individuals has also at a higher level adversely affected society Without love people are working and performing with reduced energy and at reduced capacity While prior research has been focused on love at the workplace from the viewpoint of psychologists this book explores the impact of love within organizational contexts from various viewpoints including management psychology and philosophy It explores love in the organizational context by looking at how it affects meaning purpose well being motivation faith care spiritual development and how the identity and well being of each person in the organization positively affects retention and the growth and success of that organization It will be of interest to researchers academics and advanced students in the fields of organizational studies leadership and management Pastoral Care Dr. Karen D. Scheib, 2016-02-16 Christian pastoral care is a narrative ecclesial theological practice NET As a narrative practice pastoral care attends to the inseparable interconnection between our own lifestories others stories the larger cultural stories and God s story As a ministry of the church pastoral care is an ecclesial practice that derives its motivation purpose and identity from the larger mission of the church to bear witness to and embody God s mission of love that extends beyond the church for the transformation of the world As a theological practice pastoral care is grounded in God s love story God s profound love for humankind heals our brokenness when human love fails and invites us into an ongoing process of growth in love of God self and neighbor Intended for those who provide care with and on behalf of religious communities author Karen Scheib focuses on listening and restorying practices occurring in the context and setting of congregations By coauthoring narratives that promote healing and growth in love pastoral caregivers become cocreators and companions who help others revise and construct life stories reshaped by the grace of God What Karen Scheib has done in this book is to reposition pastoral care as a theological activity performed in the context of the church She draws deeply upon her Wesleyan theological heritage upon an understanding of life in its fullness as growth in love and grace and upon a communion ecclesiology undergirded by a communal understanding of the Trinitarian life of God Thus grounded she envisions pastoral care first as a rhythm of the life of the whole church and secondarily as a work of trained pastors In her vision pastoral care is rescued from a narrow understanding of it as exceptional acts of intervention performed only in moments of dire crisis Instead it becomes a daily practice of pastoral care an attending in love to the stories of others and a listening for ways God is already present in a life story Solidly theological grounded in the life of the church and eminently teachable Karen Scheib has given us a great gift in this book from the Foreword Thomas G Long Bandy Professor of Preaching Emeritus Candler School of Theology Emory University Atlanta GA In a wonderfully engaging reflective and useful way Karen Scheib captures something absolutely essential to pastoral care and yet often overlooked the utter centrality of storytelling listening the power of stories to heal and their vital connection to bigger stories told within religious communities This book is a real milestone reclaiming the importance of narrative knowing and grounding care not only in community but also within a comprehensive theological framework Bonnie J Miller McLemore E Rhodes and Leona B Carpenter Professor of Religion

NET Karen Scheib's book advances a long awaited and holistic approach to pastoral care Her NET approach presents the embodiment of pastoral care by emphasizing both narrative and paradigmatic knowing proposes the subjectivity of our stories in pastoral care by pointing out the interchangeability between us and our stories as subject and object and underscores the dynamic process of pastoral care through the interconnection of the storyteller listener and context Scheib's image of story companion contributes to the field as a new paradigm of pastoral care and promises to be a significant resource in generating hope and growth in love for both pastoral caregiver and receiver Angella Son Associate Professor Drew University Madison NJ Pastoral theologian Scheib describes a narrative ecclesial and theological approach for listening to people's life stories in such a way as to engender spiritual formation and growth in love Scheib clarifies the connections between caring conversations and Christian theology Clear and accessible prose as well as helpful exercises and discussion starters make this a fine teaching text The Christian Century Sept 29 2016 Expressing Love Through Writing John Hawkins, 2019-02-15 Get All The Support And Guidance You Need To Be A Success At Expressing Your Love Through Writing Is the fact that you would like to communicate through writing but just don't know how making your life difficult maybe even miserable First you are NOT alone It may seem like it sometimes but not knowing how to get started with communicating with writing is far more common than you'd t **Let Your Heart Speak** Jacinta Yang, 2024-11-17 Jacinta Yang is an empath shaped by life's hardships Unspoken truths often weigh heavily making us sick Through mentoring Jacinta reveals the fear that holds our hearts captive straining connections Her teachings inspire Let Your Heart Speak Truth Lies Within In this memoir Jacinta unveils the masks we wear exposing barriers to authenticity The narrative navigates vulnerability teaching you to speak your truth create an atmosphere where truth surpasses fear and foster genuine connection **Cosmology of Love** Laura Smith Biswas, 2022-02-20 Experiencing love in life is the paramount wish for all of us Join in with your loved ones to discover your specific needs so that greater love can flow in your life and to the ones you love It is with grace that author Laura Smith Biswas elucidates many forms of love to allow you to build from small specific steps to a love filled life Her proven discovery process will open your eyes to what you need and what those you love are seeking in return Uncovering the ways that you desire to be loved will allow you to better communicate them and see the actions to foster deeper connection and intimacy In addition the Cosmology of Love will inspire you to lay the foundation for loving yourself more fully The Cosmology of Love is supported by the companion book Affirmations of Love that takes this discovery process further to provide over 400 affirmations for integration and practice of the ways of loving described in this book *Romantic Love in Cultural Contexts* Victor Karandashev, 2016-12-24 This volume presents a conceptual historical anthropological and sociological review of how culture affects our experience and expression of romantic love What is romantic love and how is it

