Resurrection And Modern Man:

Sermons in 1 & 2 Corinthians R. J. Rushdoony, 2023-06-09 Rushdoony's *Sermons in First and Second Corinthians* are the last of his Biblical commentaries delivered shortly before his passing but it represents a fitting close to his teaching ministry. He said Paul's letters are difficult to preach on because they speak to the sins of Christians and with the church at Corinth the long list of sins included division, strife, injustice, immorality, doctrinal error, and the abuse of the sacraments. Despite their many transgressions, the apostle Paul still addresses the believers at Corinth as saints and referred to their gathered community as the church of the Lord Jesus Christ. They were still Christ's embassy on earth. They could still develop into a greater training center for Christian action. This is why Paul's letters to the Corinthians are relevant to the church today and it's also why Rushdoony's sermons on these two epistles are invaluable to us now. Rushdoony was criticized for his ecclesiology but only because he always saw the greater fact of God's advancing Kingdom and the church as the equipping center for the saints. Rushdoony's fresh application of Paul's warnings and admonitions will help Christians, pastors, and churches to free themselves of the same sins and return to the church as an embassy of the Kingdom.

THE NEED FOR A GODLY SOCIAL ORDER The church could not hope in time to rule the world if it could not rule itself. It was thus very important for Paul to bring the Corinthians back into obedience to God's law among other things. The apostle Paul was an envoy to the ekklesia of Jesus Christ; those who are called to establish God's Kingdom on earth. Therefore, the importance of his patience, correction, and instruction could not be diminished if he were to be faithful to the One who sent him. The church is Christ's embassy to earth to reclaim what belongs to Him. Against the backdrop of a history filled with hatred for God and hatred of all that is holy, our greater calling is the establishing of a godly social order, and this commentary by Rushdoony is a welcomed text to help equip us for that great responsibility.

An Arthur A. Cohen Reader Arthur Allen Cohen, 1998. A collection of essays all published previously. The following deal with antisemitism.

Living Resurrected Lives Veronica Mary Rolf, Eva Natanya, 2020-10-21. Christ's bodily resurrection is the foundation of Christian faith; at least it is supposed to be. But how often do we really consider what that means? *Living Resurrected Lives* explores what it would take for Christians to understand and believe so clearly in resurrection, both Christ's glorification and the promise of our own, that our lives would be radically transformed by that faith right now. We take a daringly integrated approach, balancing careful consideration of sacred Scripture with attention to history, theology, and personal contemplative practice. We offer arguments to re-establish a firm bedrock for belief in the Gospel accounts, suggest a new theological perspective that integrates scientific insights into quantum uncertainty with reflections on the malleable nature of identity, and provide heart-stirring guided meditations for daily practice. We elucidate St. Paul's teachings on the transformation of the body and grapple with age-old conundrums about decaying corpses and the continuity of personal identity. What dies? What lives on? We revisit early Christian intuitions about the sublime qualities of the glorified body and explore how we might cultivate such qualities through our own individual

practice Thus we propose an embodied resurrection mysticism that can permeate every moment of our lives Quarterly Review of the Evangelical Lutheran Church ,1920 *A Modern Man's Theology* Washington Gladden,1914 **The Lutheran Quarterly** ,1920 **Eschatology and Ethics** Carl E.
