Retief's War Keith

Laumer,2016-03-24 The twenty seventh century planet of Quopp is a world where Earthmen walk cautiously or not at all The inhabitants are weirdly diabolical creatures possessing spoked wheel limbs and sprouting steel sharp talons Plans are afoot to place these singular beings under a single government friendly to Earth But Jame Retief officer of the distinguished Corps Diplomatique Teresstienne a supra national organization devoted to keeping the peace has discovered that evil forces are undermining the whole scheme Deviously sincere uncompromisingly venal fearlessly cowardly Retief goes to work against mounting planetary intrigue and more than once brings those around him to the brink of nervous collapse *Retief's*

Ransom Keith Laumer,2016-02-29 Lumbaga is a planet without known virtues but with some decidedly odd natives For every Lumbagan is simply an arbitrary assortment of semi independent organs inspired by a lust for mayhem But even the most undesirable chunk of galactic real estate attracts its quota of rival overlords and the fiendish Groaci had a scheme for absorbing Lumbaga into their sphere of influence It was working well too until it involved Retief Terran diplomat

extraordinary To his powerful intellect the machinations of the Groaci were child s play **The Ultimax Man** Keith

Laumer,2016-02-29 In the next few days you will master the rules and techniques for every activity skill talent sport and art ever mastered by any human being anywhere You will be as expert at clipping flints as at architectural drawing You will be able to juggle walk a tightrope and add the numerals on the sides of passing freight cars as fast as any idiot savant You ll absorb all the information in all the books the human race s entire heritage of knowledge This was only the beginning of the experiment that was to turn a petty thief into the mos brilliant and powerful man ever to hold the earth in thrall This was only the first step on the path of conquest mapped out for THE ULTIMAX MAN *The Galaxy Builder* Keith Laumer,2016-03-24

The world as Lafayette O Leary knew it disappeared in a flash Perhaps it was his own doing after all he had the uncanny gift of creating alternate realities by sheer mental power But the result was a nightmare gone out of control All O Leary wanted was to find his wife and return to the familiar world of Artesia Yet no sooner did he manage to extricate himself from one bizarre situation than he was thrust into another equally threatening There was only one thing to do he had to penetrate the very center of power from which his destiny was being controlled and take it into his own hands **Night of Delusions**

Keith Laumer,2016-03-24 It starts out as a weird but seemingly understandable assignment bodyguarding a mad politician whose keepers have decided to let him escape as a sort of reality therapy But to understand the Senator Florin must enter the Machine an reality will never be the same From now on he s a Knight of Delusions *The House in November* Keith

Laumer,2016-04-28 Invasion At first the U S army what was left of it thought it was battling a communist invasion The truth was much worse It wasn t until Jeff Mallory awoke one morning to find that all his fellow townsfolk had become sleep walking zombies and that a tower had been erected in the center of town a tower that seemed to stretch to the stars that the horrible

truth began to unravel Earth had been invaded not by a race of alien conquerers but by a disease A disease with a brain
