Mass Media James B. Martin, 2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes

Cultural Diversity and the U.S. Media Yahya R. Kamalipour, Theresa Carilli, 1998-09-11 This book provides rich and detailed accounts of how the media filters racial ethnic identity through economic or sensationalized perspectives in newspapers films television and radio By exploring media descriptions of various racial ethnic groups Cultural Diversity and the U S Media provides opportunities to discover debate and discuss issues surrounding race ethnicity and the role of the media in American society

Critical Rhetorics of Race Michael G. Lacy, Kent

A. Ono, 2011 In this collection scholars seek to examine the complicated and contradictory terrain of the rhetorics of race while moving the field of communication in a more intellectually productive direction **Asian Americans and the Media** Kent A. Ono, Vincent N. Pham, 2019-12-18 Asian Americans and the Media provides a concise thoughtful critical and cultural studies analysis of U S media representations of Asian Americans The book also explores ways Asian Americans have resisted responded to and conceptualized the terrain of challenge and resistance to those representations often through their own media productions In this engaging and accessible book Ono and Pham summarize key scholarship on Asian American media as well as lay theoretical groundwork to help students scholars and other interested readers understand historical and contemporary media representations of Asian Americans in traditional media including print film music radio and television as well as in newer media primarily internet situated Since Asian Americans had little control over their representation in early U S media historically dominant white society largely constructed Asian American media representations In this context the book draws attention to recurring patterns in media representation as well as responses by Asian America Today Asian Americans are creating complex sophisticated and imaginative self portraits within U S media often equipped with powerful information and education about Asian Americans Throughout the book suggests media representations are best understood within historical cultural political and social contexts and envisions an even more active role in media for Asian Americans in the future Asian Americans and the Media will be an ideal text for all students taking courses on Asian American Studies Minorities and the Media and Race and Ethnic Studies *The SAGE Handbook of Child Development, Multiculturalism, and Media* Joy Keiko Asamen, Mesha L. Second-Generation Korean Americans and Transnational Media David C. Oh, 2015-05-06. *Second Generation Korean Americans and Transnational Media* Diasporic Identifications looks at the relationship between second generation Korean Americans and Korean popular culture. Specifically looking at Korean films celebrities and popular media. David C. Oh combines intrapersonal processes of identification with social identities to understand how these individuals use Korean popular culture to define authenticity and construct group difference and hierarchy. Oh highlights new findings on the ways these Korean Americans construct themselves within their youth communities. This work is a comprehensive examination of second generation Korean American ethnic identity reception of transnational media and social uses of transnational media.

Mass Communications Research Resources Christopher Sterling, James K. Bracken, Susan M. Hill, 2016-05-06. This reference book is designed as a road map for researchers who need to find specific information about American mass communication as expeditiously as possible. Taking a topical approach it integrates publications and organizations into subject focused chapters for easy user reference. The editors define mass communication to include print journalism and electronic media and the processes by which they communicate messages to their audiences. Included are newspaper magazine radio television cable and newer electronic media industries. Within that definition this volume offers an indexed inventory of more than 1 400 resources on most aspects of American mass communication history technology economics content audience research policy and regulation. The material featured represents the carefully considered judgment of three experts two of them librarians plus four contributors from different industry venues. The primary focus is on the domestic American print and electronic media industries. Although there is no claim to a complete census of all materials on print journalism and electronic media what is available is now too vast for any single guide the most important and useful items are here. The emphasis is on material published since 1980 though useful older resources are included as well. Each chapter is designed to stand alone providing the most important and useful resources of a primary nature organizations and documents as well as secondary books and reports. In addition online resources and internet citations are included where possible.

Multiracial hephzibah v. strmic-pawl, 2022-10-14. The year 2000 was the first time the US Census permitted respondents to choose more than one race. Although the US has long recognized that a mixed race population exists the contemporary multiracial population presents different questions and implications for today's diverse society. This book is the first overview to bring a systematic critical race lens to the scholarship on mixedness. Avoiding the common pitfall of conflating mixed with multiracial the book reveals how identity forms and fluctuates such that people with mixed heritage may identify as mixed monoracial and or multiracial throughout.

their lives It analyzes the dynamic and various manifestations of mixedness including at the global level to reveal its complex impact on both the structural and individual levels Multiracialcritically examinestopics such as family dynamics and racial socialization multiraciality in media and popular culture and intersections of race gender class and sexual orientation Integrating diverse theories qualitative research and national level data this accessible and engaging book is essential for students of race and those looking to understand the new field of multiraciality *Food for Thought* Lawrence C.

