Portraits Of Palestinian Women:

Portraits of Palestinian Women Orayb Aref Najjar, Kitty Warnock, 1992 Fourteen women of diverse background offer an intimate look at life in the occupied territories and Arab society Having begun her interviews in 1984 before the intifada Najjar returned five years later to update the lives of the women and to gain additional perspective Annotation copyrighted by Book News Inc Portland OR *Palestinian Women* Cheryl Rubenberg, 2001 This work provides a case study of the deleterious effects of patriarchy among Palestinians living in rural villages and refugee camps of the West Bank its negative consequences for men as well as women for democratization and for progress toward the creation of a more just society

Palestinian Women and Popular Resistance Liyana Kayali, 2020-11-09 This book explores Palestinian women's views of popular resistance in the West Bank and examines factors shaping the nature and extent of their involvement Despite the signing of the Oslo peace accords in 1993 and 1995 the Occupied Palestinian Territories in the contemporary period have experienced tightened Israeli occupational control and worsening political humanitarian security and economic conditions Based on ethnographic fieldwork conducted with women in the West Bank this book looks at how Palestinian women in the post Oslo period perceive negotiate and enact resistance It demonstrates that far from being apathetic as some observers have charged Palestinian women remain deeply committed to the goals of national liberation and wish to contribute to an effective popular resistance movement Yet many Palestinian women feel alienated from prevailing forms of collective popular resistance in the OPT due to the low levels of legitimacy they accord them This alienation has been made stark by the gendered and intersecting impacts of expanding settler colonialism tightening spatial control a professionalised and depoliticised civil society reinforced patriarchal constraints Israeli and Palestinian Authority PA repression and violence and a deteriorating economy all of which have raised the barriers Palestinian women face to active participation Undertaking a gendered analysis of conflict and resistance this volume highlights significant changes over the course of a long running resistance movement Readers interested in gender and women's studies the Arab Israel conflict and Middle East politics will find the study beneficial *Women and the Israeli Occupation* Tamar Mayer, 2003-09-02 The state of Israel and the Palestinian nation are at a monumental juncture in their histories Both have a chance to claim a new future but more than a quarter of a century of occupation has had significant social political economic cultural psychological and moral ramifications for Israeli and Palestinian men and women *Women and the Israeli Occupation* analyses the impact of the occupier occupied dichotomy on the lives of Palestinian Israeli Palestinian and Israeli Jewish women The book argues that the Occupation has exposed internal conflicts challenging social structures within all three societies but has also reinforced existing loyalties as Palestinian and Jewish women have moved into public political action and worked together to end the Occupation It suggests that although military occupation is not colonialism there are many similarities in the Israeli Palestinian case **Daughters of Palestine** Amal Kavar, 1996-01-01 Based on interviews with 35 women leaders this is the first study of women's

involvement in the Palestinian National Movement from the revolution in the mid 1960s to the Palestinian Israeli peace process in the 1990s *Historical Companion to Postcolonial Literatures in English* Prem Poddar,2019-08-07 This is the first reference guide to the political cultural and economic histories that form the subject matter of postcolonial literatures written in English The focus of the Companion is principally on the histories of postcolonial literatures in the Anglophone world Africa the Middle East South Asia South east Asia Australia and New Zealand the Pacific the Caribbean and Canada There are also long entries discussing the literatures and histories of those further areas that have also claimed the title postcolonial notably Britain East Asia Ireland Latin America and the United States The Companion contains 220 entries written by 150 acknowledged scholars of postcolonial history and literature covers major events ideas movements and figures in postcolonial histories long regional survey essays on historiography and women s histories Each entry provides a summary of the historical event or topic and bibliographies of postcolonial literary works and histories Extensive cross references and indexes enable readers to locate particular literary texts in their relevant historical contexts as well as to discover related literary texts and histories in other regions with ease *Resistance, Repression, and Gender Politics in Occupied Palestine and Jordan* Frances S. Hasso,2020-12-22 Open access no commercial reuse **The Women and War Reader** Lois Ann Lorentzen,Jennifer E. Turpin,1998-07 Women play many roles during wartime This compelling study brings together the work of foremost scholars on women and war to address questions of ethnicity women and the war complex peacemaking motherhood and more It leaves behind outdated arguments about militarist men and pacifist women while still recognizing differences in men s and women s relationships to war *Discourse and Palestine* Annelies Moors,1995

