Losing Our Virtue Why The Church Must Recover Its Moral Vision

Richard Lints

Losing Our Virtue Why The Church Must Recover Its Moral Vision:

Losing Our Virtue David F. Wells, 1999-02 Why the Church must recover its moral vision Christ Alone---The Uniqueness of Jesus as Savior Stephen Wellum, 2017-04-18 Professor of theology Stephen Wellum considers Christ's singular uniqueness and significance biblically historically and today in our pluralistic and postmodern age Christ Alone is a much needed study and defense of the doctrine that provides coherency to the Christian faith If the church is to proclaim the same Christ as the Reformers we must understand and embrace solus Christus with the same clarity conviction urgency and abundance of joy as the Reformers To that end Wellum Recovers the Reformers basic insights by focusing first on two teachings the exclusive identity of Christ and his sufficient work Follows the historical roots of the doctrine and its developments to show how the uniqueness of Christ has come under specific attack today Retraces the storyline of Scripture from Christ's unique identity and work as prophet priest and king to the application of his work to believers and our covenantal union with him Christ Alone seeks to recover a robust biblical and theological doctrine of Christ's person and work and a renewed understanding that apart from Christ there is no salvation in the face of today's challenges unpacking why a fresh appraisal of the Reformation understanding of Christ alone is so important today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches Gospel Witness David M. Gustafson, 2019-02-14 In light of our increasingly post Christian Western contexts David Gustafson offers a mission oriented ecclesiology that moves from missional theory to practices of missional engagement Introducing God's human drama as a way to explain the gospel within God's redemptive story he outlines specific ways for pastors and church leaders to shape a gospeling culture within their congregations Gustafson expertly lays the foundations of and approaches to evangelism that are seminal and apt for the church today

Renewing the Evangelical Mission Richard Lints, 2013-05-26 The culture story of evangelicalism during the second half of the twentieth century has been well told It is important now to think about the theological mission of the church in an ever increasing post Christian and post partisan context What is the theologian's calling at the beginning of the third millennium How do global realities impact the mission of evangelical theology What sense can be made of the unity of evangelical theology in light of its many diverse voices Contributors Os Guinness Michael S Horton Richard Lints Bruce McCormack Mark Noll J I Packer Gary Parrett Rodney Peterson Cornelius Plantinga Tite Tienou Kevin J Vanhoozer Adonis

Vidu and Miroslav Volf *Aquinas Among the Protestants* Manfred Svensson, David VanDrunen, 2017-09-25 AQUINAS AMONG THE PROTESTANTS This major new book provides an introduction to Thomas Aquinas's influence on Protestantism. The editors, both noted commentators on Aquinas, bring together a group of influential scholars to demonstrate the ways that Anglican, Lutheran, and Reformed thinkers have analyzed and used Thomas through the centuries. Later chapters also explore how today's Protestants might appropriate the work of Aquinas to address a number of contemporary theological and philosophical issues. The authors set the record straight and disavow the widespread impression that Aquinas is an irrelevant figure for the history of Protestant thought. This assumption has dominated not only Protestant historiography but also Roman Catholic accounts of the Reformation and Protestant intellectual life. The book opens the possibility for contemporary reception, engagement, and critique and even intra-Protestant relations and includes information on the fruitful appropriation of Aquinas in Anglican, Lutheran, and Reformed theologians over the centuries. Important essays from leading scholars on the teachings of Aquinas. New perspectives on Thomas Aquinas's position as a towering figure in the history of Christian thought. *Aquinas Among the Protestants* is a ground-breaking and interdenominational work for students and scholars of Thomas Aquinas and theology more generally.

The Courage to Be Protestant, 2nd ed. Wells, David F., 2017 At its heart the Protestant Reformation was about a deep, doctrinally shaped faith centered on God and his Word. But that historic substantive faith is not faring so well in our contemporary Western context. In his 2008 book *The Courage to Be Protestant*, David Wells issued a summons to return to the historic Protestant faith defined by the Reformation: *sola* grace, faith, and Scripture alone, and by a high regard for doctrine. In this thoroughly reworked second edition, Wells presents an updated look at the state of evangelicalism and the changes that have taken place since the original publication of his book. There is no better time than now to hear and heed Wells's clarion call to reclaim the historic, doctrinally serious Reformation faith in our fast-paced, technologically dominated postmodern culture.

