Materialist Reading Of The Gospel Of Mark:

A Materialist Reading of the Gospel of Mark Fernando Belo,1981 **A Materialist Reading of the Gospel of Mark** Fernando Belo, The Theology of the Gospel of Mark William Telford,1999-06-17 This 1999 book presents the reader with a comprehensive view of the theology underlying the first narrative account of the life of Jesus In Chapter 1 Dr Telford introduces the background of the text and its general message attempting briefly to place the Gospel and therefore its theology in its historical setting In the second chapter he describes and analyses the Gospel s theology again from an historical perspective and with particular regard to its original context In the third chapter Telford goes on to examine the Gospel in relation to other relevant writings of the New Testament Briefly reviewing this larger corpus and highlighting parallels and contrasts where appropriate he seeks to locate the Gospel s theology in its wider canonical context The fourth and final chapter ranges even further afield commenting on the Gospel s history of interpretation and on its significance in the contemporary context *Cultural Interpretation* Brian K. Blount,2004-07-09 Building on insights into the social functions of language especially its interpersonal dimensions Blount constructs a culturally sensitive model of interpretation that provides a sound basis for ethnographic and popular as well as historical critical readings of the biblical text Blount s framework does more than acknowledge the inevitability of multiple interpretations it foments them His analysis demonstrates the social intent of every reading and shows the influence of communicative context in such diverse readings of the Bible as Rudolf Bultmann s the peasants of Solentiname the Negro spirituals and black church sermons Then Blount turns to Mark s account of the trial of Jesus where he shows how this hermeneutical scheme helps to assess the emergence and validity of multiple readings of the text and the figure of Jesus **The Origins of Mark** Dwight Peterson,2021-10-11 The book observes and calls into question the scholarly practice of constructing a community behind the Gospel of Mark and by implication other Gospels as well and using that community to control appropriate interpretation of Mark It presents and critiques particular exemplars of this practice and briefly suggests other ways to ground the interpretation of Mark After an introduction chapters are devoted to the work of Werner Kelber Howard Clark Kee and Ched Myers Critical conclusions are then drawn after which the recent work of Joel Marcus is discussed A final chapter briefly suggests ways forward Constructing communities behind Gospels and using those communities as interpretive keys in Gospel interpretation is a widespread scholarly practice To date no full length critique of the practice has been published This book fills that lacuna **Writing on the Gospel of Mark** W.R. Telford,2019-05-21 This thorough manual for advanced students and their supervisors and anyone researching or writing on the Gospel of Mark is the opening volume in an important new series of Guides to Advanced Biblical Research Together with an essay on the current state of research and a discussion of the future of Markan study it provides a chrestomathy of samples of Markan research together with a review of recent dissertations and a full annotated bibliography The Oxford Handbook of Postcolonial Biblical Criticism R. S. Sugirtharajah,2023 The Oxford

Handbook of Postcolonial Biblical Criticism is a comprehensive treatment of a relatively new form of scholarship. Generally speaking, postcolonialism aims to critique and dismantle hegemonic worldviews and power structures while giving voice to previously marginalized peoples and systems of thought. This approach has inevitably engaged with the text and reception of the Bible, a scripture that Western colonizers introduced to and often imposed upon their colonial subjects. With a globally diverse list of contributors, the Handbook aims to cover the perspective and context of the authors of the Bible as well as the modern experiences of imperialism, resistance, decolonization, and nationalism.

The Gospel of Mark Francis J. Moloney, SDB, 2012-05-01. The Gospel of Mark addressed to an early Christian community perplexed by failure and suffering presents Jesus as suffering Messiah and Son of God. Recognizing that failure and suffering continue to perplex Christians today, world-renowned New Testament scholar and theologian Francis Moloney marries the rich contributions of traditional historical scholarship with the contemporary approach to the Gospels as narrative. Now in paperback, this commentary combines the highest level scholarship with pastoral sensitivity. It offers an accessible and thoughtful reading of Mark's narrative to bring the Gospel's story to life for contemporary readers.

The Gospel of Mark John R. Donahue, Daniel J. Harrington, 2005. In *The Gospel of Mark*, Fathers Donahue and Harrington use an approach that can be expressed by two terms currently used in literary criticism: intratextuality and intertextuality. This intratextual and intertextual reading of Mark's Gospel helps us to appreciate the literary character, its setting in life, and its distinctive approaches to the Old Testament, Jesus, and early Christian theology. Intratextuality means we read Mark as Mark and by Mark. Such a reading expresses interest in the final form of the Gospel, not its source or literary history, and in its words and images, literary devices, literary forms, structures, characterization, and plot. Reading Mark by Mark gives particular attention to the distinctive vocabulary and themes that run throughout the Gospel and serve to hold it together as a unified literary production. Intertextuality comprises the relation between texts and a textual tradition and also referring to contextual materials not usually classified as texts, e.g., archaeological data. Intertextuality is used to note the links of the text of Mark's Gospel to other texts, especially the Old Testament and to the life of the Markan community and of the Christian community today.

