**The Mystery of the Incarnation** Basil Hume, 1999 Indeholder The Mystery of the Incarnation The Third Millennium A Challenge Celebrating the Incarnation

**The Mystery of the Incarnation** James Norman Dalrymple Anderson, 1978 There can be nothing in the Christian faith which is so much under discussion and debate today as the doctrine of the Incarnation Was Jesus just a very remarkable man in whom we somehow find ourselves confronted by God's love and moral demands or was he in fact God incarnate If the latter could he really have been man at all And is incredible to say that the Jesus of the Gospels had two natures In The Mystery of the Incarnation Norman Anderson considers these and other questions in the light of what he terms the contemporary debate the controversies and credal statements of the past the challenge of comparative religion today the views of several contemporary theologians and the tentative conclusions to which he has himself come His learning though profound and wide ranging is worn lightly as he brings his particular clear headedness to this emotive subject Publisher
