good sense to die on his birthday One of the appealing dynamics of the Shakespeare myth is the contrast of his humble beginnings and his lofty achievements persuading us that genius might blossom anywhere William Shakespeare A Brief Life honours these myths but also explores some of the mysteries why Shakespeare left Stratford who he ran with in London why he put down his pen and at last came home again Ultimately the book explores the compelling contrast between the mere fifty two years Shakespeare lived with the prolonged after lives of his work and his story which show no sign of ending Catalog of the Shakespeare Collection Folger Shakespeare Library,1972

A Bibliographical Account of the Works of Shakespeare, including every known edition, translation, and commentary. By H. G. Bohn. Printed off separately from his enlarged edition of the Bibliographer's Manual [of W. T.

Lowndes] with some additions Henry George BOHN,1864 **Literature in the Age of Celestial Discovery** Judy A.

Hayden,2016-04-08 The reconfiguration and relinquishing of one's conviction in a world system long held to be finite required for many in the sixteenth and seventeenth centuries a compromise in one's beliefs and the biblical authority on which he or she had relied and this did not come without serious and complex challenges Advances in astronomy such as the theories of Copernicus the development of the telescope and Galileo's discoveries and descriptions of the moon sparked intense debate in Early Modern literary discourse The essays in this collection demonstrate that this discourse not only stimulated international discussion about lunar voyages and otherworldly habitation but it also developed a political context in which these new discoveries and theories could correspond metaphorically to New World exploration and colonization to socio political unrest and even to kingship and regicide **The Complete Dramatic and Poetical Works of William**

Shakespeare William Shakespeare,1881 **The British National Bibliography** Arthur James Wells,1955 Sothoran's Price Current of Literature ,1902 *Merlin and the Discovery of Avalon in the New World* Graham Phillips,2005-10-12 The

first book to present the true identity of the mythic figure Merlin Uncovers historical evidence that the legend of Merlin was based on the life of a real man Reveals that Avalon Merlin's final resting place was an island in the United States The legendary figure Merlin is known throughout the world as the wizard of Camelot who was counselor to King Arthur and helped that monarch create the Round Table Through the course of a 20 year investigation Graham Phillips has uncovered evidence that this famous story was based on the life of an actual historical figure the son of a Roman consul who became the last of the Romans to rule Britain in the fifth century A D Furthermore the evidence reveals that he died and was buried in what is now the United States According to legend Merlin ended his life on the mystical island of Avalon A 1500 year old saga tells how Merlin left Britain on a boat bound for a mysterious island to the west The places described in Merlin's voyage Phillips argues would only have been seen by someone who had journeyed to the New World For example the island where

boiling fountains bubble from the ground could be the geysers of Iceland and the island with rivers of ice the glaciers of Greenland During his research Phillips discovered that a site believed to be Merlin s grave was found by the first British settlers in North America a secret location said to have been preserved in the works of William Shakespeare and the coded writings of the Freemasons Phillips follows a trail of historical clues that leads ultimately to a mysterious New England tomb Here a final encrypted message not only reveals the whereabouts of Merlin s grave but contains evidence that Merlin s descendants still survive and through a merger with the Spencer family of Princess Diana may once again ascend the British throne The Bibliographer's Manual of English Literature William Thomas Lowndes,1861
