Predestination Greg Kame, 2021-03-11 The doctrine of predestination is an important starting point for the study of Christian theology thought from a Reformed theological perspective This doctrine is essential because it is one of the central themes from the Bible that has been the reason for many debates among many theologians in the history of the church Despite the different views held by mainline Protestant theologians like Martin Luther John Calvin and Jacobus Arminius this book points to Scripture as the basis for Reformed soteriology It uses the tools of biblical interpretation to show how the entire Bible addresses the doctrine of predestination so that theology students pastors Bible teachers and anyone interested in Christian theology will better understand predestination from a Reformed perspective toward an effective ministry today

Paul's Spirituality in Galatians P. Adam McClendon, 2015-03-25 Spirituality is a hot topic in today's culture Spirituality is essentially how one's beliefs and experiences influence the way one lives their life Such influences for living are of critical importance to one's faith within the Christian community What role does the Bible play in developing an expressed spirituality among the Christian community How do one's religious traditions cultural influences and personal preferences influence the way Christian spirituality is perceived and expressed All too often and at times unintentionally the foundational truths of the Bible are subordinated to tradition culture and personal preference This book provides a context for understanding Paul's foundational components for Christian spirituality within the book of Galatians while showing how an accurate understanding of these components can and should serve as a corrective lens to various aspects of Christian spirituality as expressed and experienced today

Book 3 Authority PB Kurt Jurgensmeier, 2012-08-22 Is Scripture really our ultimate authority Authority is what dictates what we will believe and do Accordingly J I Packer rightfully remarks The problem of authority is the most fundamental problem that the Christian Church ever faces Most Christians solve the issue by simply saying The Bible is my final authority But such a view forgets that there is a human being between us and the Bible which is why there are a multitude of interpretations of the Bible that people live by Reformed theologians claim that a testimony of the Spirit confirms to us what is true But there is no biblical or practical support for this Accordingly we are back to our God given reason and the right and responsibility of private judgment as our ultimate subjective authority by which we live by Postmoderns are right then to assert that our own reason

is the god we live by But they are wrong to ignore that our ultimate objective authority is God Who our reasoning will be judged by

A World of Inequalities Lucinda Mosher,2021-02-16 In this volume leading Christian and Muslim scholars respond to the global crisis of inequality by demanding and modeling interreligious dialogue Essays explore the roots of these realities how they are treated in Christian and Muslim traditions and texts and how the two faiths can work together to address inequality

Apostle Paul Robert Orlando,2015-02-26 The Apostle Paul s dramatic and much discussed conversion on the road to Damascus radically changed the course of his life as well as the Christian religion Can a new narrative and a new perspective be brought to this twothousand year old storyand centuries of critical thought and study The writer and filmmaker Robert Orlando believes it can Apostle Paul A Polite Bribe is a dramatic and challenging book inspired by his controversial film of the same name This ground breaking look at Paul s life draws on extensive research into Paul s letters and the book of Acts to reveal his human attitudes and insecurities Orlando constructs a fresh take on Paul s life especiallyhis collection for the Jerusalem church and proposes thatPaul as one of Christianity s most celebrated converts may have needed more than faith and fervour to convince the other apostles to accept his vision of ministry Apostle Paul A Polite Bribe illustrates how a vision of promise eventually leadsto a hopeless prison cell and ultimately a new religion challenging the traditional perspective and inspiring new thought about one of the best known founders of the Christian religion

The Interaction Between Law and Love in the Pauline Writings Pandelani Paul,2015-07-16 There are five chapters of this book The first chapter is the overview of the whole book and how the research was going to be conducted It also gives the summary of law and love in the books of Paul The interaction between law and love in Pauline writing has been an interesting topic where we have discovered that the law of God cannot be separated from his agape love which has followed mankind from creation and eventually leads him to eternity We discovered that the law of God reveals Gods character and that is his love The law of God and his love are one and cannot be separated from each other God gives the law to prove to man that he loves him deeply and eternally The death of Jesus on the cross was the final crown of the proof of how much we mean to God and the length He can go to redeem us He gave his all for our redemption The plan of salvation is the perfect revelation of law and love in Pauline writings Chapter 1 and 2 looks at law and love and the theology and ethics of law and love The plan of salvation is laid bare and how the Jews missed the mark of spreading the Word to the whole world by holding to God as a Jewish God alone In chapter 3 we discover the difference between the ceremonial law and the Decalogue The ceremonial laws were pointing toward the coming of Jesus and so with his arrival they came to an end because they were pointing to his coming The Decalogue was there and it will continue till the end of time when Jesus will come the second time Chapter 4 is all about love and what it means to God and how he could not compromise his Decalogue and the meaning of redemption Chapter 5 is the blending of law and love in Pauline writings Keeping the law is not a problem when you love God and you know that God loves you its not difficult to keep the Decalogue because your love supercedes the law When you love someone

its easy to follow or keep the law Gods Decalogue is a mirror and love is the crown of our redemption For God so loved the world that he gave His only begotten son to die for man because His law could not be changed Love will lift us up such that doing and keeping Gods law will not be a burden but a pleasure because through Christs death we realize how important we are to God Judas Iscariot Richard Harvey,2018-07-23 The name Judas Iscariot usually provokes a negative response as the disciple who betrayed his Lord to death It is difficult to think of another person dead for so long who is so closely associated with betrayal In recent times some commentators have urged a rethink on Judas arguing that he has been unfairly treated This book will show that the traditional picture of Judas as a traitor best fits the biblical evidence It also establishes two other points Firstly although Judas was a human being he had the literary features of an idol Secondly the earliest gospel Mark clearly establishes his guilt and Matthew and Luke show how uniquely guilty Judas was *Paul's Use of the Old Testament in Romans 9:19-24* Brian J. Abasciano,2022-07-14 Brian Abasciano continues his project examining the use of the Old Testament in Romans 9 building upon his previous two volumes and their intertextual methodology This method incorporates into a thorough traditional exegesis a comprehensive analysis of Paul s use of Scripture against the background of interpretive traditions surrounding the texts alluded to with great emphasis placed on analyzing the original contexts of Paul s citations and allusions Such an intertextual exegesis is conducted in Romans 9 19 24 with an awareness of the broader unit of chapters 9 11 especially and also the epistle as a whole Conclusions for the meaning of these passages and their theological significance are drawn **Hesed and the New Testament** Karen Nelson,2023-05-24 In the Hebrew Bible esed steadfast love loyalty devotion denotes an important concept that is relevant to interpersonal relationships in every generation In this book Karen Nelson investigates New Testament engagement with that concept and the exegetical value of recognizing such engagement This investigation employs an original hybrid of two methodological approaches intertextuality used to consider how New Testament authors appropriate texts that evoke esed or s d and categorization used to analyze and compare instances of the categories sd and syd within the Hebrew Bible and the New Testament Nelson s work challenges assertions that the New Testament equivalent of esed is agap love or charis grace Rather she contends that esed and s d are more likely to be evoked by the terms with which they are most often rendered in the Septuagint eleos and hosios respectively Nelson rereads selected New Testament pericopes in light of esed highlighting points about ongoing devotion to kinship and covenantal relationships often overlooked in those contexts and showing how New Testament authors and figures utilize the esed tradition to critique the contemporary socioreligious situation and encourage belief enduring commitment and appropriately changed lifestyles Addressing a topic that spans the Hebrew Bible and the New Testament this study will be of value to biblical scholars especially those who are interested in semantics
