Restoration And Renewal The Church In The Third Millennium:

Catholicism in the Third Millennium Thomas P. Rausch, 2016-03-24 What is Catholicism And where is the Catholic Church headed in the third millennium These two questions provide the structure for Thomas Rausch s Catholicism in the Third Millennium Here Rausch combines a faithful presentation of the tradition with a critical theological reflection and interpretation of where the Church is today and where it might be moving Catholicism in the Third Millennium offers an appreciation of the forces and movements that have shaped and continue to influence the ongoing change and development of Roman Catholicism Chief among these is the influence of the Second Vatican Council 1962 1965 in reshaping Catholicism This revised edition includes updated text from Rausch s Catholicism at the Dawn of the Third Millennium particularly the final chapter on The Unfinished Agenda of Vatican II Each chapter concludes with focus questions developed by Catherine E Clifford of St Paul s University Ottawa This experience of guided reading provides readers with a broad survey of Roman Catholic faith and practice in its contemporary context For readers who wish to compare particular passages of this volume with the Catechism of the Catholic Church an outline is provided in an appendix with references to the appropriate sections of the Catechism A second appendix offers a glossary of terms used in the book while a third appendix lists a number of basic works for further investigation of Catholic faith and life Chapters are The Church and the Council Faith and the Believing Community A Visible Church A Living Tradition Sacraments and Christian initiation Christian Life and Discipleship Sin Forgiveness and Healing Sexual Morality and Social Justice Prayer and Spirituality The Fullness of Christian Hope and The Unfinished Agenda Includes Appendix I Outlook of Book with References to the Catechism of the Catholic Church Appendix II Glossary of Terms and Appendix III Basic Reference Works on Catholicism An Index of Names and an Index of Subjects are also included Thomas P Rausch SJ PhD is professor of theology at Loyola Marymount University in Los Angeles He is the author of Catholicism at the Dawn of the Third Millennium Reconciling Faith and Reason and editor of the bestselling The College Student s Introduction to Theology published by Liturgical Press Catherine E Clifford PhD is a professor of theology at St Paul s University in Ottawa Ontario

Religious Liberty and the Hermeneutic of Continuity: Conservation and Development of Doctrine at Vatican II R. Michael Dunnigan, 2023-10-24 The Second Vatican Council s declaration *Dignitatis Humanae* marks a significant advance over prior magisterial teaching about the right to religious liberty yet the nature of this advance has long been subject to controversy Is it a true development conserving and extending what came before Or

does it instead chart a new course entirely rejecting and replacing the older teaching In *Religious Liberty and the Hermeneutic of Continuity* R Michael Dunnigan takes up these pressing questions and offers a careful examination of how the claims of *Dignitatis Humanae* relate to the magisterial precedents set by the papacy in the nineteenth century With precision and nuance Dunnigan analyzes the object scope and foundation of the right to religious liberty itself and his analysis culminates in the proposal that the right endorsed by Vatican II is not identical with the rights condemned by previous popes Beyond establishing the claims of *Dignitatis Humanae* as a true development of prior teaching Dunnigan shows that its contribution to the question of religious liberty has not yet received full appreciation Indeed Dunnigan demonstrates how the Vatican II declaration reaffirms reinforces and even revivifies prior magisterial teaching on religious liberty through its emphasis on human integrity which emerges as a foundational but often overlooked principle of continuity

My Call to Priesthood Ronald Eberley, 2006-01-26 A personal story of one married Roman Catholic male's attempt to become a priest This is the story of Ron Eberley's so far futile effort to become a married priest It is also a clear account of the chequered history and tortuous theology of mandatory celibacy

Marks of the Body of Christ Carl E. Braaten, Robert W. Jenson, 1999 Martin Luther once listed seven marks of the church those defining ecclesial features that show where the true church is to be found This insightful volume brings together essays by ten leading Catholic Episcopal Lutheran Methodist and Orthodox theologians each analyzing one of the seven traditional marks of the church and discussing how it is found or not found in today's churches Writing about each mark of the church are these scholars Gerhard O Forde and Richard Lischer on proclamation Susan K Wood and John H Erickson on baptism K Paul Wesche and Richard A Norris Jr on the eucharist David S Yeago on the office of the Keys Carl E Braaten on ordination Robert W Jenson on catechesis and William J Abraham on discipleship The picture of contemporary church life that is developed by these authors is grim but their analyses and practical suggestions are both constructive and necessary

The Future of Christian Marriage among the Igbo vis-a-vis Childlessness Augustus Chukwuma Izekwe, 2015-08-06 Marriage was ordained by God for the good of spouses and for procreation But how often does marriage turn out to bring unhappiness to partners And how often do even happy marriages end up childless Among the Igbo of South eastern Nigeria to whom offspring is the chief goal of marriage childlessness leads often to unhappiness in marriage and not less often to the break up of marriages or to polygamy In this work the author expounds the importance of marriage and its practice among the Igbo He explains the importance of children in Igbo understanding of marriage and identifies childlessness as the key factor which could endanger and sometimes do endanger the Igbo acceptance of the Catholic doctrine of the indissolubility of marriage Using the relevant clauses of the Code of Canon Law the author explains in detail the Catholic understanding of marriage and the goals of the Catholic doctrine on marriage He writes of the possibility of marriage impediments due to impotence and sterility that lead to childlessness and recommends not only a thorough pre marriage preparation but also a continual formation of marriage

couples as efforts that could check the increasing rate of divorce and polygamy due to childlessness But the author knows that childlessness can still occur despite all precautions He therefore recommends adoption instead of polygamy as the ultimate panacea to childlessness in marriage The author condemns in unmistakable terms the mentality among the Igbo which blames and traumatizes the woman in cases of childlessness **Reflecting on Faith Schools** Helen