Apostasy from the Gospel (Volume 14) John Owen, 2023-06-22 Volume 14 of *The Complete Works of John Owen* warns Christians about the dangers of apostasy. Regarded as one of the greatest theologians in history, 17th-century pastor John Owen remains influential among those interested in Puritan and Reformed theology. *The Complete Works of John Owen* brings together all of Owen's original theological writing, including never-before-published work reformatted for modern readers in 40 user-friendly volumes. Volume 14, *Apostasy from the Gospel*, features Owen's book-length treatise on the threat of heresy, the need for repentance, and the importance of preserving biblical purity of doctrine, holiness, and worship. With extensive introductions by editor Joel R. Beeke, this volume also includes outlines, footnotes, and other supporting resources. Released over a number of years, *The Complete Works of John Owen* will inspire a new generation of Bible readers and scholars to deeper faith. Edited and formatted for modern readers, presents Owen's original work newly typeset with outlines, text breaks, headings, and footnotes. Informative new introductions provide historical, theological, and personal context. Supporting resources enhance reading. Include extensive annotations with

sources definitions and translations of ancient languages Part of the Complete Works of John Owen Collection Will release 40 hardcover volumes over a number of years Perfect for Churches and Schools Ideal for students pastors theologians and those interested in the Holy Spirit and the Puritans The Making of Evangelical Spirituality Jason Cherry,2023-01-05 How did it come to be that evangelicals expect individualized extrabiblical revelation from God What has happened culturally historically and theologically to make this the ubiquitous assumption of evangelical spirituality The Making of Evangelical Spirituality is a compound of history and theology applied to the subject of evangelical spirituality specifically the phenomenon of evangelicals thinking God spoke to me in a still quiet voice The story is complex multifaceted and urgently in need of telling Few Christians know the history of the spiritual expectations heaped upon them Few know the individuals who gave shape to evangelical spirituality spiritual chieftains who were often guided by uniquely ephemeral social and cultural forces There is no towering figure like Martin Luther that stands as the lone front man for the esoterica of evangelical spirituality Instead it s the osmosis of many fascinating people struggling through life in the storm of worldly and cultural momentum This book is the story of those hermits monks reformers heretics politicians outcasts and preachers who gave shape Failure to tell the story now risks it becoming just another part of historical compost threatening to make evangelicals forever ignorant of what they are tossing into the garden of their soul **Revealing the Heart of Prayer** Craig G. Bartholomew,2016-10-05 See Luke s Gospel anew through the lense of prayer In Revealing the Heart of Prayer Craig G Bartholomew helps us see how to live and participate effectively in God s mission by looking to Jesus as an example for how we should pray The Courage to Be Protestant David F. Wells,2008-04 It takes no courage to sign up as a Protestant These words begin this bold new work the culmination of David Wells s long standing critique of the evangelical landscape But to live as a true Protestant well that s another matter This book is a jeremiad against new versions of evangelicalism marketers and emergents and a summons to return to the historic faith defined by the Reformation solas grace faith and Scripture alone and by a high regard for doctrine Wells argues that historic classical evangelicalism is marked by doctrinal seriousness as opposed to the new movements of the marketing church and the emergent church He energetically confronts the marketing communities and their tendency to try to win parishioners as consumers rather than worshipers advertising the most palatable environment rather than trusting the truth to be attractive He takes particular issue with the most popular evangelical movement in recent years the emergent church Emergents he says are postmodern and postconservative and postfoundational embracing a less absolute understanding of the authority of Scripture than traditionally held The Courage to Be Protestant is a forceful argument for the courage to be faithful to what Christianity in its biblical forms has always stood for thereby securing hope for the church s future

Delve into the emotional tapestry woven by Emotional Journey with in Experience **Losing Our Virtue Why The Church Must Recover Its Moral Vision** .
