Rise Of Benedict XVI Lp:

The Rise of Benedict XVI John L. Allen, Jr., 2006-10-17 Commendable and balanced With crisp writing and an amazing attention to detail Allen brings readers inside the papal jockeying covering the days of mourning and the conclave The Los Angeles Times A welcome contribution to understanding the new pontificate The Rise of Benedict XVI is a useful chronicle that packs a lot into relatively few pages Richard John Neuhaus First Things For a current look at the new papacy Allen is the person to read He is fair free from the oracular pomposity of some American commentators and as always highly readable Commonweal The Rise of Benedict XVI covers the subject thoroughly and thoughtfully In smooth readable prose devoid of polemics he outlines competing expectations and explains the strengths and weaknesses of each San Antonio Express News A worthwhile contribution to understanding why Rome has its first German pope in 800 years The Washington Post On April 18 2005 the College of Cardinals of the Roman Catholic Church gathered to elect a successor to Pope John Paul II Faced with several potential candidates the cardinals made a bold choice entrusting the Keys of the Kingdom to 78 year old Cardinal Joseph Ratzinger of Germany a man whose views on the challenges facing the Church and the broader culture could not be more unambiguous or controversial Questions arose as the world watched while Ratzinger was installed as Pope Benedict XVI No one can tell the story of exactly what took place during the closed doors meeting known as the conclave when Cardinals from around the world cast their votes for the next pope better than John L Allen Jr As a correspondent for National Catholic Reporter and a Vatican analyst for CNN and National Public Radio Allen has spent years covering Vatican politics and personalities and his unique access to Roman halls of power has enabled him to write the ultimate behind the scenes account of the election of Pope Benedict XVI

The Rise of Benedict XVI John L. Allen, 2005-06-13 On 19 April 2005 at 5 50pm white smoke poured from the Vatican chimney Joseph Ratzinger had become one of the most important figures on earth How and why was Pope Benedict XVI elected And what will his impact be on the Catholic faith and the world Vatican correspondent John L Allen draws on his unparalleled knowledge to give the full inside story of the Church's new leadership In this in depth account he examines the transition from John Paul II to Benedict XVI the legacy of the previous Pope and the role of the current leader He takes us right into the heart of the selection process interviewing the cardinals who chose Benedict XVI to reveal their thoughts on the new Pope and the reasons why he was picked And he looks at why this conclave was one of the briefest of modern times Confronting many difficult questions Allen asks what the choice of a renowned hard line traditionalist will mean for 1 1 billion Catholics around the globe What do the way Ratzinger rose to power his history and theological views say about how the faith will now move forward Why did the Vatican choose such a seemingly safe candidate And what will the consequences be for Catholicism and the challenges it faces today Thomas Aquinas Prudlo, Donald S., 2020 Reintroduces this significant thinker in his context as a man as a mendicant as a mystic as a saint