different from and similar to other kinds of love How is romantic love related to sex and marriage in human history and across contemporary cultures What cultural factors mediate attraction in love These are some of the questions the volume explores through its interdisciplinary yet focused lens Much of the current research evidence suggests that love is a universal emotion experienced by a majority of people in various historical eras and in all the world's cultures Yet love displays in different ways because culture has an impact on people's conceptions of love and the ways they feel think and behave in romantic relationships This volume summarizes classical knowledge on love and culture while at the same time focusing sharply on recent studies and cutting edge research that has advanced the field Divided into three parts the volume begins by defining and analyzing the concept of romantic love and interdisciplinary approach to its study in cultural context Part II traces the origin and evolution of romantic love both in various places throughout the world and various time periods throughout history Part III presents the revolutionary expansion of romantic love ideas and practices in the late 20th and early 21st centuries in various parts of the world focusing particularly on the development of romantic love as a cultural ideal of the modern cultures Finally the book concludes by summarizing the major achievements in this field of study and predicts future development A timely and thoughtful addition to the literature Romantic Love in Cultural Contexts delivers thought provoking insights to researchers in relationship scholarship sociology anthropology and cultural studies and all those interested in the universal human concept of love Overall I find Dr Victor Karandashev is an excellent and fine scholar who has a firm grasp of both the fundamental principles of cross cultural research and of anthropology In our increasingly connected world Romantic Love in Cultural Contexts updates and adds to the descriptions and explanations of similarities and differences in romantic love across generations and cultures Romantic love encompasses the life span rather than being a phenomenon largely confined to youthful years The topic of this project concerns the deepest of our sentiments and pervades life from birth to death This book contributes to better knowledge of this phenomenon across generations Flix Neto Professor of Psychology Faculdade de Psicologia e de Ciências da Educação Universidade do Porto Portugal *Expressing Love--Pursuing Truth--Experiencing Beauty* Paul Hatherley, 2011-06-23 Someone once said Life is a mystery and death is forever If you see this is true then you may also see that expressing love pursuing truth and experiencing beauty are timeless keys to making ordinary life internally meaningful We often act as if we believe the cliché that the person who dies with the most toys wins but the truth is that the person who lives with the most meaning dies the most complete and fulfilled In this book you will learn how to build self worth create intimacy define conscious purposes feed internal needs and fulfill internal potentials These are the universal prerequisites to making any human life profoundly satisfying and internally meaningful

The Analogy of Love Gary Chartier, 2015-11-09 This book offers an overview of Christian theology organized around the twin themes of divine and human love The book covers the traditional theological topics as well as basic questions of theological method It seeks to integrate a focus on love throughout While love is regularly canvassed as a dominant theme in

Christian thought it has rarely been the focus of Christian theological construction or a constraint on theological formulation The book seeks to suggest chapter by chapter how a given topic relates to the broad theme of love The book is written in a way designed to make it accessible to university students and educated laypersons At the same time it takes positions on controverted scholarly issues and the methodological approach outlined at the beginning will be of interest to academic theologians The Primacy of Love Ilia Delio, 2022-01-25 In an age of anxiety where reason is deified what is the role of love This short book centralizes love as the core reality of all cosmic life From the cosmological to the theological dimensions of existence love is shown to be the irresistible force of attraction that leads straight into the heart of God The book is divided into three short chapters based on a metaphysics of love we are born out of divine love we exist in love and we are oriented toward the fullness of love In a world of evolutionary convergence and global consciousness love may be the singular ethic that binds us together heals our wounds and draws us into a new unity of planetary life In the My Theology series the world's leading Christian thinkers explain some of the principal tenets of their theological beliefs in concise pocket sized books

The practical works of David Clarkson David Clarkson, 1865 *The Principles of Nature (digitally re-edited)* Andrew Jackson Davis, 2014-05-19 This rare book has been digitally re edited from a facsimile reprint of the original Much care and attention has been spent bringing the book back to its original glory The scanning process always introduces errors but as far as we know we have managed to find the majority and fix them in this edition If you are an Andrew Jackson Davis fan or you are new to the author then this is his masterpiece This work was produced whilst he was under hypnosis and the gems therein come direct from the Fountain of Knowledge Davis was a young uneducated man at the time of producing this book and its contents and style are far beyond anything he could have produced He was a remarkable man as you will find out from the Introduction

The Top Books of the Year Of Love Expressed The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. Of Love Expressed : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Of Love Expressed : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Of Love Expressed : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
