The Obedience of Faith Paul S. Minear, 2003-05-01 Minear puts forward the significance of using the information uncovered from the last three chapters of Romans 14-16 to reconstruct the picture of the situation in Rome and to interpret the letter as a whole accordingly He challenges the assumption held by many commentators that there was a single Christian congregation in Rome where different groups of Christians worshipped side by side Minear proposes that Paul is trying to unite the strong and the weak communities in Rome Paul does this by employing twelve axioms in efforts at reconciliation in 14:1-15:13 According to Minear it is the purpose of the rest of Romans to explain support and defend these axioms
