Romanov Conspiracies:

Sherlock Holmes and the Romanov Conspiracies Phil Growick, 2017-11-30 For the first time a very special edition combining two of the most intricately intertwined Sherlock Holmes adventures In *The Secret Journal of Dr Watson* it s the height of the Russian Revolution Holmes and Watson are sent by the British PM David Lloyd George deep into the nascent Soviet Union to rescue the Imperial Romanovs before they re assassinated by the Bolsheviks But with Lenin the Cheka MI 6 and The Black Faction at their throats who can rescue Holmes and Watson And if they succeed what will ultimately happen to them all Can we believe that Holmes meets his death And with a stunning surprise ending how many questions will be left unanswered In *The Revenge of Sherlock Holmes* those questions are answered But how does Prohibition in America the birth of organized crime there with murderers like Lucky Luciano and Bugsy Siegel impact Watson the Romanovs and the man who claims to be Holmes And once again all these tension filled events keep racing towards another incredible surprise ending

The Romanov Conspiracy Glenn Meade, 2013-06-11 Since July 1918 no one has been able to solve the mysterious disappearance of Princess Anastasia until Dr Laura Pavlov uncovers some haunting clues in this thriller by the acclaimed bestselling author of *The Second Messiah* Dr Laura Pavlov an American forensic archaeologist is about to unravel a mystery that promises to shed light on one of the twentieth century s greatest enigmas Digging on the outskirts of the present day Russian city of Ekaterin burg where the Romanov royal family was executed in July 1918 Pavlov discovers a body perfectly preserved in the permafrost of a disused mine shaft The remains offer dramatic new clues to the disappearance of the Romanovs and in particular their famous daughter Princess Anastasia whose murder has always been in question Pavlov s discovery sets her on an unlikely journey to Ireland where a carefully hidden account of a years old covert mis sion is about to change the accepted course of world history and hurl her back into the past into a maelstrom of deceit secrets and lies Drawn from historical fact *The Romanov Conspiracy* is a page turning story of love and friendship tested by war and a desperate battle between revenge and redemption set against one of the most bloody and brutal revolutions in world history

The Race to Save the Romanovs Helen Rappaport, 2018-06-26 In this international bestseller investigating the murder of the Russian Imperial Family Helen Rappaport embarks on a quest to uncover the various plots and plans to save them why they failed and who was responsible The murder of the Romanov family in July 1918 horrified the world and its aftershocks still reverberate today In Putin s autocratic Russia the Revolution itself is considered a crime and its anniversary was largely ignored In stark contrast the centenary of the massacre of the Imperial Family was commemorated in 2018 by a huge ceremony attended by the Patriarch of the Russian Orthodox Church While the murders themselves have received major attention what has never been investigated in detail are the various plots and plans behind the scenes to save the family on the part of their royal relatives other governments and Russian monarchists loyal to the Tsar Rappaport refutes the claim that the fault lies entirely with King George V as has been the traditional view for the last century The responsibility for

failing the Romanovs must be equally shared The question of asylum for the Tsar and his family was an extremely complicated issue that presented enormous political logistical and geographical challenges at a time when Europe was still at war Like a modern day detective Helen Rappaport draws on new and never before seen sources from archives in the US Russia Spain and the UK creating a powerful account of near misses and close calls with a heartbreaking conclusion With its up to the minute research *The Race to Save the Romanovs* is sure to replace outdated classics as the final word on the fate of the Romanovs *The Romanov Conspiracies* Michael Occleshaw,1993 *The Romanovs: The Final Chapter* Robert K. Rappaport,2009-02-03 The brutal murder of the Russian Imperial family was both a human tragedy and a turning point in world history This work gives a riveting moment by moment account of the last 13 days of their lives b w photo insert *The Romanovs* Simon Sebag Montefiore,2016-05-03 NEW YORK TIMES BESTSELLER From the national bestselling author of *Stalin* An epic history on the grandest scale Financial Times about the most successful dynasty of modern times a family who created the world's greatest empire and then lost it all An essential addition to the library of anyone interested in Russian history The New York Times Book Review The Romanovs ruled a sixth of the world's surface for three centuries How did one family turn a war ruined principality into the world's greatest empire And how did they lose it all This is the intimate story of twenty tsars and tsarinas some touched by genius some by madness but all inspired by holy autocracy and imperial ambition Simon Sebag Montefiore's gripping chronicle reveals their secret world of unlimited power and ruthless empire building overshadowed by palace conspiracy family rivalries sexual decadence and wild extravagance Drawing on new archival research Montefiore delivers an enthralling epic of triumph and tragedy love and murder that is both a universal study of power and a portrait of empire that helps define Russia today **The Flight Of The Romanovs** John Curtis Perry,Constantine V Pleshakov,2008-08-05 A saga of love and lust personal tensions and rivalries antagonisms and hatreds The Flight of the Romanovs describes the last century of the Russian imperial dynasty the Romanovs from the youth of the future tsar Alexander III in the 1860s until the death in 1960 of his daughter Olga Alexandrovna the last grand duchess John Curtis Perry and Constantine V Pleshakov use a wealth of previously untapped sources including unpublished diaries of many of the principal characters interviews with people who knew them well and never before published photographs to create a history of a family and a time Along the way we learn of the relationships between Alexander III and his children the conspiracy against Rasputin Duke Dimitrie's affair with Coco Chanel the hostile behavior of the House of Windsor toward the Romanovs and the war between the Romanovs and the secret police Concluding with a discussion of the imperial restoration movement in Russia today The Flight of the Romanovs is a must read for anyone interested in the Romanov family Russian history and the history of European royalty
