Ethnic Elites and Canadian Identity Aya Fujiwara, 2012-11-30 Ethnic elites the influential business owners teachers and newspaper editors within distinct ethnic communities play an important role as self appointed mediators between their communities and mainstream societies In *Ethnic Elites and Canadian Identity* Aya Fujiwara examines the roles of Japanese Ukrainian and Scottish elites during the transition of Canadian identity from Anglo conformity to ethnic pluralism By comparing the strategies and discourses used by each community including rhetoric myths collective memories and symbols she reveals how prewar community leaders were driving forces in the development of multiculturalism policy In doing so she challenges the widely held notion that multiculturalism was a product of the 1960s formulated and promoted by mainstream Canadians and places the emergence of Canadian multiculturalism within a transnational context **Race and Ethnicity**

Kissoon,2015-09-18 Refugees are forced to gamble with their lives to flee conflicts and if they arrive at their intended destination unscathed they may face the turbulent prospect of asylum defined by a meagre existence social exclusion poverty and even homelessness Operating at different scales and imagined places homelessness and asylum seeking are issues of fundamental social justice typically viewed as a problem of cities and crises of national and international concern respectively However over the past two decades in particular the increasing and volatile numbers of asylum seekers arriving in the West have created a new form of homelessness mainly hidden often vulnerable and located in the interstices of international and local displacement Considering refugee settlement in London England and Toronto Canada this book argues that this new form of homelessness also requires a new perspective in order to be properly understood and this perspective should come from refugees themselves Two main questions are considered How do refugees conceive locate and reconstruct home in the asylum and settlement process and How do national and residential dynamics affect refugees sense of home or homelessness Drawing on structuration theory amongst other ideas the book examines the relationship between refugeehood and homelessness and how each is shaped in the countries of asylum Managed migration strategies in Canada and deterrent migration strategies in the UK have a profound effect on refugees perceptions of belonging and acceptance equality and the desire and ability to make a home for themselves In addition to shaping notions of belonging national support and services or the lack thereof structure the pathways to homelessness revealing distinct trajectories amongst refugees in London and Toronto The author s proceeds from the sale of this book will be contributed to the Canadian Council for Refugees

Equality Deferred Dominique Clément,2014-05-06 In Equality Deferred Dominique Clément traces the history of sex discrimination in Canadian law and the origins of human rights legislation Focusing on British Columbia the first jurisdiction to prohibit discrimination on the basis of sex he documents a variety of absurd almost unbelievable acts of discrimination Drawing on previously undisclosed human rights commission records Clément explores the rise and fall of what was once the

country's most progressive human rights legal regime and reveals how political divisions and social movements shaped the human rights state. This book is not only a testament to the revolutionary impact of human rights on Canadian law but also a reminder that it takes more than laws to effect transformative social change. **Racists Beware** George J. Sefa Dei, 2008-01-01. With admirable clarity and directness, George Dei exposes the tendency towards the racial re-feudalization of the contemporary public sphere in Canada and by association other post-industrial societies. He points to the enormous opportunity costs imposed on racial minorities in the new millennium as a consequence. In **RACISTS BEWARE UNCOVERING RACIAL POLITICS IN THE POSTMODERN SOCIETY**, Dei identifies and subjects to close scrutiny the new race-bending logics of what he calls postmodern societies in which the dwellers of the suburbs and members of the itinerant white professional middle class, the great beneficiaries of late capitalism and neoliberalization of the economy, now have become the new social plaintiff, turning the complaint of racial inequality and discrimination on the heads of those most oppressed. If Gayatri Spivak asks, 'Can the subaltern speak?', then Dei brilliantly poses the question: 'When will Anglo-dominant groups even critical ones ever listen?' This book is likely to provoke and influence discussion on racial antagonism for a long long time to come. **Equality, Inequalities and Diversity** Geraldine Healy, Gill Kirton, Mike Noon, 2010-11-10. *Equality, Inequalities and Diversity* offers an authoritative critical analysis of equality, inequality, and diversity in organizations. Using international examples, it explores contemporary concepts and debates based on original research in a number of fields and sectors, an ideal course companion for anyone studying diversity. Understanding Barriers to Workplace Equality: A Focus on the Target's Perspective Michelle K. Ryan, Christopher T. Begeny, Renata Bongiorno, Teri Kirby, Thekla Morgenroth, 2020-08-07. Open Minds to Equality Nancy Schniedewind, Ellen Davidson, 2014.
