The Freedom Artist Ben Okri, 2021-05-26 An NPR Best Book of 2020 Okri's tale is especially resonant in our current post truth environment Booklist starred review In a world uncomfortably like our own a young woman called Amalantis is arrested for asking a question Her question is this Who is the Prisoner When Amalantis disappears her lover Karnak goes looking for her He searches desperately at first then with a growing realization that to find Amalantis he must first understand the meaning of her question Karnak's search leads him into a terrifying world of deception oppression and fear at the heart of which lies the prison Then Karnak discovers that he is not the only one looking for the truth The Freedom Artist is an impassioned plea for justice and a penetrating examination of how freedom is threatened in a post truth society In Ben Okri's most significant novel since the Booker Prize winning The Famished Road he delivers a powerful and haunting call to arms With the stark power of myth this political allegory evolves into an argument for artistic freedom The New York Times Book Review With prophetic warnings of apocalypse akin to Octavia Butler's The Parable of the Sower The Freedom Artist offers a contemplative look at post truth society Sierra Magazine The concise declarative prose and the parable like architecture of the stories resemble ancient forms of wisdom literature The Wall Street Journal Combines fable folklore and mythology with moments of surreal horror to produce a rallying cry against the oppressive institutions that would seek to make knowledge illegal Locus Magazine

Strange Tales from Edo William D. Fleming, 2024-09-09 In *Strange Tales from Edo* William Fleming paints a sweeping picture of Japan's engagement with Chinese fiction in the early modern period 1600-1868. Large scale analyses of the full historical and bibliographical record, the first of their kind, document in detail the wholesale importation of Chinese fiction, the market for imported books and domestic reprint editions, and the critical role of manuscript practices, the ascendance of print culture notwithstanding, in the circulation of Chinese texts among Japanese readers and writers. Bringing this big picture to life, Fleming also traces the journey of a text rarely mentioned in studies of early modern Japanese literature: Pu Songling's *Liaozhai zhiyi*. *Strange Tales from Liaozhai Studio*, an immediate favorite of readers on the continent, *Liaozhai* was long thought to have been virtually unknown in Japan until the modern period. Copies were imported in vanishingly small numbers and the collection was never reprinted domestically. Yet beneath this surface of apparent neglect lies a rich hidden history of engagement and rewriting, hand copying, annotation, criticism, translation, and adaptation that opens up new perspectives on both the Chinese strange tale and its Japanese counterparts.

Tales of the Punjab Flora Annie Steel, 2021-05-21 *Tales of the Punjab* 1894 is a collection of stories translated and collected by Flora Annie Steel. Collected while Steel lived with her husband in the north of the Indian subcontinent, *Tales of the Punjab* was a successful introduction to legends and stories from the Punjab region for children and adults back home in England. Published while India remained under the control of the British Empire, Steel's collection puts a decidedly Western twist on the stories she learned from local women while advocating for education reform. In a village in the Punjab, as the sun sets on an exceedingly hot day, the local people return from the fields to prepare dinner and settle down for the evening. As they await the cooling winds of midnight in order to sleep, outside the villagers gather around a local storyteller. Possessing a wide knowledge of legends, tales, and history, he calmly begins to speak to his gathered audience. *Sir Buzz* is the story of a woman and her son who are left in dire poverty following the death of her husband, a soldier. Although young, the boy dreams of setting out into the world in order to bring something home for his mother. Finding six shillings in the pocket of an old coat, he leaves his home only to run into an injured tigress. Unable to remove a thorn from her paw, she asks the boy for his assistance and offers him a mysterious reward. In *The Rat's Wedding*, a rat takes shelter underground during a steady rainstorm. In his digging, he discovers a root which he takes with him on his journey homeward. Once the rain subsides, looking forward to using the root for himself, he encounters an old man struggling to light a fire with wood soaked through with rain. Exchanging his root for a piece of food, the generous rat continues on his way. *Tales of the Punjab* is a collection of forty-three instructive, humorous, and authentic stories translated by Flora Annie Steel. With a beautifully designed cover and professionally typeset manuscript, this

edition of Flora Annie Steel's *Tales of the Punjab* is a classic of Anglo Indian literature reimagined for modern readers