Women's Political Activism in Palestine Sophie Richter-Devroe,2018-09-19 During the last twenty years Palestinian women have practiced creative and often informal everyday forms of political activism Sophie Richter Devroe reflects on their struggles to bring about social and political change Richter Devroe s ethnographic approach draws from revealing in depth interviews and participant observation in Palestine The result a forceful critique of mainstream conflict resolution methods and the failed woman to woman peacebuilding projects so lauded around the world The liberal faith in dialogue as core of the political and the assumption that women s nurturing nature makes them superior peacemakers collapse in the face of past and ongoing Israeli state violences Instead women confront Israeli settler colonialism directly and indirectly in their popular and everyday acts of resistance Richter Devroe s analysis zooms in on the intricate dynamics of daily life in Palestine tracing the emergent politics that women articulate and practice there In shedding light on contemporary gendered politics from below in the region the book invites a rethinking of the workings shapes and boundaries of the political

Palestinian Women and Politics in Israel Suheir Abu Oksa Daoud,2009 Suheir Abu Oksa Daoud examines the various factors that have created this culture of political oppression She relies on both feminist theory and theories of colonial domination as well as conclusions drawn from personal interviews with female activists Utilizing Arabic English and Hebrew

sources she also makes careful distinctions between the lives and experiences of Christian Muslim Bedouin and Druze women

Camera Palaestina Issam Nassar, Stephen Sheehi, Salim Tamari, 2022-08-09 A free open access ebook is available upon publication Learn more at www.luminosoa.org Camera Palaestina is a critical exploration of Jerusalemite chronicler Wasif Jawhariyyeh 1904 1972 and his seven photography albums entitled The Illustrated History of Palestine Jawhariyyeh's nine hundred images narrate the rich cultural and political milieu of Ottoman and Mandate Palestine Nassar Sheehi and Tamari locate this archive at the juncture between the history of photography in the Arab world and the social history of Palestine Shedding new light on this foundational period the authors explore not just major historical events and the development of an urban bourgeois lifestyle but a social field of vision of Palestinian life as exemplified in the Jerusalem community Tracking the interplay between photographic images the authors offer evidence of the unbroken field of material historical and collective experience from the living past to the living present of Arab Palestine

Historical Dictionary of Women in the Middle East and North Africa Ghada Talhami, 2013 The overriding theme of this work is that women's struggles human rights myths and literary expression are indispensable to an understanding of the modern culture and socio-political development of the Middle East region The work demonstrates that no aspect of Middle Eastern history and modern evolution was shaped in isolation of women's lives and contributions to society The dictionary covers the biographies and written work of prominent historical female figures in the Middle East and North Africa as well as 20th century feminists both male and female who advanced women's rights over many years The Historical Dictionary of Women in the Middle East and North Africa includes a chronology an introductory essay an extensive bibliography and a dictionary section that has over 400 cross-referenced entries on various aspects of Middle Eastern feminism and culture touching upon religious themes such as Sharia laws Islamic marriage divorce and inheritance practices This book is an excellent access point for students researchers and anyone wanting to know more about the culture and history of women in the Middle East and North Africa

Language and Identity in the Israel-Palestine Conflict Camelia Suleiman, 2011-09-30 The conflict between Israel and Palestine is and remains to be one of the most widely and passionately debated issues in the Middle East and in the field of international politics An important part of this conflict is the dimension of self-perception of both Israelis and Palestinians caught up in its midst Here Camelia Suleiman using her background in linguistic analysis examines the interplay of language and identity feminism and nationalism and how the concepts of spatial and temporal boundaries affect self-perception She does this through interviews with peace activists from a variety of backgrounds Palestinians with Israeli citizenship Jewish Israelis as well as Palestinians from Ramallah officially holders of Jordanian passports By emphasizing the importance of these levels of official identity Suleiman explores how self-perception is influenced negotiated and manifested and how place of birth and residence play a major role in this conflict This book therefore holds vital first-hand analysis of the conflict and its impact upon both Israelis and Palestinians making it crucial for anyone involved in Middle East Studies Conflict Studies
