

## PORTUGUESE COLONIAL WAR (1961-74)

# Portugals African Wars

**Matthew M Hurley, José Matos**

## **Portugals African Wars:**

*Portugal's African Wars* Arslan Humbaraci, Nicole Muchnik, 1974      **Portugal's African Wars** Arslan Humbaraci, Nicole Muchnik, 1974      The Portuguese Colonial War and the African Liberation Struggles Miguel Cardina, 2023-09-14 The Portuguese Colonial War and the African Liberation Struggles Memory Politics and Uses of the Past presents a critical and comparative analysis on the memory of the colonial and liberation wars that led to a regime change in Portugal and to the independence of five new African countries Angola Mozambique Guinea Bissau Cape Verde and S o Tom and Pr ncipe Covering more than six decades and based on original archival research and critical analysis of sources and interviews the book offers the first plural account of the public memorialisation of this contested past in Portugal and in former colonised territories in Africa focussing on diachronic and synchronic processes of mnemonic production This innovative exercise highlights the changing and crossed nature of political memories and social representations through time emphasizing three modes of mnemonic intersections the intersection of distinct historical times the intersection between multiple products and practices of memory and the intersection connecting the different countries and national histories The Portuguese Colonial War and the African Liberation Struggles Memory Politics and Uses of the Past a major output of the research developed by CROME Crossed Memories Politics of Silence a project funded by a Starting Grant 715593 from the European Research Council ERC The book advances current knowledge on Portugal and Lusophone Africa and deepens ongoing conceptual and epistemological discussions regarding the relationship between social and individual memories the dialectics between memory power and silence and the uses and representations of the past in postcolonial states and societies The Open Access version of this book available at [www.taylorfrancis.com](http://www.taylorfrancis.com) has been made available under a Creative Commons Attribution NonCommercial No Derivatives CC BY NC ND 4 0 license      *Portugal's Bush War in Mozambique* Al J. Venter, 2022-05-19 A new account of how Portugal fought a bush war in Mozambique for over a decade Portugal fought a bush war in Mozambique one of the most beautiful countries in the world for over a decade The small European nation was ranged against formidable odds and in the end was unable to muster the resources required to effectively take on the might of the Soviet Union and its collaborators every single communist country on the planet and almost all of Black Africa Yet Al Venter argues Portugal did not actually lose the war and indeed fought in difficult terrain with a good degree of success over an extended period It was radical domestic politics that heralded the end Mozambique is once again embroiled in a guerrilla war this time against a large force of Islamic militants many from Somalia and some Arab countries and unequivocally backed by Islamic State and the lessons of Mozambique s bush war are still relevant today      **Portugal's African wars** Neil Bruce, 1900\*      *A Military History of the Cold War, 1944-1962* Jonathan M. House, 2014-04-28 The Cold War did not culminate in World War III as so many in the 1950s and 1960s feared yet it spawned a host of military engagements that affected millions of lives This book is the first comprehensive multinational overview of military affairs during the early Cold War beginning with conflicts during

World War II in Warsaw Athens and Saigon and ending with the Cuban Missile Crisis A major theme of this account is the relationship between government policy and military preparedness and strategy Author Jonathan M House tells of generals engaging in policy confrontations with their governments political leaders among them Anthony Eden Nikita Khrushchev and John F Kennedy many of whom made military decisions that hamstrung their own political goals In the pressure cooker atmosphere of atomic preparedness politicians as well as soldiers seemed instinctively to prefer military solutions to political problems And national security policies had military implications that took on a life of their own The invasion of South Korea convinced European policy makers that effective deterrence and containment required building up and maintaining credible forces Desire to strengthen the North Atlantic alliance militarily accelerated the rearmament of West Germany and the drive for its sovereignty In addition to examining the major confrontations nuclear and conventional between Washington Moscow and Beijing including the crises over Berlin and Formosa House traces often overlooked military operations against the insurgencies of the era such as French efforts in Indochina and Algeria and British struggles in Malaya Kenya Cyprus and Aden Now more than fifty years after the events House describes understanding the origins and trajectory of the Cold War is as important as ever By the late 1950s the United States had sent forces to Vietnam and the Middle East setting the stage for future conflicts in both regions House s account of the complex relationship between diplomacy and military action directly relates to the insurgencies counterinsurgencies and confrontations that now occupy our attention across the globe **The A**

