Martyrdom of the Franciscans Christopher MacEvitt, 2020-03-06 A study of three hundred years of medieval Franciscan history that focuses on martyrdom While hagiographies tell of Christian martyrs who have died in an astonishing number of ways and places slain by members of many different groups martyrdom in a Franciscan context generally meant death at Muslim hands indeed in Franciscan discourse death by Saracen came to rival or even surpass other definitions of what made a martyr The centrality of Islam to Franciscan conceptions of martyrdom becomes even more apparent and problematic when we realize that many of the martyr narratives were largely invented Franciscan authors were free to choose the antagonist they wanted Christopher MacEvitt observes and they almost always chose Muslims However martyrdom in Franciscan accounts rarely leads to conversion of the infidel nor is it accompanied as is so often the case in earlier hagiographical accounts by any miraculous manifestation If the importance of preaching to infidels was written into the official Franciscan Rule of Order the Order did not demonstrate much interest in conversion and the primary efforts of friars in Muslim lands were devoted to preaching not to the native populations but to the Latin Christians mercenaries merchants and captives living there Franciscan attitudes toward conversion and martyrdom changed dramatically in the beginning of the fourteenth century however when accounts of the martyrdom of four Franciscans said to have died while preaching in India were written The speed with which the accounts of their martyrdom spread had less to do with the world beyond Christendom than with ecclesiastical affairs within MacEvitt contends The Martyrdom of the Franciscans shows how for Franciscans martyrdom accounts could at once offer veiled critique of papal policies toward the Order a substitute for the rigorous pursuit of poverty and a symbolic way to overcome Islam by denying Muslims the solace of conversion *Jewish Translation History* Robert Singerman, 2002-11-29 A classified bibliographic resource for tracing the history of Jewish translation activity from the Middle Ages to the present day providing the researcher with over a thousand entries devoted solely to the Jewish role in the east to west transmission of Greek and Arab learning and science into Latin or Hebrew Other major sections extend the coverage to modern times taking special note of the absorption of European literature into the Jewish cultural

orbit via Hebrew Yiddish or Judezmo translations for instance or the translation and reception of Jewish literature written in Jewish languages into other languages such as Arabic English French German or Russian This polyglot bibliography the first of its kind contains over 2 600 entries is enhanced by a vast number of additional bibliographic notes leading to reviews and related resources and is accompanied by both an author and a subject index **Hrafnkel or the Ambiguities** William Ian Miller, 2016-12-22 William Ian Miller presents a close reading of one of the best known of the Icelandic sagas showing its moral political and psychological sophistication Hrafnkel tells of a fairly simple feud in which a man rises falls and rises again with a vengeance so to speak The saga deals with complex issues with finely layered irony who can one justifiably hit when and by what means It does this with cool nuance also taking on matters of torture and pain infliction as a means of generating fellow feeling How does one measure pain and humiliation so as to get even to get back to equal People are forced to set prices on things we tell ourselves soporifically are priceless such as esteem dignity life itself Morality no less than legal remedy involves price setting This book flies in the face of all the previous critical literature which with very few exceptions imposes simplistic readings on the saga A translation of the saga is provided as an appendix Single-stanza Lyrics Walther, 2003 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company
