Early AAs studied the Bible took their basic recovery ideas from the Bible and stressed reading it They called it the Good Book The Good Book was read at the beginning of almost every pioneer meeting It was read at the Quiet Times held each morning at the home of Dr Bob and Anne Smith for AAs and their families It was the subject of almost every book article and devotional they used in their own Quiet Times Bill W later wrote Rev Sam Shoemaker that he would like to see Bible study groups of AAs studying the Word in church basements Well and good We know early AAs did study Jesus Sermon on the Mount Matthew 5 to 7 1 Corinthians 13 the Book of James Psalms 23 and 91 and many other verses and chapters cited in the Christian literature they circulated But what precisely did they study and borrow Where do you begin today if you wish to adopt their highly successful practice Just which portions will bring the power peace joy liberty forgiveness healing and deliverance from alcoholism and their other problems that early AAs sought and achieved in relying on their Creator How do you begin if you are in A A or another 12 Step program and want to understand the program by using the Good Book in the way A A s founders and pioneers did Author Dick B has spent 21 years researching the biblical roots and sources of early A A s program He has published 42 titles on the subject And four of his recent titles are specifically devoted to and useful for Good Book study and Good Book groups in recovery programs such as A A Al Anon and the many other 12 Step groups The four books including this very title are 1 The Good Book and The Big Book A A s Roots in the Bible 2 Good Morning Quiet Time Morning Watch Meditation and Early A A 3 By the Power of God A Guide to Early A A Groups 4 Why Early A A Succeeded The Good Book in Alcoholics Anonymous Yesterday and Today A Bible Study Primer for AAs and other 12 Steppers We recommend you obtain and use all four as a set This particular title has the much requested much needed and highly useful guides for AAs and other self help people in today s recovery arena The power and deliverance and love of the Creator are available today They have simply been obscured by New Age language on spirituality higher powers any god and just plain idols that abound in today s room talk and literature There are plenty of books on Bible study There is none that addresses early A A s own endorsements of Bible study its own approach to the Good Book and the particular release from prisons that AAs and others need and can find in the Bible itself This is a how to book It doesn t tell you what to believe how to believe or what to join It does tell you how to read the Bible understand early A A ideas and victories founded on the Bible and put the whole deliverance picture together for yourself The set of four books will point up four different areas of need and the solutions First what is the evidence in A A of Bible ideas and language The Good Book and The Big Book Second what is the meaning of real meditation and Quiet Time as they were practiced Good Morning Third how did they and can you today accomplish coordinating recovery ideas with God s own ideas in groups By the Power of God Finally in this title just what can you look for and use in the Bible now Why Early A A Succeeded Treat yourself to the facts You will no longer find them in Twelve Step Recovery or Therapy writings Yet they were the heart of early A A s Program and successes      **Grasping God's**

Pinkham, 2019-07-26 One God or one with several forms Or maybe two three or perhaps many separate Gods If you seriously study all the Christian religions you will find that each of these possibilities is claimed That is one trouble with the Trinity there are just too many possibilities Which if any is right Which view does the Bible support And if it supports one view how strongly and in exactly what way The Trouble with the Trinity attempts to study every verse in God's Word that links a name for one or more members of the Godhead with a nearby word or concept for God Nearly a thousand verses meet this condition Collating them into logical categories reveals the eight and only eight possible ways and combinations that could help us understand that the Father Son and Holy Spirit is Three in One Moreover when the verses in each of these eight ways are further organized they provide deep insights into the nature of God And when the eight ways are woven together they reveal a startling symbol with relevance to Judaism Christianity Islam geometry and our neural network Furthermore these insights are reinforced through the symbolism of the colors used in the tabernacle when these colors are properly applied to the eight parts of the symbol The book incorporates mathematics and science especially the biological sciences written with plain language into the discussions of the Trinity Some of the proposed connections have never been posited elsewhere It also considers other

symbols and icons of the Trinity for their ability to reflect aspects of the Triune Godhead The Trouble with the Trinity is not written for the theologian although it includes a section that presents a theological discussion of the Trinity Rather it is written for those who are curious about or confused by the Trinity For more information and to view Images About the book Appendixes and more as well as contact information please go to <https://www.thetwtt.com> You can also visit the author's Facebook page <https://www.facebook.com/TTWTTrinity> view\_public\_for 100820838002256 **Unbroken Cord** D. H.

Withers, 2016-08-23 Integrating Bible stories that stretch across the centuries from each other along with a background of secular history and current events Unbroken Cord uncovers the link that ties them all together This book is what many believers have been looking for an easily understood synthesis between Old and New Testaments past and present Combining a tourist's enthusiasm for exploration along with a love for detail and scripture the author provides information that includes today's news ancient prophecy and a good bit of backstory Each of the twelve chapters is written with the goal of distilling its specific topic into an explanation that makes sense to the average person Even if the reader lacks background regarding Biblical History or the current geopolitical situation subjects that have previously seemed overly complicated or fuzzy begin to fall into place Since most everyone has fallen through the scholastic cracks at some point each chapter is presented as an opportunity for some much needed catch up information The book is a personal tutoring session and survey approach to understanding Israel's place within the context of a modern Christian worldview It turns out that the Bible is full of mystery Unbroken Cord unlocks secrets about God's Calendar fleshes out origins of the Middle East conflict examines prophecies concerning Israel's future population boom and explores Jerusalem from her distant past and into the age to come

**Living Prayer** Richard L. Bowman, 2019-11-04 When do Christians pray Do we only pray at our daily devotional times or when the Lord's prayer is recited at a public event or in a worship litany Many of us are acquainted with emergency prayer when an accident or heart attack involves one of our close relatives At such times we often do not trust our own relationship with God enough so we anxiously await the arrival of a minister at the hospital bedside for real prayer to happen Is Christian prayer only an activity we practice in such ways or is it more than that Richard Bowman in this Bible study and devotional guide shows clearly that Jesus and New Testament church leaders taught living prayer as a way of life Each of the twenty-five chapters includes a biblical text some reflections on the text and an easily carried out assignment that leads readers into deeper conversations with the Spirit of God abiding in each of Christ's disciples