**to Z of Civil Wars in Africa** Guy Arnold, 2009-09-02 Ever since the end of World War II and even more so since 1960 when 17 African colonies became independent of colonial rule the African continent has been ravaged by a series of wars These wars have ranged from liberation struggles against former colonial powers to power struggles between different factions in the aftermath of independence They have ranged from border wars between newly independent states to civil wars between ethnic groups As with many conflicts outside forces were drawn into these wars and major powers outside the continent intervened on one side or the other for a variety of reasons political ideology Cold War considerations ethnic alignments and stemming the flow of violence Whether referring to Algeria s struggle for independence from French colonial rule Nigeria s internal struggles to achieve a balanced state after the British departure the Rwandan genocide of 1994 or the current ethnic cleansing in Darfur **The A to Z of Civil Wars in Africa** covers all of the wars that have occurred in Africa since independence This is done through a chronology broken down by country an introductory essay a bibliography and cross referenced dictionary entries covering the wars conflicts major political and military figures child soldiers mercenaries and blood diamonds *Modern African Wars (2)* Peter Abbott, 2011-03-15 Portugal was both the first and the last of the huge European colonial powers For 500 years Portugal had colonies in Africa In 1960 as liberation movements swept across colonial Africa the Portuguese flag still flew over vast expanses of territory across the continent The spread of decolonization and the establishment of independent states whose governments were sympathetic to the cause of African nationalism led in

the early 1960s to a series of wars in Angola, Guinea and Mozambique. This book details each of these liberation movements focusing on the equipment, uniforms and organization of the Portuguese forces. **The A to Z of Civil Wars in Africa** Guy Arnold, 2009-09-02. The A to Z of Civil Wars in Africa covers all of the wars that have occurred in Africa since independence. This is done through a chronology broken down by country, an introductory essay, a bibliography and cross-referenced dictionary entries covering the wars, conflicts, major [Sanctuary Lost: Portugal's Air War for Guinea 1961-1974](#) Matthew M Hurley, José Matos, 2023-11-14. From 1963 to 1974, Portugal and its nationalist enemies fought an increasingly intense war for the independence of Portuguese Guinea, then a colony but now the Republic of Guinea-Bissau. For most of the conflict, Portugal enjoyed virtually unchallenged air supremacy and increasingly based its military strategy and political pacification program on this singular advantage. The Portuguese Air Force, for a *Força Aérea Portuguesa* abbreviated FAP, consequently played a crucial role in the Guinean war. Indeed, throughout the conflict, the FAP, despite the many challenges it faced, proved to be the most effective and responsive military argument against the PAIGC rebels, which was fighting for the colony's independence from European rule. The air war for Guinea stands as a remarkable episode in air power history for several reasons. It was, for example, the first conflict in which a non-state irregular force deployed defensive missiles against an organized air force. Moreover, the degree to which Portugal relied on its air power was such that its effective neutralization doomed Lisbon's military strategy in the province. Ultimately, the FAP's unexpected combat losses initiated a cascade of effects that degraded in turn its own operational initiative, the battlefield effectiveness of increasingly air-dependent ground forces, Portuguese military morale and national resilience, and ultimately Lisbon's tenability as an imperial power. The air war for Portuguese Guinea thus represents a compelling illustration of the value and vulnerabilities of air power in a counterinsurgency context, as well as the negative impacts of overreliance on air supremacy. This is the second of three volumes in the *Sanctuary Lost* mini-series. It examines the evolution of Portuguese air power and guerrilla air defenses during the conflict's most active years, as both sides sought the means and methods required to counter the other's efforts to control Guinea's airspace. It is richly illustrated throughout with original photographs and includes specially commissioned color artworks. [African Armies](#) Bruce E. Arlinghaus, 2019-03-04. African armies have undergone significant changes since African nations won independence from colonial rule. Once mainly small constabulary forces relegated to the maintenance of internal order, these armies have become larger, more modern institutions, largely in response to growing external security threats. Previous analyses have focused on African military units as political actors, with little or no attention paid to their actual abilities and desires to perform defense functions. This study examines the evolution of African armed forces, their impact on the societies in which they operate, and their current capabilities, with special attention to their effectiveness as military institutions. [Portugal Country Study Guide Volume 1 Strategic Information and Developments](#) IBP USA, 2012-03-03. Portugal Country Study Guide Strategic Information and Developments Volume 1 Strategic Information and Developments *Stories of the Most*

