Rethinking The Wineskin The Practice Of The New Testament Church:

Rethinking the Wineskin Frank A Viola,2002-08-01 **New Wine Skins - The Church in Transition** Nate Krupp,1990

The Global House Church Movement Rad Zdero,2004-06-01 A major church shift is happening all around the world God is once again bringing back the power and simplicity of New Testament style Christianity The Lord is raising up the global house church movement Do you want to reach your friends and your nation with an approach to church life and church planting that is biblical and effective If so read this book **God's Simple Plan for His Church - And Your Place in It**

Nate Krupp,2003-05 God is getting His church ready for the coming revival and this book tells followers how they can prepare to help Christian Religion **Church Planting Movements** V. David Garrison,2007 David Garrison PhD University of Chicago defines Church Planting Movements as rapidly multiplying indigenous churches planting churches that sweep across a people group or population segment Garrison s Church Planting Movements How God Is Redeeming a Lost World signaled a breakthrough in missionary church planting After the publication of Garrison s book in 2004 it became impossible to talk about missions without referencing Church Planting Movements Church Planting Movements examines more than two dozen movements of multiplying churches on five continents After presenting these case studies Garrison identifies ten universal elements present in each movement He then broadens the circle of examination to identify a further ten common characteristics factors identified in most but not all of the movements He concludes his examination with a list of Seven Deadly Sins i e harmful practices that stifle or impede Church Planting Movements Important for evangelical readers the author returns to his findings to see how they stand up to the light of Scripture What he discovers is that Church Planting Movements are much more consistent with the New Testament lay led house church movements that swept rapidly through the Mediterranean world in the face of hostile opposition than today s more sedentary professional institutionalized Christianity Learn more about Church Planting Movements from the book s website www.ChurchPlantingMovements.com

Planting Missional Churches Ed Stetzer,2006-05-01 Planting Missional Churches is an instruction book for planting biblically faithful and culturally relevant churches It addresses the how to and why issues of church planting by providing practical guidance through all the phases of a church plant while taking a missional look at existing and emerging cultures

The Church in the House Robert Fitts,2018-04-17 The Church in the House a Return to Simplicity The most rapid expansion of Christianity in history took place in the first two hundred fifty years of the Church s history until recently Something has been happening for the past twenty five years in China that is growing even faster What is remarkable is that both of *Snapshots of Time & Eternity* Eckehart Augustiny,2024-11-21 By and large Evangelicals claim that in spite of not having a detailed knowledge of the Bible you can still be a good Christian if you have an intimate relationship with Jesus Christ On the other hand you can have a fantastic knowledge of the Bible and be a lousy Christian or none at all We know that Jesus came to die to save and to build his church and that God has good things for us in store And while we cannot grasp

in detail all that God prepared for us for now we see in a mirror dimly or through a glass darkly 1 Cor 13 12 KJV it is possible to deepen our understanding of God's plan in ways helpful for living the Christian life Ever since you became a Christian you were in Christ and Christ was in you and in him are all the treasures of wisdom and knowledge These treasures have been in you in Christ all along It is the author's hope and prayer that this book will assist you in uncovering some of these hidden treasures E g it will show 1 how to improve spiritual perception through recognizing the various perspectives of time 2 how to discern biblical doctrine from manmade doctrine 3 how redemption can be achieved and 4 how the functioning of the churches relates to the time of Christ's second coming Moreover it will give practical advice It will show you e g how to display a forgiving spirit where pronouncing forgiveness would be misleading because the offender failed to repent The Light of Discovery John D. Wineland, 2007-01-01 The Light of Discovery is a Festschrift honoring Dr Edwin Yamauchi and it focuses on the Mediterranean world The collection is ambitious in terms of time from ancient Egypt to Late Antiquity and wide ranging in topic from astrology and Gnosticism to the Van Kampen Collection of manuscripts in Orlando Yamauchi is Professor of History at Miami University Oxford Ohio where he has taught since 1969 He received his Ph D from Brandeis University in 1964 working under Cyrus Gordon He teaches in the areas of ancient history biblical archaeology and early church history He has authored and edited seventeen books including Greece and Babylon Persia and the Bible The Archaeology of New Testament Cities in Western Asia Minor Harper's World of the New Testament Gnostic Ethics and Mandaean Origins and Pre Christian Gnosticism A coedited work Peoples of the Old Testament World received a prize from the Biblical Archaeological Society He has recently edited Africa and Africans in Antiquity His writings have been translated into a dozen languages **Evangelism Where You Live** Gene Wilkes, Stephen Pate, 2013-05-09
