Robin Hood And The Great Train Robbery:

Robin Hood - The New Evidence Geoff Wilson,2019-04-30 The story of Robin Hood is very well known Writers and historians have been reading and rewriting it analysing and altering it since Ritson published his version in 1795 more than 200 years ago The story has been published in many forms including books films TV and radio programs articles held in the World Wide Web and probably many others As far as can be ascertained they all have two things in common they all contain many errors and they all fail to explain a number of mysteries In his book Geoff Wilson has corrected many of the errors and has explained many of the mysteries This he has done by accessing many surprising sources of evidence including for example the British Geological Survey aerial photography and by following on foot several of Robin Hood s journeys described in the ballads Practical tests were also carried out The author s sons both quite young at the time were encouraged to shout at the top of their voices in one particular location to test if sounds do in fact echo in the valleys They do Among the mysteries solved are the identities of Sir Richard at the Lee and the location of Velrysdale and the Village of Lee The fayre castell described in the Gest is also identified as is the chapel in Barnsdale dedicated to Mary Magdalene and described in stanza 440 of the Gest One mystery which remains unresolved however is the identity of Robin himself Perhaps he is after all just a yeoman named Robin Hood although the claims of an alternative candidate are seriously considered **They**

1968: Those Were the Days Brian Williams,2017-10-20 1968 was the year when humans first glimpsed the far side of the Moon but also the year the world was shocked by assassination by the crushing of hope for reform and by wars that showed no sign of ever ending To the old there seemed too much change too quickly with youth in revolt though against what no one was entirely sure Hey Jude sang the Beatles with a refrain that

Young Thoughts of a Man John Clegg, 2025-01-16 The book opens with early 1950 s life as viewed through the eyes of a child up until the age of seven when out flow the memories of growing up in Ludlow South Shropshire in the late 1950 s early 1960 s capturing a mode of existence now lost in the mists of time In the two main streets featured only one house had a phone prior to the late 50 s only one had a TV set laundry was done in sink or boiler before being wrung through a mangle most family vegetables were grown in the back garden there was no central heating the only take away was the downtown chip shop over half a mile away the nearest thing to an off licence was a service hatch at the local there were two main grocery stores but no supermarkets no domestic refrigerators plastic in the shape of buckets bowls and bags had yet to make an impact most mothers wore corsets and most men didn t use deodorant The small market town of approximately 6 000 souls boasted twenty eight pubs but Chinese and Indian restaurants were as yet unheard of There were two cinemas seven butchers four bakeries and two newsagents but no hint of titillation along the top shelves for shudder the thought even the sexual mysteries of life were rarely explained Compared to today things were certainly Spartan but underlying all was a sense of immense fun as the locals forged a fresh start emerging victorious from the Second World War The food had far more flavour beer was the equivalent of less than half the price of a pint today the Sunday joint was succulent and would last well into the following week there was no real need to lock house doors children invented their own games roaming far and wide without their parents fretting the family doctor would visit for something serious but for the usual round of colds flu mumps measles or chicken pox mothers took care of things Play clothes were often hand me downs courtesy of family and friends and if a neighbour needed help it was soon forthcoming Very few owned cars making the family bike essential and with money being tight holidays were often taken by staying with relatives Amongst all this was a small gang of lads playing out the parts of their sporting and movie heroes inventing games of dare exploring as far as their legs would take them building camps in trees and hedgerows and often puzzling over the mysteries of a sexual nature Much of the humour is contained in the fact they considered themselves far more grown up and in control than they actually were leading to many glorious failures This book is a tribute to those I shared those escapades with for we literally
