Bukharin, Evgenii Preobrazhensky, 2021-04-08 The ABC of Communism is a book written by Nikolai Bukharin and Evgenii Preobrazhensky in 1919 during the Russian Civil War. Originally written to convince the proletariat of Russia to support the Bolsheviks, it became an elementary textbook of communist knowledge. It became the best known and most widely circulated of all pre-Stalinist expositions of Bolshevism and the most widely read political work in Soviet Russia. Long out of print and often only being available with the abridged first few chapters, this version includes completed new transcriptions of the last eight chapters along with the Programme of the Communist Party of Russia, a glossary, and a new word index. The ABC of Communism is written to be a systematic description of communism and the proletarian condition under capitalism, away from the reality of Soviet life into a redirection towards a militant optimism on the horizon. This book in the Radical Reprint series from Pattern Books is made to be accessible and as close to manufacturing cost as possible. **ABC of Communism** Nikolai Bukharin, 1921 *The London Medical Record*, 1880 Great Wealth Poor Health David Farrell, 2010-11-01 Unique and straightforward, this reference introduces many of the current issues that relate to the environment, nutrition, food, well-being, and health in contemporary society. Highlighting the role that wealth has played in creating substantial waste and unhealthy behaviors, this thorough record offers simple guidelines and recipes that support a healthier lifestyle. Including information on the sugar, fat, and fiber levels in foods, as well as on the energy expenditure of various activities, this account will interest students taking courses in nutrition and human health, as well as those attempting to improve their dietary habits. **The Freemason and Masonic Illustrated. A Weekly Record of Progress in Freemasonry**, 1887 ABC Scripts Deborah Shucart, 2010-06-02 ABC Scripts is a series of twenty-six scripts, each written for two characters, that takes short and snappy looks at life. Each script uses a revolving alphabet system and is independent of the others in the series. The subjects written about are simple to absurd and open up mini visions of things happening in life. The scripts were designed with community theater in mind, as their simplicity will make them easy to produce on stage. Directors have freedom to choose the characters, genders.
