Rites Of Passage Odyssey Of A Grunt:

Rites of Passage Robert Peterson, 2001 A raw powerful account of an infantryman's life during wartime complete with all the horrors and the heroism Robert Peterson arrived in Vietnam in the fall of 1966 a young American ready to serve his country and seize his destiny What happened in that jungle war would change his life forever Peterson vividly relives the tense patrols in the Viet Cong infested Central Highlands the fierce firefights along the Cambodian border the ambushes and enemy charges Daily he and his fellow grunts put their lives on the line forced to blindly follow orders from higher ups solely interested in reaping their own personal glory Yet out of the deadly hell of Vietnam came a brotherhood forged in blood and courage sacrifice and survival of men who continuously risked their lives for one another whatever the odds Rites of Passage is a shining testament to their valor

Grunts Kyle Longley, 2015-01-28 This book provides a fresh approach to understanding the American combat soldier's experience in Vietnam It integrates such topics as the political culture the experiences of training the actual Vietnam experience and the homecoming and offers a remarkable overview of the 870 000 grunts who bore the brunt of the fighting in the jungles and highlands of South Vietnam and eventually Cambodia and Laos The book addresses many of the stereotypes of the Vietnam combat veteran that have been perpetrated in popular culture and also considers how Vietnam veterans have been commemorated through memorials and other means and how the veterans remember each other The coverage also includes women who served in or near the front lines as well as on the home front The author draws on memoirs and oral histories including his personal interviews with veterans but the book conveys a picture of the Vietnam combat soldier's experience far more powerful than what individual memoirs can provide

When Johnny Comes Marching Home Again Gregory G. Sarno, 2005-01-07 When Johnny Comes Marching Home Again tells the stories of three soldiers in three wars Three soldiers Each someone's Johnny Father son Brother cousin Husband lover Just plain buddy Three conflicts The Civil War pitting North against South Yank against Johnny Reb brother against brother The Vietnam War North South strife with Orwellian overtones The War on Terror Afghanistan theater Three stories in screenplay format Owl Creek Bridge based on the Civil War stories of Ambrose Bierce Sleeping With Charlie adapted from the author's novel Solomon's Bluff Dawn's Early Light inspired by a Leo Tolstoy story and a cinematic rendition by Sergei Bodrov Senior

The Morenci Marines Kyle Longley, 2015-06-15 In 1966 nine young men left the Arizona desert mining camp of Morenci to serve their country in the far flung jungles of Vietnam in danger zones from Hue to Khe Sanh Ultimately only three survived Each battled survivor's guilt difficult re entries into civilian life and traumas from personally experiencing war and losing close friends along the way Such stories recurred throughout America but the Morenci Marines stood out ABC News and Time magazine recounted their moving tale during the war and in 2007 the Arizona Republic selected the Morenci Nine as the most important veterans story in state history Returning to the soldiers Morenci roots Kyle Longley's account presents their story as unique by setting and circumstance yet typical of the sacrifices borne by small towns all

across America His narrative spotlights a generation of young people who joined the military during the tumultuous 1960s and informs a later generation of the hard choices made many with long term consequences The story of the Morenci Marines also reflects that of their hometown a company town dominated by the Phelps Dodge Mining Corporation where the company controlled lives and the labor strife was legendary The town s patriotic citizens saw Vietnam as a just cause moving Clive Garcia s mother to say He died for this cause of freedom Yet while their sons fought and sent home their paychecks Phelps Dodge sought to destroy the union that kept families afloat pushing the government to end a strike that it said undermined the war effort Morenci was also a place where cultures intermingled and the nine friends included three Mexican Americans and one Native American Longley reveals how their backgrounds affected their decisions to join and also helped the survivors cope with Mike Cranford racing his Harley on back roads at high speeds while Joe Sorrelman tried to deal with demons of war through Navajo rituals Drawing on personal interviews and correspondence that sheds new light on the Morenci Nine Longley has written a book as much about loss grief and guilt as about the battlefield It makes compelling reading for anyone who lived in that era and for anyone still seeing family members go off to fight in controversial wars

Historical Dictionary of the War in Vietnam Ronald B. Frankum Jr., 2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible Historical Dictionary of the War in Vietnam emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War

Enduring Vietnam James Wright, 2024-07-02 This powerful and heartbreaking history of the Vietnam War looks not only at the conflict but the generation caught up in its horrors and consequences Booklist The Vietnam War is largely recalled as a mistake either in the decision to engage there or in the nature of the engagement Or both Veterans of the war remain largely anonymous figures accomplices in the mistake Critically recounting the steps that led to the war this book does not excuse the mistakes but it brings those who served out of the shadows Enduring Vietnam recounts the experiences of the young Americans who fought in Vietnam and of families who grieved those who did not return The book describes the baby boomers

growing up in the 1950s why they went into the military what they thought of the war what it was like to serve in Nam and to come home With a rich narrative of the Battle for Hamburger Hill and through substantial interviews with those who served the book depicts the cruelty of this war and its quiet acts of courage James Wright s *Enduring Vietnam* provides an important dimension to the profile of an American generation and a rich account of an American War Guns Up! Johnnie Clark,2011-02-02 THIS GUT WRENCHING FIRSTHAND ACCOUNT OF THE WAR IS A CLASSIC IN THE ANNALS OF VIETNAM LITERATURE *Guns up* was the battle cry that sent machine gunners racing forward with their M60s to mow down the enemy hoping that this wasn t the day they would meet their deaths Marine Johnnie Clark heard that the life expectancy of a machine gunner in Vietnam was seven to ten seconds after a firefight began Johnnie was only eighteen when he got there at the height of the bloody Tet Offensive at Hue and he quickly realized the grim statistic held a chilling truth The Marines who fought and bled and died were ordinary men many still teenagers but the selfless bravery they showed day after day in a nightmarish jungle war made them true heroes This new edition of *Guns Up* filled with photographs and updated information about those harrowing battles also contains the real names of these extraordinary warriors and details of their lives after the war The book s continuing success is a tribute to the raw courage and sacrifice of the United States Marines *The Bugle* ,2004 **The Publishers Weekly** ,2002 Pathfinder Richard R.