*Dangerous Wars in Human History* Hseham Amrahs, 2024-01-07 One of the key themes of this book is the evolution of warfare As technology advanced so did the nature of warfare From swords and shields to tanks and fighter jets each era has seen significant advancements in weapons and military technology The book explores how these advancements changed the way wars were fought and how they impacted the outcome of battles Another important theme is the political and social ramifications of war Many wars have had far reaching consequences that have affected the course of history long after the battles were fought The book examines how wars have shaped societies and economies and how they have influenced international relations and diplomacy It is worth noting that the book does not glorify war nor does it seek to justify or excuse acts of violence Instead it aims to provide an objective and informative account of the most dangerous wars in history By examining the causes and consequences of these conflicts we can gain a better understanding of the human condition and how we interact with one another

**The Last of Africa's Cold War Conflicts** Al J. Venter, 2020-05-30 This detailed combat history sheds light on the significant yet overlooked guerilla campaigns in what would become Angola and Guinea Bissau Portugal was the first European country to colonize Africa It was also the last to leave almost five centuries later During what Lisbon called its civilizing mission the Portuguese weathered numerous insurrections but none as severe as the guerrilla war first launched in Angola in 1961 and two years later in Portuguese Guinea Both the Soviets and the Cubans believed that because the tiny colony of Guinea had no resources Lisbon would soon capitulate But the 11 year struggle became the empire's most strenuous attempt to retain colonial power Though it was overshadowed by the conflict in Vietnam the Soviet led guerrilla campaign in Portuguese Guinea set the scene for the wars that followed in Rhodesia and present day Namibia

Managing African Portugal Kesha Fikes, 2009-11-17 An ethnography of immigrant women from Cape Verde a former Portuguese African colony that studies the effects of Portugal's integration into the EU on immigrant labor and social relations in Lisbon

**The Portuguese at War** Nuno Severiano Teixeira, 2019-05-28 From war campaigns to peacekeeping operations *The Portuguese at War* presents an overview of the conflicts wars and revolutions in which Portugal was involved from the nineteenth century to the present day From the French invasions to the civil wars from the African Empire to the wars of decolonisation from belligerence in the First World War to neutrality in the Second from participation in the Atlantic Alliance to peacekeeping operations in Kosovo East Timor Lebanon and Afghanistan The book addresses the military interventions in politics and the role of the country's political regimes in military reform from the Liberal Revolutions to the Republic from the military dictatorship and authoritarian regime to the 25th of April Revolution and the transition to democracy The historical record of Portugal's war involvement is not only closely aligned to international and European circumstance but to internal factors the economy society public opinion and political military power A historical perspective must of necessity link Portuguese war excursions with the military institutions in place at the time their recruitment system social composition and organisation of the army navy and air force the military ethos the evolution of equipment weapons

and military technologies strategic military doctrine and how this impacted on tactics and military operations and of course the war outcomes Special attention is given to the effects of international isolation after the Estado Novo and post Cold War europeanisation The book does not eschew the plurality of interpretative theories Rather it seeks to combine historical accuracy of the Portuguese at war within a highly readable literary narrative aimed not only at undergraduate and research levels but at a broader public audience interested in the complex reach and role of Portugal in world history

**Portugal's African wars, etc** Arslan HUMBARACI (and MUCHNIK (Nicole)),Nicole Muchnik,1974

**West Germany and the Portuguese Dictatorship, 1968-1974** R. Lopes,2014-10-28 West Germany and the Portuguese Dictatorship 1968 1974 examines West Germany s ambiguous policy towards the Portuguese dictatorship of Marcelo Caetano Lopes sheds new light on the social economic military and diplomatic dimensions of the awkward relationship between the Federal Republic of Germany and the Caetano regime

*Angola* S. Weigert,2011-10-24 This study is the first comprehensive assessment of warfare in Angola to cover all three phases of the nation s modern history the anti colonial struggle the Cold War phase and the post Cold War era It also covers in detail the final phase of warfare in Angola culminating in Jonas Savimbi s death and the signing of the Luena Accord

Most Dangerous Wars in World History Yknip Ahsi,2025-02-01 Most Dangerous Wars in World History explores the deadliest and most consequential wars that have shaped human civilization Covering conflicts from ancient battles to modern wars it examines military strategies technological advancements and their political social and economic repercussions Without glorifying war the book provides an objective analysis of warfare s impact on history emphasizing the importance of learning from the past to strive for a more peaceful future
