Human Development Eric Rayner, 2005 This new edition has been thoroughly revised and updated to incorporate new developments in the field. The authors discuss each of the crucial stages in human development through birth, adolescence, mid-life and old age to dying, grief and mourning.

Sex, Mind, and Emotion Winifred Bolton, Janice Hiller, Heather Wood, 2018-04-24 *Sex, Mind, and Emotion* is a collection of predominantly clinical papers exploring innovative work in the field. The central tenet of the book is that sexual behaviour cannot be divorced from the emotional context in which it occurs or the meaning of that behaviour to the individual and therefore no chapter is about sex without also addressing mind and emotion. The book uses a fusion of psychoanalytic, systemic and cognitive theories in conjunction with public service practice. It deals with important and relevant topics such as the treatment of sex offenders, the compulsive use of internet pornography, the psychosexual development of adolescents growing up with HIV, the psychodynamics of unsafe sex, refugees and sexuality services for people with gender dysphoria.

Wifework Susan Maushart, 2008-12-06 *Wifework* is a fiercely argued in depth look at the inequitable division of labor between husbands and wives. Bolstering her own personal experience as a twice married mother of three with substantial research and broad statistical evidence, Susan Maushart explores the theoretical and evolutionary reasons behind marriage inequality. She forces us to consider why 50 per cent of marriages end in divorce and why women are responsible for initiating three quarters of them. If family life is worth saving and Maushart passionately believes it is, the job description for wives will have to be rewritten. Susan Maushart was born in New York and has lived in Australia since 1985. Her first book *Sort of a Place Like Home* won a Festival Award for Literature at the Adelaide Festival in 1994 and her second *The Mask of Motherhood* was published to international acclaim. She is a senior research associate at Curtin University, a columnist for the *Australian Magazine* and lives in Perth with her three children. An often funny dissection of modern marriage, 100 percent honest. A smart and witty book. Publishers Weekly With good humored aplomb Maushart makes clear she doesn't think marriage or men are rotten but that the way we typically divide up the business and the pleasure too of our adult relationships is inefficient, maladaptive and unfair. Bookpage Maushart assembles an overwhelming amount of data documenting how marriage has perpetuated inequities between husband and wife. Christian Science Monitor Daily Susan

Maushart's heartfelt and incendiary *Wifework* is a brief against traditional marriage that took me back to the galvanizing effect of reading Friedan's *Salon.com* A wake up call for women feeling trapped by marriage Booklist **Sex, Love and Abuse** Sharon Hayes, 2014-05-15 This book explores the morality of love and sex and how distortions of these sometimes develop into abuse Hayes argues that there are strong similarities between different kinds of abusive relationships and that these similarities arise out of the common narratives surrounding romantic love and the logic of intimate relationships
