CDs With a hard plastic media case      What is English? Tim William Machan, 2013-08-22 Tim Machan explores the nature of English present and past and its role in shaping the identity of those who speak it He pursues his object through episodes in its history around the globe from Caxton to Churchill and from rural America to colonial Australia This is a book for everyone interested in English and the role of language in society      **The Sociolinguistics of Globalization** Jan

Blommaert, 2010-04-08 Human language has changed in the age of globalization no longer tied to stable and resident communities it moves across the globe and it changes in the process The world has become a complex web of villages towns neighbourhoods and settlements connected by material and symbolic ties in often unpredictable ways This phenomenon requires us to revise our understanding of linguistic communication In *The Sociolinguistics of Globalization* Jan Blommaert constructs a theory of changing language in a changing society reconsidering locality repertoires competence history and sociolinguistic inequality      Foreign Accent Perception Agnieszka Bryla-Cruz, 2016-04-26 The phenomenon of foreign

accents and their perception have received considerable attention from pronunciation specialists and academic researchers working within different fields of study such as phonetics phonology foreign language teaching sociolinguistics psycholinguistics social psychology anthropology and even law The reason for this widespread interdisciplinary interest is caused by the fact that in addition to revealing the speaker's origin accent carries significant social connotations and evokes various ethnic racial religious and socio economic stereotypes This book represents the largest up to date qualitative and quantitative investigation into the accentedness acceptability intelligibility and comprehensibility of Polish English of three groups of native speakers the English the Irish and the Scottish comparing the ways in which it is perceived by members of three nations and establishing pronunciation priorities The book will be of interest not only to phoneticians pronunciation specialists and sociolinguists but also to EFL teachers and students      *Intercultural Twinings*, 2022-08-15 In an ever

changing and interdependent world diversity has become the norm not the exception Our constantly evolving understanding of intercultural communication and its rich complexities calls us to question review and renew our intervention practices *Intercultural Twinings A Commitment for a Pluralistic Society* examines the impact of intercultural twinings when people of different backgrounds ethnicities languages and religions come into contact with each other in a variety of learning and work environments These twinings are more than language exchanges because they promote intercultural contacts constructive individual interactions and ultimately more harmonious intergroup relations Whether face to face or virtual it is through these exchanges that participants learn from each other and appreciate the challenges and benefits of discovering the Other The contributors to this volume explore theoretical models methods and intervention tools to support the work of teachers researchers practitioners and university students      **Computerworld**, 2004-10-04 For more than 40 years

### **Pronunciation Myths** Linda Grant, Donna

Brinton, 2014-02-21 This volume was conceived as a best practices resource for pronunciation and speaking teachers in the way that Vocabulary Myths by Keith S Folse is one for reading and vocabulary teachers Like others in the Myths series this book combines research with good pedagogical practices The book opens with a Prologue by Linda Grant author of the Well Said textbook series which reviews the last four decades of pronunciation teaching the differences between accent and intelligibility the rudiments of the English sound system and other factors related to the ways that pronunciation is learned and taught The myths challenged in this book are Once you've been speaking a second language for years it's too late to change your pronunciation Derwing and Munro Pronunciation instruction is not appropriate for beginning level learners Zielinski and Yates Pronunciation teaching has to establish in the minds of language learners a set of distinct consonant and vowel sounds Field Intonation is hard to teach Gilbert Students would make better progress if they just practiced more Grant Accent reduction and pronunciation instruction are the same thing Thomson Teacher training programs provide adequate preparation in how to teach pronunciation Murphy The book concludes with an Epilogue by Donna M Brinton who synthesizes some of the best practices explored in the volume
