Lord Ive Got A Problem:

Seeking God Through the Catholic Faith , Help I Have Issues Bobbie Davis Jr., M.A.,2016-03-29 Help I Have Issues is something that everybody wanted to say at one point or another Within these pages the reader will discover Biblical truths that will help with their current state or being If we are honest with ourselves I think that we all have issues that must be dealt with This book teaches you how to deal with the struggles or challenges that we are faced with Some of us have beat ourselves up from things or people that have mishandled our love and trust We are blaming ourselves over certain things that has happened to us in which we had no control over The Word of God is full of answers and solutions to our private pass or present mistakes or failures The focus is not so much on others but you Practical application is given and listed that will help an individual move from darkness to light So often when we become of age there s no one there to offer encouragement from a pure heart Therefore it seems as though we are all alone allow me to share something with you You are not alone

A long Time Ago...** Darryl Jordan,2018-07-13 Issues are something that we all have and some more than others But it is okay It is absolutely okay to have issues as long as you can put things in perspective Sometimes our issues are something that gives you strength or they can zap the very strength from you I am here to tell you having issues can be a blessing as long as you can match them up with the word of God and stand on top of them instead of them standing on top of you I am excited about my issues That hasn t been the case a long time ago but now I see the blessings and I rejoice and praise the Lord for

my issues and the freedom I have received Every t time I think about how many times in the name of Jesus I have been blessed because of and in spite of my issues I found out we are going to be alright **Forth ,1927 Congressional Record** United States.
