Rise Of The Spanish American Republics As Told In The Lives Of Their Liberators:

Rise of the Spanish-American Republics as Told in the Lives of Their Liberators William Spence Robertson, 1918

Rise of the Spanish-American Republics as Told in the Lives of Their Liberators William Spence Robertson, 1930 **Rise**

of the Spanish-American Republics as Told in the Lives of Their Liberators (Classic Reprint) William Spence Robertson, 2015-07-10 Excerpt from Rise of the Spanish American Republics as Told in the Lives of Their Liberators Years ago while an undergraduate at the University of Wisconsin I was seized with a desire to study the history and politics of Hispanic America the vast region inhabited by the wayward children of Spain and Portugal The first fruit of this desire was an essay upon that knight errant of Venezuela Francisco de Miranda who championed the independence of the Spanish colonies from the motherland My study of Miranda s romantic career naturally aroused within me an interest in the lives of his South American compatriots Bolivar and San Martin One day while browsing in the library of Yale University I stumbled across some musty and forgotten manuscripts pertaining to Agustin de Iturbide that incident stimulated my interest in the movement which separated New Spain from Old Spain From time to time other influences have aided me to form the mold of the present volume which in a series of lives tells the story of the movements that separated most of the Spanish colonies in America the Spanish American colonies as I have uniformly designated them from the motherland For criticisms concerning these biographies I am indebted to Professor W F Dodd now of the University of Chicago and Professor E B Greene of the University of Illinois both of whom read the entire manuscript The collecting of source material for these biographical studies has been attended by no small difficulty Although in recent years a number of libraries in the United States have been purchasing books upon Hispanic American history yet in few if any cases have complete collections been made of the learned publications books and pamphlets concerning any special epoch of Spanish American history In the preparation of this volume it has consequently been necessary for me to use many libraries For courtesies extended to me I am especially indebted to the University of Illinois Library the British Museum the National Library of Spain and the National Libraries of Mexico Venezuela Colombia Chile Paraguay and Argentina as well as the Mitre Museum at Buenos Aires In various ways my labors have been aided by scholars in America and Europe About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *RISE OF THE SPANISH-AMER REPUB* William Spence 1872-1955 Robertson, 2016-08-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the

original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *RISE OF THE SPANISH-AMER REPUB* William Spence 1872 Robertson,2016-08-29

Rise of the Spanish American Republics As Told in the Lives of Their Liberators William S. Robertson,1976-09-01 **A History of Latin America to 1825** ,2009-12-21 The updated and enhanced third edition of A History of Latin America to 1825 presents a comprehensive narrative survey of Latin American history from the region's first human presence until the majority of Iberian colonies in America emerged as sovereign states c 1825 This edition features new content on the history of women gender Africans in the Iberian colonies and pre Columbian peoples Includes more illustrations to aid learning over 50 figures and photographs several accompanied by short essays Concentrates on the colonial period and earlier expanding coverage of the period and incorporating more social and cultural history with the political narrative Part of The Blackwell History of the World Series The goal of this ambitious series is to provide an accessible source of knowledge about the entire human past for every curious person in every part of the world It will comprise some two dozen volumes of which some provide synoptic views of the history of particular regions while others consider the world as a whole during a particular period of time The volumes are narrative in form giving balanced attention to social and cultural history in the broadest sense as well as to institutional development and political change Each provides a systematic account of a very large subject but they are also both imaginative and interpretative The Series is intended to be accessible to the widest possible readership and the accessibility of its volumes is matched by the style of presentation and production **Rise of the Spanish-American Republics As Told in the Lives of Their Liberators** HardPress,Robertson William Spence 1872-1955,2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **The United States Catalog** ,1921 **American Constitutionalism Heard Round the World, 1776-1989** George Athan Billias,2009-08 George Athan Billias traces the spread of American constitutionalism from the time of the American Revolution to the conclusion of the Cold War
