

Quintessence

- Quintessence is another theory for dark energy that involves a dynamic, time-evolving and spatially dependent form of energy.
- It makes slightly different predictions for the acceleration
- It's name refers to a "fifth essence" or force

Quintessence Of Satrism

George Bernard Shaw

Quintessence Of Satirism:

Grotesque Anatomies David Musgrave, 2014-10-16 *Grotesque Anatomies* is a study of Menippean satire in English since the Renaissance. It consists of revisionist close readings of canonical works such as Eliot's *The Waste Land* and Pope's *Dunciad* among others and investigates how identifying them as Menippean satires changes our understanding of them. The initial chapter offers a comprehensive account of the form from antiquity to the present day, identifying its bifurcated development in the shorter form Seneca, Lucian, Julian and the longer more encyclopedic form Varro, Petronius, Boethius and their subsequent fusion during the Renaissance. It also contains an account of the critical reception of the genre with the term Menippean satire first being used by Justus Lipsius in 1581. Finally, Menippean satire is described as a literary version of the grotesque and a brief theory of the grotesque in the modern period as radical heterogeneity is outlined. This is also the foundation of a new definition of Menippean satire drawing on previous definitions by Frye, Bakhtin and Kirk and revising them for the modern period. The following chapters examine iconic works as examples of Menippean satire and of the grotesque. Chapter 2 offers an overview of the nose in Menippean satire and comic literature generally and reads Rushdie's *Midnight's Children* in this context. It also gives an account of metaphor as a grotesque transformation. Chapter 3 examines the figure of the stomach in Menippean satire and symposiastic literature and reads Peacock's *Gryll Grange* in this context. The link between the stomach as a figure of thinking in comic literature is the basis for an account of symbolic structuring as grotesque association. Chapter 4 is a close reading of the scatological imagery of Pope's *Dunciad* and how scatology generally tends towards a cyclical metaphysics. It also relates changes in print technology and copyright laws to the reticular scatological structure of the *Dunciad*. Chapter 5 argues for Eliot's *The Waste Land* as a Menippean satire focusing on the rhetorical figure of the enthymeme as a missing premise as an example of undermindedness and as an ironic aspect of the fragmentation typical of late Romantic Menippean satires. Chapter 6 examines Urquhart's eccentric *The Jewel* as a satire on the referential function of language, reading it in the context of projections for a universal language from this period. The final chapter identifies some key works by Derrida and Barthes as Menippean satires, noting the resurgence of the form in some postmodern and deconstructive writing.

An Unsocial Socialist (A Political Satire) - Complete Edition George Bernard Shaw, 2017-07-31 This carefully crafted ebook *An Unsocial Socialist: A Political Satire Complete Edition* is formatted for your eReader with a functional and detailed table of contents. *An Unsocial Socialist* Shaw's last written novel was published in 1887 having been written in 1883. The tale begins with a humorous description of student antics at a girl's school then changes focus to a seemingly uncouth labourer who it soon develops is really a wealthy gentleman in hiding from his overly affectionate wife. Tinged with self-satirical overtones, this novel shows both the positive and negative aspects of Socialism in a comically paradoxical manner. George Bernard Shaw 1856-1950 was an Irish playwright, essayist, novelist and short story writer and wrote more than 60 plays. He is the only person to have been awarded both a Nobel Prize in Literature

