English "Loathly Lady" Tales S. Elizabeth Passmore,Susan Carter,2007 Whereas some literary motifs such as the tyrant the beggar and the crone have equivalents in the real world the Loathly Lady is a creature of the imagination Yet she is not merely a whimsical fantasy This volume concentrates on the medieval English Loathly Lady tales which develop the motif as a vehicle for social ideology One of the primary agendas of this collection is to promote the non canonical Loathly Ladies as worthwhile subjects for scholarly consideration The examinations here of the medieval English Loathly Lady tales engage with a myriad of concerns including anxieties about virginity and sex power and assimilation beauty and beastliness These broad examinations of this enigmatic literary motif are an excellent contribution to the field and will be of great interest to scholars **Shifter Squad: Bundle 1** J.C. Diem,2016-03-30 This bundle includes the first three books of the Shifter Squad Series Seven Psychics Alexis Levine has just graduated from high school and intends to join the Army as soon as she turns eighteen Her dream is to become a sniper just like her often absent father During routine weapons practice she meets Mark Steel the head of a small team of agents who work for a mysterious organization He needs someone with outstanding skills to help his squad destroy seven psychotic psychics With her father overseas on a mission she is the next best choice Still reeling from the knowledge that psychics actually exist Lexi agrees to become a temporary member of the squad From the first moment that she meets Reece Garrett she is instantly drawn to him He is strong sexy and charismatic and unfortunately thinks of her as little more than a child Agent Garrett and his team have a secret that few people are aware of They are shape shifters who transform into ravenous beasts with every full moon The upside of being shifters is that they possess a natural resistance to mind control which makes them the perfect team to hunt the psychics But Reece soon learns that some instincts are impossible for even him to deny Caught in a mind trap that he can t escape from he finds himself irresistibly drawn to the newest member of their team Zombie King Lexi Levine s life changed forever the night she became a werewolf She was only meant to be a temporary addition to the Shifter Squad but at barely eighteen she is now a permanent member of the team Well used to facing danger none of the squad is prepared to meet Lexi s father Major Philip Levine is a sniper with unparalleled skills He has returned from his overseas mission to seek answers Even Lexi isn t sure how he will react when he
