

Truth Is The Sun

Poet: Samuel Valentine Cole

The truth is large: no man hath seen the whole:
Larger than words: it brooks not the control
Of argument and of distinctions nice:
No age or creed can hold it, no device
Of speech or language: ay, no syllogism:
Truth is the sun, and reason is the prism
You lift before it: whence the light is thrown
In various colors: each man takes his own.
If this man takes the red, as you the blue,
Is yours the whole, and is his truth not true?
Spirit is truth, how'er the colors fall:
The fact comes back to spirit, after all.

Anxiety and Depression: Poems from the depths of the soul Madalin Michael, 2023-10-24 Author's Introduction Navigating the Depths of the Mind Welcome to a journey that transcends the ordinary and ventures into the extraordinary landscape of the human experience My journey as an author began in the shadows of depression and anxiety where I unraveled the complexities of the human psyche Through introspection and the transformative power of poetry I found my way out of the labyrinth of my own mind offering readers a unique path toward understanding and healing Join me in Anxiety and Depression Poems from the Depths of the Soul as we explore the profound interplay of emotions confront darkness and illuminate it with introspective verse ultimately embarking on a journey of self discovery and resilience Author's Introduction Unlocking the Depths of the Mind Imagine diving into the uncharted waters of the human psyche exploring the hidden caverns of the soul and deciphering the cryptic language of emotions That's where my journey as an author truly began not in the light but in the shadowy depths of depression and anxiety For years I found myself entangled in the intricate web of these two formidable adversaries trapped in a relentless struggle to understand the whispers of my own mind It was a labyrinthine voyage where darkness held hands with despair and anxiety painted intricate mazes of doubt But within this labyrinth I discovered the power of introspection and the healing magic of words I learned that the emotions that once seemed like turbulent storms could be transformed into poetry each verse a lifeboat navigating the tumultuous sea of the soul These poems became my lifeline a way to navigate the treacherous waters of my own thoughts and ultimately a path toward the light Through this book Anxiety and Depression Poems from the Depths of the Soul I invite you to join me on this unique journey It's a journey that transcends the ordinary and ventures into the extraordinary landscape of the human experience Together we will explore the intricate interplay of emotions confront the darkness within and illuminate it with the poetic power of introspection As you turn the pages you'll discover not only the depths of my own struggles but also the resilience of the human spirit It is my hope that these words will resonate with you offer solace in your own moments of darkness and inspire you to confront and conquer the emotional maelstrom within What you will find in this book Discover the Emotional Universe As if traveling through a cosmos of feelings you will explore the depths and heights of human emotions uniquely revealing how complex the experience of anxiety and depression can be Verses Like Feathers of a Bird Poems are like the feathers of a

bird flying deep into the soul enveloping you in the beauty and grace of words Each verse will gently carry you through a range of emotions The Theater of Human Emotions This book is a theater of human emotions with dramatic acts of anxiety and depression as well as moments of light and transformation You will feel like you are on stage experiencing every word Navigating the Rolling Waves of Healing Words and verses will guide you through a tumultuous navigation of inner healing offering you tools to find your balance and peace Returning to Self In the middle of the book you will discover that poetry can be a means of returning to oneself of rediscovering authenticity and of deep connection with your own essence **My World, My Truth...