1925 and an Academy Award 1938 Excerpt I am expected to be something more than mortal Everyone else is encouraged to complain and to be weak and silly But I must have no feeling I must be always in the right Everyone else may be homesick or huffed or in low spirits I must have no nerves and must keep others laughing all day long Table of Contents Biography George Bernard Shaw by G K Chesterton An Unsocial Socialist **Satire in an Age of Realism** Aaron Matz,2010-07-15 As nineteenth century realism became more and more intrepid in its pursuit of describing and depicting everyday life it blurred irrevocably into the caustic and severe mode of literature better named satire Realism s task of portraying the human became indistinguishable from satire s directive to castigate the human Introducing an entirely new way of thinking about realism and the Victorian novel Aaron Matz refers to the fusion of realism and satire as satirical realism it is a mode in which our shared folly and error are so entrenched in everyday life and so unchanging that they need no embellishment when rendered in fiction Focusing on the novels of Eliot Hardy Gissing and Conrad and the theater of Ibsen Matz argues that it was the transformation of Victorian realism into satire that granted it immense moral authority but that led ultimately to its demise *The Mirror of Laughter* Alexander Kozintsev,2017-07-12 The Mirror of Laughter presents a theory of humor and laughter by examining their relationship to human behaviors Kozintsev is especially interested in the relationship between biological and cultural factors that influence behaviors He divides his work into four chapters the first of which establishes a theme of the book focusing on the study of meaning from the perspective of philosophy and psychology while examining linguistic theories of humor The second chapter examines biological data regarding laughter and the evolutionary origins of laughter and humor It demonstrates the author s interest in studying humor objectively by detailing physiological reactions and underlying psychological issues The third section on play including linguistic play distinguishes between orderly and disorderly play While orderly play has no biological roots and is synonymous with culture disorderly play is rooted in the pre human past The final chapter discusses the conflict between culture and nature and how culture has transformed the original semantics of laughter Kozintsev seeks to understand the relationship between the biological cultural and social origins of humor and from here he seeks to create new understanding that only the alliance of several disciplines could provide All of this is done while the author challenges many popular ideas of humor such as that humor is inherently related to hostility Originally written in Russian this work makes great strides towards its goal and it does so in an interesting and enlightening way **Jonson, the Poetomachia, and the Reformation of Renaissance Satire** Jay Simons,2018-05-16 Does satire have the ability to effect social reform If so what satiric style is most effective in bringing about reform This book explores how Renaissance poet and playwright Ben Jonson negotiated contemporary pressures to forge a satiric persona and style uniquely his own These pressures were especially intense while Jonson was engaged in the Poetomachia or Poets War 1598 1601 which pitted him against rival writers John Marston and Thomas Dekker As a struggle between satiric styles this conflict poses compelling questions about the nature and potential of satire during the Renaissance In particular this book explores

how Jonson forged a moderate Horatian satiric style he championed as capable of effective social reform As part of his distinctive model Jonson turned to the metaphor of purging in opposition to the metaphors of stinging barking biting and whipping employed by his Juvenalian rivals By integrating this conception of satire into his Horatian poetics Jonson sought to avoid the pitfalls of the aggressive violent style of his rivals while still effectively critiquing vice upholding his model as a means for the reformation not only of society but of satire itself **British Satire, 1785-1840, Volume 4** John

Strachan, Steven E Jones, 2020-04-28 This set offers a representative collection of the verse satire of the Romantic period published between the mid 1780s and the mid 1830s As well as two single author volumes from William Gifford and Thomas Moore there is also a wealth of rare unedited material **Poetry Review** Stephen Phillips, Galloway Kyle, 1914 **The**

Cambridge Companion to Roman Satire Kirk Freudenburg, 2005-05-12 Satire as a distinct genre of writing was first developed by the Romans in the second century BCE Regarded by them as uniquely their own satire held a special place in the Roman imagination as the one genre that could address the problems of city life from the perspective of a real Roman In this Cambridge Companion an international team of scholars provides a stimulating introduction to Roman satire s core practitioners and practices placing them within the contexts of Greco Roman literary and political history Besides addressing basic questions of authors content and form the volume looks to the question of what satire does within the world of Greco Roman social exchanges and goes on to treat the genre s further development reception and translation in Elizabethan England and beyond Included are studies of the prosimetric Menippean satires that would become the models of Rabelais Erasmus More and narrative satire s crowning jewel Swift **The Oxford Handbook of Eighteenth-Century Satire**

