Risen From The Dead:

"Remember Jesus Christ Risen from the Dead." Iva June Smith Watkins,1944 **The Resurrection of the Dead** Hiram Mattison,1866 The Written Dead Kyle William Bishop,Angela Tenga,2017-06-29 From Victor Halperin s White Zombie 1932 to George A Romero s landmark Night of the Living Dead 1968 and AMC s hugely successful The Walking Dead 2010 zombie mythology has become an integral part of popular culture In a reversal of the typical pattern of adaptation the zombie developed onscreen before appearing in short stories and comic books during the 20th century and more recently as subjects of more traditional novels This collection of new essays examines some of the most influential and inventive zombie literature from the early stories to the most recent narratives including some told from a zombie perspective *Words of Warning (Annotated, Updated Edition)* Charles H. Spurgeon,2018-04-02 He that believes in the Son has eternal life and he that does not obey the Son shall not see life but the wrath of God abides on him John 3 36 This book Words of Warning is an analysis of people and the gospel of Christ Under inspiration of the Holy Spirit Charles H Spurgeon sheds light on the many ways people may refuse to come to Christ but he also shines a brilliant light on how we can be saved Unserved or wavering individuals will be convicted and if they allow it they will be led to Christ Sincere Christians will be happy and blessed as they consider the great salvation with which they have been saved Whether or not we look to Jesus Christ for salvation is the single most important determination we must make during our lifetime Countless books have been written addressing just about every imaginable self help topic Other books are written solely for entertainment Some of these books are okay in their own right but what good are they to the reader if he is lost in the end Why do we spend so much time even with good things but neglect the great Not one thing we can do during our seventy or eighty years on earth amounts to anything if we are not in Christ What we do for Christ is everlasting and by claiming our salvation in Him we have an exceedingly bright future Eusebia ,1892 The Last Midnight Leisa A. Clark,Amanda Firestone,Mary F. Pharr,2016-10-12 Do you find yourself contemplating the imminent end of the world Do you wonder how society might reorganize itself to cope with global cataclysm Have you begun hoarding canned goods and ammunition Visions of an apocalypse began to dominate mass media well before the year 2000 Yet narratives since then present decidedly different spins on cultural anxieties about terrorism disease environmental collapse worldwide conflict and millennial technologies Many of these concerns have been made metaphorical zombie hordes embody fear of out of control appetites and encroaching disorder Other fears like the prospect of human technology s turning on its creators seem more reality based This collection of new essays explores apocalyptic themes in a variety of post millennial media including film television video games webisodes and smartphone apps Is Christ Risen from the Dead? Elias Root Beadle,1874 **An Amazing God** Kent Mayeux,2013-12-07 An Amazing God is not just another conversion story about how a sinner made a 180 degree turn on the wrong path travelled through life In fact very little personal information is exposed Rather this book is a compilation of the revealed knowledge of God learned through three years of active study of

the Bible and numerous documents written since its composition This book is a tool for a new evangelization This book uses the book of Genesis as a general outline A heavy emphasis on historical facts figures and dates are used to confirm that God as Jesus walked this earth Theological differences of the major religions are compared and contrasted especially Catholicism and the Protestant Reformists The book s main theme demonstrates the sole purpose of one s life as a reunion of our soul with that of our creator at our earthly death It explains the progression of the revealed truth to man both individually and as a society and how creation has progressed from redemption to salvation to sanctification The book addresses all areas of one s life social political and spiritual This book has an apologist s flare with the ultimate goal of re evangelizing those that have experienced God but have turned away from their religion The book steps on the toes of those superficial professing Jews Christians and Muslims and may present the realization that most are doomed to a painful and punishing eternity How about you can you tell me right now without a doubt where your soul will reside for all of eternity when you die Do you believe in resurrection This book is unique in that it reveals how one achieves salvation and sanctification It explains the transformational process by which one discards all vices and begins to live by the virtues through the power of the Holy Spirit An Amazing God should be considered a crucial self help book With God in the forefront of your consciousness you can begin your progression to perfection The book will challenge those who profess a belief in God yet continue to live a life contrary to a serious faith life The book is designed to demonstrate to atheists and believers alike that there is one universal church established by Christ More information can be found at <http://www.newevangelization.net> *Christian Work* ,1898
