Responding to Disability Issues in Student Affairs Sue Ann Kroeger, Judy Ann Schuck, 1993 **Responding to Disability Issues in Student Affairs** Sue Kroeger, Judy Schuck, 1993-01-01 **Serving Students with Disabilities** Holley A. Belch, 2011-09-28 This issue examines what student services professionals can do to ensure the success of the growing population of students with disabilities The contributors explore the critical role that community and dignity play in creating a meaningful educational experience for students with disabilities and show how to help these students gain meaningful access and full participation in campus activities In addition to such common concerns as fulfilling legal requirements and overcoming architectural barriers the contributors also address a full range of important issues such as effective approaches to recruitment and retention strategies for career and academic advising and the impact of financial resources on funding programs and services This is the 91st issue of the quarterly journal *New Directions for Student Services* *Higher Education and Disabilities* Alan Hurst, 2018-08-13 First published in 1998 this volume compares disability services and strategies along with students with disabilities across various countries around the world Its publication followed a series of conferences held at different international locations These papers have been brought together with the aim to better inform our understanding of approaches to disabled students and their experiences Focusing on topics such as the Australian Disability Discrimination Act 1992 disability policy and supporting students with disabilities in higher education this volume will be of use to students lecturers researchers and policymakers whether able bodied neurotypical or disabled Handbook of Communication and People With Disabilities Dawn O. Braithwaite, Teresa L. Thompson, 1999-12 Each chapter provides a state of the art literature review practical applications of the material and key words and discussion questions to facilitate classroom use Jacket Disability in Higher Education Nancy J. Evans, Ellen M. Broido, Kirsten R. Brown, Autumn K. Wilke, 2017-02-15 Create campuses inclusive and supportive of disabled students staff and faculty *Disability in Higher Education A Social Justice Approach* examines how disability is conceptualized in higher education and ways in which students faculty and staff with disabilities are viewed and served on college campuses Drawing on multiple theoretical frameworks research and experience creating inclusive campuses this text offers a new framework for understanding disability using a social justice lens Many institutions focus solely on legal access and accommodation enabling a system of exclusion and oppression However using principles of universal design social justice and other inclusive practices campus environments can be transformed into more inclusive and equitable settings for all constituents The authors consider the experiences of students faculty and staff with disabilities and offer strategies for addressing ableism within a variety of settings including classrooms residence halls admissions and orientation student organizations career development and counseling They also expand traditional student affairs understandings of disability issues by including chapters on technology law theory and disability services Using social justice principles the discussion spans the entire college

experience of individuals with disabilities and avoids any single issue focus such as physical accessibility or classroom accommodations The book will help readers Consider issues in addition to access and accommodation Use principles of universal design to benefit students and employees in academic cocurricular and employment settings Understand how disability interacts with multiple aspects of identity and experience Despite their best intentions college personnel frequently approach disability from the singular perspective of access to the exclusion of other important issues This book provides strategies for addressing ableism in the assumptions policies and practices organizational structures attitudes and physical structures of higher education

Helping College Students Succeed Glenn Hirsch,2013-06-17 Glenn Hirsch offers professionals a user friendly comprehensive resource book of theories and specific techniques that can be used to enhance college student success Dr Hirsch offers readers an integrated model for change that includes both holistic assessments of academic difficulty and suggestions for three different levels of intervention based on the student s readiness and motivation for change He also provides specific interview and testing strategies for determining the causes of academic difficulty

Law and Social Justice in Higher Education Crystal Renée Chambers,2016-11-25 The latest volume in the Core Concepts in Higher Education series explores the complexity of law in higher education and both the limits and opportunities of how law can promote inclusivity and access on campus Through a historical and legal framework this volume discusses undergraduate students histories of inclusion and struggles for social justice in higher education by race sex social class disability and sexual orientation Bridging research theory and practice Law and Social Justice in Higher Education encourages future and current higher education and student affairs practitioners to consider how they can collaborate to further a just society Special features Discussion of case law illustrates the reach and limits of law and where higher education professionals can continue to push for social justice Accessible to non lawyers chapters highlight key legal terms and key concepts to guide readers at the beginning of each chapter End of chapter questions provide prompts for discussion and encourage student interactivity

Perspectives on Diverse Student Identities in Higher Education Jaimie Hoffman,Patrick Blessinger,Mandla Makhanya,2018-12-14 This volume provides educators with a global understanding of the challenges associated with the growing diversity of student identities in higher education and it provides evidence based strategies for addressing the challenges associated with implementing equity and inclusion at different higher education institutions around the world

Contested Issues in Student Affairs Peter M. Magolda,Marcia B. Baxter Magolda,2023-07-03 What is your level of understanding of the many moral ideological and political issues that student affairs educators regularly encounter What is your personal responsibility to addressing these issues What are the rationales behind your decisions What are the theoretical perspectives you might choose and why How do your responses compare with those of colleagues Contested Issues in Student Affairs augments traditional introductory handbooks that focus on functional areas e g residence life career services and organizational issues It fills a void by addressing the social educational and moral

concepts and concerns of student affairs work that transcend content areas and administrative units such as the tensions between theory and practice academic affairs and student affairs risk taking and failure and such as issues of race ethnicity sexual orientation and spirituality It places learning and social justice at the epicenter of student affairs practice The book addresses these issues by asking 24 critical and contentious questions that go to the heart of contemporary educational practice Intended equally for future student affairs educators in graduate preparation programs and as reading for professional development workshops it is designed to stimulate reflection and prompt readers to clarify their own thinking and practice as they confront the complexities of higher education Student affairs faculty administrators and graduate students here situate these 24 questions historically in the professional literature present background information and context define key terms summarize the diverse ideological and theoretical responses to the questions make explicit their own perspectives and responses discuss their political implications and set them in the context of the changing nature of student affairs work Each chapter is followed by a response that offers additional perspectives and complications reminding readers of the ambiguity and complexity of many situations Each chapter concludes with a brief annotated bibliography of seminal works that offer additional information on the topic as well as with a URL to a moderated blog site that encourages further conversation on each topic and allows readers to teach and learn from each other and interact with colleagues beyond their immediate campus The website invites readers to post blogs respond to each other and upload relevant resources The book aims to serve as a conversation starter to engage professionals in on going dialogue about these complex and enduring challenges

Short ContentsThe 24 questions are organized into four units I The Philosophical Foundations of Student Affairs in Higher Education explores the implications and complications of student affair educators placing learning at the epicenter of their professional work II The Challenges of Promoting Learning and Development explores the challenges associated with learning centered practice III Achieving Inclusive and Equitable Learning Environments addresses crafting learning environments that include students whose needs are often labeled special or students and or student subcultures that are often marginalized and encouraged to adapt to normalizing expectations IV Organizing Student Affairs Practice for Learning and Social Justice addresses the organizational and professional implications of placing learning and social justice at the epicenter of student affairs practice