Rubin,2014-01-10 Historically few topics have attracted as much scholarly professional or popular attention as food and eating as one might expect considering the fundamental role of food in basic human survival Almost daily a new food documentary cooking show diet program food guru or eating movement arises to challenge yesterday s dietary truths and the ways we think about dining This work brings together voices from a wide range of disciplines providing a fascinating feast of scholarly perspectives on food and eating practices contemporary and historic local and global Nineteen essays cover a vast array of food related topics including the ever increasing problems of agricultural globalization the contemporary mass marketing of a formerly grassroots movement for organic food production the Food Network s successful mediation of social class the widely popular phenomenon of professional competitive eating and current trends in culinary tourism and fast food advertising Instructors considering this book for use in a course may request an examination copy here **America, As**

Seen on TV Clara E. Rodríguez,2018-03-20 Finalist 2020 Latino Book Awards Best Academic Themed Book The surprising effects of American TV on global viewers As a dominant cultural export American television is often the first exposure to American ideals and the English language for many people throughout the world Yet American television is flawed and it represents race class and gender in ways that many find unfair and unrealistic What happens then when people who grew up on American television decide to come to the United States What do they expect to find and what do they actually find In *America As Seen on TV* Clara E Rodríguez surveys international college students and foreign nationals working or living in the US to examine the impact of American television on their views of the US and on their expectations of life in the United States She finds that many were surprised to learn that America is racially and economically diverse and that it is not the easy breezy happy endings culture portrayed in the media but a work culture The author also surveys US millennials about their consumption of US TV and finds that both groups share the sense that American TV does not accurately reflect racial ethnic relations in the US as they have experienced them However the groups differ on how much they think US TV has influenced their views on sex smoking and drinking *America As Seen on TV* explores the surprising effects of TV on global viewers and the realities they and US millennials actually experience in the US **Brown Eyes on the Web** Maggie

Profiles in Journalistic Courage Robert H. Giles, Robert W. Snyder, Lisa DeLisle, Some of the bravest actions of journalists are unknown obscured by the passage of time hidden by veils of anonymity or buried by systematic repression Profiles in Journalistic Courage corrects this imbalance With few exceptions the stories told in this collection are unfamiliar In the words of Richard Whelan on Robert Capa's vision of the Spanish Civil War these tales are drawn from the edge of things Most of the people highlighted here are journalists who worked on the margins of popularity who blazed new and solitary paths and who left fleeting legacies Courageous journalists were not always thanked for their pioneering efforts Jealousy political disagreements and differing conceptions of journalism sometimes fueled criticism of some of those dealt with in this volume To complicate the subject further brave journalists do not always act for reasons that win popularity or acclaim Actions with laudable consequences are sometimes the result of egoism stubbornness and ignorance no less than selflessness prudence and principle These psychological dimensions are not avoided in these profiles In Yesterday David Copeland examines the tangled legacy of the trial of John Peter Zenger Graham Hodges unearths the story of David Ruggles an African American journalist and abolitionist Pamela Newkirk recalls the life

and work of Ida B Wells Barnett Pierre Albert explores the journalism of the French Resistance Bernard L Stein and Hank Klibanoff describe the work and motives of the civil rights movement The volume covers the journalism of commitment from Northern Ireland to Native American tribes It closes with an extended essay by James Boylan on varied perspectives on different aspects of courage in journalism from the capacity to resist threats to the courage to tell people what they may not want to hear or read Robert Giles formerly editor in chief of Media Studies Journal is curator of Harvard University's Nieman Foundation Robert W Snyder the former editor is now professor of journalism at Rutgers University in New Jersey Lisa DeLisle is senior editor of Media Studies Journal
