In 2018 an initiative was instigated to revitalize the human rights project by way of engaging the notion of human dignity. This resulted in the Punta Del Este Declaration on Human Dignity for Everyone Everywhere. Punta Del Este Declaration a declaration co authored by over 30 human rights experts from all over the world. The Punta Del Este Declaration simplifies and brings coherence to the concept of human dignity in 10 brief statements that capture the many dimensions and aspects of human dignity and the practical ways that human dignity is useful in the promotion of human rights. This book provides an overview of how the notion of human dignity has been used to strengthen human rights. It discusses how human dignity plays many different roles in human rights discourse and has the force to revitalize the human rights project. It is the foundational principle upon which the human rights project is built. But it is also the telos or end goal of human rights. At the same time it is an important evaluative mechanism for assessing how well a country is doing in the implementation of human rights. The book will be a valuable resource for all those working in the areas of International Human Rights Law Legal Philosophy and Law and Religion. **Human dignity and fundamental rights in South Africa and Ireland** Anne Hughes, 2014-04-11 Post apartheid South Africa has yielded enlightened judicial decisions in contrast to the limited interpretation of human rights in Ireland.