Paddy Bullard, 2019-07-30 Eighteenth century Britain thought of itself as a polite sentimental enlightened place but often its literature belied this self image This was an age of satire and the century s novels poems plays and prints resound with mockery and laughter with cruelty and wit The street level invective of Grub Street pamphleteers is full of satire and the same accents of raillery echo through the high scepticism of the period s philosophers and poets many of whom were part time pamphleteers themselves The novel a genre that emerged during the eighteenth century was from the beginning shot through with satirical colours borrowed from popular romances and scandal sheets This Handbook is a guide to the different kinds of satire written in English during the long eighteenth century It focuses on texts that appeared between the restoration of the Stuart monarchy in 1660 and the outbreak of the French Revolution in 1789 Outlier chapters extend the story back to the first decade of the seventeenth century and forward to the second decade of the nineteenth The scope of the volume is not confined by genre however So prevalent was the satirical mode in writing of the age that this book serves as a broad and characteristic survey of its literature The Oxford Handbook of Eighteenth Century Satire reflects developments in historical criticism of eighteenth century writing over the last two decades and provides a forum in which the widening diversity of literary intellectual and socio historical approaches to the period s texts can come together

Extremity of Satire. Cut from Catholic World, Feb. 1886. [91]. R. M. Johnston, 1886 The Modern Feminine in the Medusa Satire of Fanny Fern James E. Caron, 2024-01-02 The Modern Feminine in the Medusa Satire of Fanny Fern argues that Sara Parton and her literary alter ego Fanny Fern occupy a star power position within the antebellum literary marketplace dominated by women authors of sentimental fiction writers Nathaniel Hawthorne in famously called the damn mob of scribbling women The Fanny Fern persona represents a nineteenth century woman voicing the modern feminine within a laughter provoking bourgeois carnival a forerunner of Hélène Cixous's laughing Medusa figure and her theory about critique of feminine By advancing an innovative theory about an Anglo American aesthetic comic belles lettres Caron explains the comic nuances of Parton's persona capable of both an amiable and a caustic satire The book traces Parton's burgeoning celebrity analyzes her satires on cultural expectations of gendered behavior and provides a close look at her variegated comic style The book then makes two first order conclusions Parton not only offers a unique profile for antebellum women comic writers but her Fanny Fern persona also anchors a potential genealogy of women comic writers and activists down to the present day who could fit Kate Clinton's concept of fumerism a feminist style of humor that fumes that embraces the comic power of a Medusa satire **Money and Materiality in the Golden Age of Graphic Satire** Amanda Lahikainen, 2022-08-12 This book examines the entwined and simultaneous rise of graphic satire and cultures of paper money in late eighteenth and early nineteenth century Britain Asking how Britons learned to value both graphic art and money the book makes surprising connections between two types of engraved images that grew in popularity and influence during this time Graphic satire grew in visual risk taking while paper money became a more standard carrier of financial value courting controversy as a medium moral problem and factor in inflation Through analysis of satirical prints as well as case studies of monetary satires beyond London this book demonstrates several key ways that cultures attach value to printed paper accepting it as social reality and institutional fact Thus satirical banknotes were objects that broke down the distinction between paper money and graphic satire altogether **The Pasquinade. [A Satire, in Verse.] With Notes Variorum. [By W. Kenrick.]** ,1753 *May Fair. [A Satire.] New Edition. [By George Croly? Or Henry Luttrell?]* ,1827 *Satire, Fantasy and Writings on the Supernatural by Daniel Defoe, Part II vol 7* W R Owens, P N Furbank, 2020-09-10 The publication of the 44 volume Works of Daniel Defoe continues with this collection of Defoe's satirical poetry and fantasy writings and writings on the supernatural **McFingal: a modern epic poem. Or, The Town-Meeting. A satire, by J. Trumbull** ,1791 **The Age of Lead. A Satire ... By Adolphus Pasquin. With an Introduction by G. Gilfillan** Adolphus PASQUIN (pseud.), 1858 **Eighteen Hundred and Thirteen. A satire. [In verse. By Horatio Townsend, the elder.] MS Corrections** ,1814 **Poetaster, or, the Arraignment, etc. [A comical satire, in five acts, in verse and prose.]** Ben Jonson, 1602 *The Modern Minerva; Or, the Bat's Seminary for Young Ladies. A Satire on Female Education. By Queen Mab. [In Verse.]* Queen MAB (pseud), 1810
