Rosa The Life Of An Italian Immigrant Wisconsin Studies In Autobiography:

Rosa Marie Hall Ets, 1999 Rosa was born in a silk making village in Lombardy a major source of north Italian emigration She first set foot in the United States at the Castle Garden immigrant depot on the tip of Manhattan Her life in this country was hard and Ets chronicles it in eloquent detail Rosa endures a marriage at sixteen to an abusive older man an unwilling migration to a Missouri mining town the unassisted birth of a child and manages to escape from a husband who tried to force her into prostitution

Multiethnic Literature and Canon Debates Mary Jo Bona, Irma Maini, 2012-02-16 This groundbreaking collection reinvigorates the debate over the inclusion of multiethnic literature in the American literary canon While multiethnic literature has earned a place in the curriculum on many large campuses it is still a controversial topic at many others as recent campus and corporate revivals of The Great Books attest Many still perceive multiethnic literature as being governed by ideological and political issues perpetuating a false distinction between highbrow literary texts and multiethnic works Through historical overviews and textual analyses the contributors not only argue for the aesthetic validity of multiethnic literature but also examine the innovative ways in which multiethnic literature is taught and critiqued The following questions are also addressed Who and what determines literary value What role do scholars students the reading public book awards and or publishers play in affirming literary value Taken together these essays underscore the necessity for maintaining vibrant conversations about the place of multiethnic literature both inside and outside the academy The Dream Book Helen Barolini, 2000-12-01 Drawing on rare sources and archival material Helen Barolini has here collected 56 works by Italian American women writers The volume features prose poetry one play and a large section of fiction

Anthropology and Migration Caroline B. Brettell, 2003-09-08 Brettell's new book provides new insight into the processes of migration and transnationalism from an anthropological perspective It has been estimated at the turn of the millennium that 160 million people are living outside of their country of birth or citizenship The author analyzes macro and micro approaches to migration theory utilizing her extensive fieldwork in Portugal as well as research in Germany Brazil France the United States and Canada Key issues she discusses include the value of immigrant incorporation vs assimilation models the impacts on individual household and community as well as institutions and states the role of ethnicity and ethnic groups the effects of clandestine or illegal immigration the differing commitments to host vs sending communities the shift from city enclaves to suburban areas the constraints and opportunities that lead to ethnic entrepreneurship the role of religion in transnational linkages and the differing experiences of men and women as migrants Brettell also explores the relevance of life histories and oral narratives in understanding the immigration process and the mediation of boundaries in a new society This book provides a fresh perspective on the contemporary experience of migration and will be indispensable to instructors and researchers in anthropology race and ethnic studies immigration studies urban studies sociology and international relations

The Italian American Heritage Pellegrino A D'Acierno, 2021-12-12 First published in 1999 The many

available scholarly works on Italian Americans are perhaps of little practical help to the undergraduate or high school student who needs background information when reading contemporary fiction with Italian characters watching films that require a familiarity with Italian Americans or looking at works of art that can be fully appreciated only if one understands Italian culture This basic reference work for non specialists and students offers quick insights and essential easy to grasp information on Italian American contributions to American art music literature motion pictures and cultural life This rich legacy is examined in a collection of original essays that include portrayals of Italian characters in the films of Francis Coppola Italian American poetry the art of Frank Stella the music of Frank Zappa a survey of Italian folk customs and an analysis of the evolution of Italian American biography Comprising 22 lengthy essays written specifically for this volume the book identifies what is uniquely Italian in American life and examines how Italian customs traditions social mores and cultural antecedents have wrought their influence on the American character Filled with insights observations and ethnic facts and fictions this volume should prove to be a valuable source of information for scholars researchers and students interested in pinpointing and examining the cultural intellectual and social influence of Italian immigrants and their successors

Italian America Margherita Ganeri, 2015-09-17 T00:00:00+02:00 This book offers to the reader a tool to address the still largely uncharted territory of contemporary literature of migration In addition to presenting and commenting on the production of the prolific writer Helen Barolini the author Margherita Ganeri has a further ambition to investigate the question that runs through the debate on the relationship between literary writing and socio cultural groups namely the possibility to define literature and in particular Italian American literature on the basis of ethnicity The book includes a preface by Melania G Mazzucco and an exclusive excerpt of Helen Barolini's forthcoming Visits

By the Breath of Their Mouths Mary Jo Bona, 2012-02-01 In By the Breath of Their Mouths Mary Jo Bona examines the oral uses of language and the liberating power of speech in Italian American writing as well as its influences on generations of assimilated Italian American writers Probing and wide ranging Bona's analysis reveals the lasting importance of storytelling and folk narrative their impact on ethnic working class and women's literatures and their importance in shaping multiethnic literature Drawing on a wide range of material from several genres including oral biographies fiction film poetry and memoir and grounded in recent theories of narrative and autobiography postcolonial theory and critical multiculturalism By the Breath of Their Mouths is must reading for students in Italian American studies in particular and ethnic studies and multiethnic literature more generally

Immigrant Voices Thomas Dublin, 1993 A collection of ten immigrant stories from 1773 to 1986 by men and women from European Latin American and Asian countries which are based on letters diaries and oral histories

Hollywood Italians Peter E. Bondanella, 2004-01-01 This book is a celebration of nearly a century of images of Italians in American motion pictures and their contribution to popular culture Hollywood Italians covers the careers of dozens of stars including Rudolph Valentino Frank Sinatra Dean Martin Al Pacino Robert De Niro John Travolta Sylvester Stallone Marisa

Tomei James Gandolfini and many others In addition the book reviews the work of such Italian American directors as Francis Ford Coppola and Martin Scorsese In all Hollywood Italians discusses scores of films with a concentration on the most important including their literary and European cinematic roots The book is capped by a comprehensive examination of The Godfather and its two sequels as well as the international television phenomenon The Sopranos BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Health in the City* Tanya Hart, 2015-05-01 Shortly after the dawn of the twentieth century the New York City Department of Health decided to address what it perceived as the racial nature of health It delivered heavily racialized care in different neighborhoods throughout the city syphilis treatment among African Americans tuberculosis for Italian Americans and so on It was a challenging and ambitious program dangerous for the providers and troublingly reductive for the patients Nevertheless poor and working class African American British West Indian and Southern Italian women all received some of the nation's best health care during this period *Health in the City* challenges traditional ideas of early twentieth century urban black health care by showing a program that was simultaneously racialized and cutting edge It reveals that even the most well meaning public health programs may inadvertently reinforce perceptions of inferiority that they were created to fix
