The Healing Church Sam Black, 2023-05-16 Two thirds of men and a third of women who attend church regularly say they struggle with pornography Yet only 7% of churches offer specific resources and support to their congregations Pastors and church leaders are well aware of the issue of pornography thanks to decades of studies and Christian blog and magazine articles however the local church is caught in a painful trap When Christians are too ashamed to admit their struggle church leaders aren't able to directly support those who are actively struggling when church attendees do find the courage to seek help they often receive ineffective support from pastors and ministry leaders due to lack of proactive planning As a former journalist and current Director of Recovery Education for Covenant Eyes Sam Black understands the stronghold pornography can have on an individual's life His writing in The Healing Church actively addresses these issues and provides clear guidance for ministry leaders as they support those who seek to live in freedom In The Healing Church ministry leaders will discover how to create safe spaces and apply processes that restore those trapped in compulsive behaviors with pornography Sam Black outlines the most successful examples from churches currently providing meaningful aid and includes stories of Christians who found healing from porn strongholds as evidence of the type of healing that pastors and church leaders can provide In researching this book Sam Black conducted more than 70 interviews not only with pastors counselors and ministry leaders but also with everyday people who recovered from a secret life of sin and are helping others who feel trapped by porn and unwanted sexual behaviors The Healing Church affirms how those who experience true brokenness and surrender to discipleship and life change become strong servants to the Body of Christ and healthier as people overall When the selfish

become selfless when the idolators learn to worship Christ when the prideful become meek they become more fulfilled as servants and filled with purpose Today the local church has choices It can largely ignore the problems of pornography because they are too unseemly It can chastise rebuke and cast out which sends more people into hiding Or it can lead people through a grace filled process to the foot of the Cross where strongholds are crushed and where stronger servants arise

**Rebuilding the Walls** James Kelly,2020-06-22 There are few situations in the life of a church that are more disruptive or destructive than the presence of sin in the life of its membership especially the leadership Too often we see the presence of sin as a fatal situation Yet sin properly dealt with rather than destroying the church or those involved may become a catalyst for growth both for the church body and those involved in whatever sin is present Christ and the apostle Paul laid out instructions for taking the presence of sin challenging those involved and restoring their walk with Christ Therefore we must if we consider ourselves as a spiritual people resolve to restore those impacted by sin and see them resume their walk with Christ Gal 6 1
