Nothing But the Truth: The journey to meeting, and mastering life lessons from some of India's most powerful people Rishabh Shah,2023-10-02 True leaders don t create followers They create more leaders and let them shine That s one lesson Rishabh Shah learnt after he founded I I M U N India s International Movement to Unite Nations in 2011 Now as the world s largest youth run organisation they work with thousands of young people across 220 cities in India and over 35 countries to put together concourses for school children The aim is to sensitise leaders of tomorrow about the world from the Indian lens I I M U N is creating leaders without creating

noise This book documents Rishabh's rollercoaster journey of reaching out to some of the most powerful people in India without any connections Breaking through their carefully crafted media image the book details how he opened the door to some of India's real life influencers and how they actually are as people Read his experience as he meets and learns from luminaries like Mohan Bhagwat Rahul Gandhi Dr Subramaniam Swamy Late Pranab Mukherjee PT Usha Late Gen Bipin Rawat Deepak Parekh Karan Johar AR Rahman and Syed Akbaruddin Sharing never heard before real life anecdotes as an impressionable young adult who didn't have the baggage of being known Rishabh has unknowingly and sometimes deliberately been imparted a lot of leadership and life lessons These numerous closed door engagements with the mentioned luminaries will sometimes teach you what to do and so also what not to do This book is useful for those wanting to understand the centrist school of thought that one can learn from everyone For those who want to learn leadership those looking for inspiration to break the word impossible or for those who are simply looking to build their own network come discover Nothing but the Truth

Before I Was CEO Peter Vanham, 2016-11-14 Have you always known what you wanted to be in life What are some watershed moments that made you who you are When did you get on track to become a successful CEO It started with three questions at Davos The younger Peter Vanham looked to the answers from the elite leaders he asked to validate his own career choice and the rich private wisdom he received revealed more about building a career than he'd found anywhere else He shares it all with you in Before I Was CEO For everyone who lays awake at night wondering if they're heading up or down the corporate ladder this collection of personal stories from a remarkable group of the most accomplished men and women in business today proves everyone can put themselves in the C suite by taking a variety of different paths it's all how you do it Some found opportunity through adversity and others came by their big break moments through serendipity A group of them walked away from corporate life and lived in other ways and all of them made calculated moves to advance their careers In their own words read how it all unfolded the tough decisions they wrestled the risks and rewards they saw and how it all came together You don't need a royal pedigree or Ivy League education to reach the top as long as you Value family leave home and make informed decisions based on your dreams Take the first thirty five years of your life to discover what you're interested in and don't rush to be a CEO Strategically deal with failure remember the lessons you learned and adapt to situations you can't change You aren't the first person to be at the crossroads you're standing in and with the motivating and instructive stories in Before I Was CEO you may be answering a young journalist's questions at Davos one day

International Retailing, 2005 **Proceedings, American Philosophical Society (vol. 149, no. 1, 2005)**, Urban Ethics in the Anthropocene Jeffrey K.H. Chan, 2018-07-03 Increasingly we live in an environment of our own making a world as design over the natural world For more than half of the global population this environment is also thoroughly urban But what does a global urban condition mean for the human condition How does the design of the city and the urban process in response to the issues and challenges of the Anthropocene produce new ethical

categories shape new moral identities and relations and bring about consequences that are also morally significant In other words how does the urban shape the ethical and in what ways Conversely how can ethics reveal relations and realities of the urban that often go unnoticed This book marks the first systematic study of the city through the ethical perspective in the context of the Anthropocene Six emergent urban conditions are examined namely precarity propinquity conflict serendipity fear and the urban commons

Get Funded Now: Find Out How Nalin Singh, 2017-12-22 The world is captivated by a startup frenzy yet ninety percent fail in the first few years Entrepreneurs start businesses in a daze of enthusiasm only to realize that running the business and scaling it requires the continuous lubricant of money The close knit investor world is brutal with its own code and language Entrepreneurs could spend years receiving encouragement smiles and handshakes but no cheques Nothing has trained or prepared them for this world where one misstep could prove fatal for the future of their business You could spend years wandering or pause and master this seemingly impossible task of raising timely finance The book demystifies the world of funding and provides actionable insights on how to prepare for it and engage with investors in a successful and timely manner Tips on everything from preparing oneself planning one's own business crafting materials for investors and engaging with investors for long term funding are covered in an easy and comprehensive manner in this book Give yourself and your business the best shot they deserve

The Mesh Lisa Gansky, 2010-09-23 A simple powerful idea that's reinventing the way smart adaptive companies do business Most businesses follow the same basic formula create a product or service sell it and collect money What Lisa Gansky calls Mesh businesses throw this model out the window Instead these companies use social media wireless networks and data crunched from every available source to provide people with goods and services at the exact moment they need them without the burden and expense of owning them outright The Mesh gives companies a better understanding of what customers really want Already hundreds of successful Mesh companies are redefining how we interact with the people goods and services in our lives These businesses are easier to start and spreading like wildfire from bike sharing and home exchanges to peer to peer lending energy cooperatives and open source design Consider ZipCar profits from streamlined car sharing Kickstarter connects artists with funding from enthusiastic supporters Music Gym makes finding a recording studio as easy as joining a gym The Mesh reveals the next wave of information enabled commerce showing readers how to plug in and profit

Culturally Responsive Reading Durthy A. Washington, 2023 A book that is brilliantly incisive and generative beyond words Culturally Responsive Reading is a gift that will be welcomed in classrooms everywhere Junot Diaz author This Is How You Lose Her Help students to explore the intertextuality of literature and to think more deeply and compassionately about the world This book shows high school teachers and college instructors how to foreground a work's cultural context recognizing that every culture has its own narrative tradition of oral and written classics that inform its literature The author introduces readers to the LIST Paradigm a guided approach to culturally responsive reading that encourages readers to access and analyze a text by asking significant questions designed to foster

close critical reading By combining aspects of both literary analysis exploring the elements of fiction such as plot setting and character and literary criticism exploring works from multiple perspectives such as historical psychological and archetypal the LIST Paradigm helps educators unlock literature with four keys to culture Language Identity Space and Time In Culturally Responsive Reading Washington exposes cultural myths reveals racist and culturally biased language dismantles stereotypes and prevents the egregious misreading of works written by people of color Book Features Describes a unique approach to culturally responsive reading including specific teaching strategies and rich classroom examples Explores numerous texts by writers of color that are rarely included as required reading in literature courses Provides examples and illustrations of innovative ways to incorporate multicultural texts into an introductory literature course Incorporates epigraphs and questions that highlight each component of the LIST approach Includes a critical essay that guides teachers through the process of teaching a complex postmodern novel Junot Diaz's *The Brief Wondrous Life of Oscar Wao*

Handbook of Anthropology in Business Rita M Denny, Patricia L Sunderland, 2016-06-16 In recent years announcements of the birth of business anthropology have ricocheted around the globe The first major reference work on this field the *Handbook of Anthropology in Business* is a creative production of more than 60 international scholar practitioners working in universities and corporate settings from high tech to health care Offering broad coverage of theory and practice around the world chapters demonstrate the vibrant tensions and innovation that emerge in intersections between anthropology and business and between corporate worlds and the lives of individual scholar practitioners Breaking from standard attempts to define scholarly fields as products of fixed consensus the authors reveal an evolving mosaic of engagement and innovation offering a paradigm for understanding anthropology in business for years to come