Tales of the Punjab: Folklore of India Flora Steel, 2019-04-10 *Text and the City* Ai Maeda, 2004-03-25 Maeda Ai was a prominent literary critic and an influential public intellectual in late twentieth century Japan. *Text and the City* is the first book of his work to appear in English. A literary and cultural critic deeply engaged with European critical thought, Maeda was a brilliant insightful theorist of modernity for whom the city was the embodiment of modern life. He conducted a far reaching inquiry into changing conceptions of space, temporality and visual practices as they gave shape to the city and its inhabitants. James A. Fujii has assembled a selection of Maeda's essays that question and explore the contours of Japanese modernity and resonate with the concerns of literary and cultural studies today. Maeda remapped the study of modern Japanese literature and culture in the 1970s and 1980s, helping to generate widespread interest in studying mass culture on the one hand and marginalized sectors of modern Japanese society on the other. These essays reveal the broad range of Maeda's cultural criticism. Among the topics considered are Tokyo utopias, prisons, visual media technologies including panoramas and film, the popular culture of the Edo, Meiji and contemporary periods, maps, women's magazines and women writers. Integrally related to these discussions are Maeda's readings of works of Japanese literature including Matsubara Iwagoro's *In Darkest Tokyo*, Nagai Kafu's *The Fox*, Higuchi Ichiyo's *Growing Up*, Kawabata Yasunari's *The Crimson Gang* of Asakusa and Narushima Ryuhoku's short story *Useless Man*. Illuminating the infinitely rich phenomena of modernity, these essays are full of innovative unexpected connections between cultural productions and urban life between the text and the city.

[Finding Ancient Rome](#) Paula Landart, 2023-03-06 Second edition updated March 2023. Ancient Rome is still with us more than ever. Every year with new metro lines, roadworks, digs, restorations and repairs, new discoveries are made and old errors corrected and new questions raised. This electronic book is intended as both a walking guide to ancient Rome and a resource for the city and the people who left their mark on history. Each of the eight excursions illustrates an aspect of the city from the foundation to the fall and in passing explains the bits of modern Rome whose roots lie in that distant past. These walks are not meant to be a tourist guide of the Rome in 3 days style nor a nutshell guide to the well documented and overrun sites such as the Colosseum and the Forum. Instead they lead through the city itself along paths that have been trod for thousands of years.

Sino-Japanese Reflections Joshua A. Fogel, Matthew Fraleigh, 2022-05-09 Sino

Japanese Reflections offers ten richly detailed case studies that examine various forms of cultural and literary interaction between Japanese and Chinese intellectuals from the late Ming to the early twentieth century. The authors consider efforts by early modern scholars on each side of the Yellow Sea to understand the language and culture of the other, to draw upon received texts and forms and to contribute to shared literary practices. Whereas literary and cultural flow within the Sinosphere is sometimes imagined to be an entirely unidirectional process of textual dissemination from China to the periphery, the contributions to this volume reveal a more complex picture highlighting how literary and cultural engagement was always an opportunity for creative adaptation and negotiation. Examining materials such as Chinese translations of Japanese vernacular poetry, Japanese engagements with Chinese supernatural stories, adaptations of Japanese historical tales into vernacular Chinese Sinitic poetry composed in Japan, and Japanese Sinology, the volume brings together recent work by literary scholars and intellectual historians of multiple generations, all of whom have a strong comparative interest in Sino-Japanese studies.

Tales and Stories by Hans Christian Andersen Hans Christian Andersen, 2011-09-01. Stories that have delighted children and fascinated adults for over a century are the heritage of Hans Christian Andersen. This collection has been selected and translated with the growing audience of adults, both students and general readers, in mind and displays the full range of Andersen's authorship, from parable to science fiction. In this fresh contemporary translation, Rossel and Conroy have endeavored to preserve for the English-speaking audience the engaging duplicity of Andersen's style, the tension of play between his sympathetic conversational tone and his use of the studied effect. This is a tension between the simplicity of stories intended to be read aloud to children and the subtlety of the allegory skillfully woven into each for the adults who would be listening and must have something to think about. As Andersen said, "The introductions provide an overview of Andersen's life and struggle to become an author as well as an analysis of his contributions as an artist and storyteller. Each story has also been provided with an endnote giving publication dates, information about the genesis of the tale, and relevant comments by Andersen and other readers who remember with nostalgia such tales as *The Ugly Duckling* and *The Little Match Girl* may be surprised to find the biting satire in many of the stories such as *The Nightingale* and *The Gardener* and the Lord and Lady, the revealing self-portraits of the author in *The Sweethearts*, *The Butterfly*, and *The Shadow*, the mysticism of *The Story of a Mother*, and *The Bell*, the prophetic quality of *In a Thousand Years Time*, and the complexity and charm of the *Snow Queen*. The book contains the drawings of Vilhelm Pedersen and Lorenz Frølich that originally appeared in the first illustrated Danish editions of Andersen's tales and stories."