The Ethics of Mark's Gospel Dan O. Via, 2005-10-18. In seeking to develop a hermeneutic for doing ethics on a narrative base, Via here focuses on Mark's ethics and suggests ways in which they interrelate with other significant motifs in the Gospel: eschatology, revelation, faith, and the messianic secret. Via maintains that the middle of Mark's plot presents the paradoxical position of the disciple who is placed in the overlapping of the kingdom of God and the age of hardness of heart. Here is a bold attempt to integrate several agendas in interpretation: literary criticism, biblical studies, constructive theological ethics, so as to draw out the implications of Mark's narrative for faith and conduct in the real world.

Gospel According To St. Mark Morna D. Hooker, 2001-12-01. St Mark's Gospel is among the earliest records about Jesus of Nazareth. This commentary focuses primarily on the problem of understanding what Mark himself intended to convey to his readers when he set out to write the good news of Jesus Christ.

There is an examination of information in the gospel about the historical Jesus about the early Christian community and about Mark's theological concerns There is also consideration of the sources for the Gospel of the tradition behind it and of interventions by editors Professor Hooker's new commentary takes account of the many lasted twentieth century Markan studies and comes with her own translation of the Gospel References to Greek sources are included but do not require a knowledge of Greek

Mark Edwin Keith Broadhead, Edwin K. Broadhead, 2009 In this commentary Broadhead explores the Gospel of Mark for literary designs which might guide modern readers He gives special attention to structure strategy significance and the appropriation of meaning and his analysis shows the Gospel as a sequential account which employs a strategy of reciprocity among its episodes Clear signs are created within this Gospel the meaning of which is negotiated by the first readers in the aftermath of the Temple's fall Modern readers are encouraged to connect these signs to their own world and to initiate a new performance of this Gospel

Interpretation of Mark William Telford, 1995-01-01 A textbook collection of the classic modern essays on Mark from Schweitzer to Malbon

Mark Bas M. van Iersel, 2005-03-01 An incisive and comprehensive episode by episode commentary on the Gospel of Mark There is a special focus on the contribution of each episode to the overall meaning of the Gospel at both the level of the story and the level of the discourse As a reader response commentator the author's concern is constantly with the effect of Mark's story on its readers engaging both the situation of the original audience of Mark Christians of Gentile origin in Rome shortly after the Neronian persecutions and with that of the present day reader

The Gospel According to Mark R. Alan Cole, 1989 Cole's study on the Gospel of Mark is part of the Tyndale New Testament Commentaries a popular series designed to help the general Bible reader understand clearly what the text actually says and what it means without undue dependence on scholarly technicalities

Fortress Introduction to the Gospels, Second Edition Mark Allan Powell, 2019-10-01 With clarity and verve Mark Allen Powell introduces the beginning student to the contents and structure of the Gospels their distinctive characteristics and their major themes An introductory chapter surveys the political religious and social world of the Gospels methods of approaching early Christian texts the genre of the Gospels and the religious character of these writings This second edition has been updated to take fuller account of different theories regarding the Gospels with new chapters on the historical Jesus and on gospel literature not included in our New Testament and with a pleasing new format Special features include illustrations and more than two dozen special topics

Mark: The Way for All Nations Willard M. Swartley, 1999-03-29 During the later stages of the Vietnam War a group of European peace workers requested a bibliography of Mennonite writings on peace This volume prepared 1971-1987 by the Institute of Mennonite Studies was the eventual result It includes more than 10 000 entries covering 50 years of Mennonite writings on war and peace including theses dissertations and archival material as well as books and periodical articles Entries are topically listed and fully annotated

Preaching the Gospel of Mark Dawn Ottoni

Wilhelm,2008-01-01 In this engaging treatment of the Gospel of Mark Dawn Ottoni Wilhelm combines biblical scholarship with a close reading of the Gospel text to meet the needs of preachers today Swift and purposeful the Gospel of Mark proclaims God's reign and urges the participation of all God's people in the witness of the good news that God has transformed human reality through Jesus Christ This insightful commentary helps that message come alive while providing pertinent suggestions about how preachers can proclaim this message to today's churchgoers

Paul and Mark Oda

Wischmeyer,David C. Sim,Ian J. Elmer,2014-08-20 The hypothesis that the Gospel of Mark was heavily influenced by Pauline theology and or epistles was widespread in the nineteenth century but fell out of favour for much of the twentieth century In the last twenty years or so however this view has begun to attract renewed support especially in English language scholarship This major and important collection of essays by an international team of scholars seeks to move the discussion forward in a number of significant ways tracing the history of the hypothesis from the nineteenth century to the modern day searching for historical connections between these two early Christians analysing and comparing the theology and christology of the Pauline epistles and the Gospel of Mark and assessing their reception in later Christian texts This major volume will be welcomed by those who are interested in the possible influence of the apostle to the Gentiles on the earliest Gospel
