Rachel Is Weeping Promise:

Character Studies in the Gospel of Matthew Matthew Ryan Hauge, Craig Evan Anderson, 2024-02-08 This volume examines a multitude of characters in Matthew's gospel and provides an in depth look at the different approaches currently employed by scholars working with literary and reader oriented methods Beginning with an introduction on the properties of character and the several aspects involved in the creation of person the contributors provide a close reading of numerous characters and character types in the Gospel of Matthew Including Mary King Herod John the Baptist Jesus the Preacher Jesus the Teacher God the Father the Roman Centurion Peter Women Gentiles Scribes and Pharisees and Romans Such close studies aid the understanding of different issues in Matthean characterization while also charting the development of hermeneutical vistas that have developed in contemporary scholarship resulting in a collection of exegetical character studies that are self consciously working from a literary narrative critical reader oriented or related methodology

Jeremiah 26-52 Carolyn Sharp, 2021-11-22 This commentary illumines Jer 26 52 through historical literary feminist and postcolonial analysis Ideologies of subjugation and resistance are entangled in the Jeremiah traditions The reader is guided through narratives of extreme violence portrayals of iconic allies and adversaries and complex gestures of scribal resilience Judah's cultural trauma is refracted through prose that mimics Neo Babylonian colonizing ideology dramatic scenes of survival and poetry alight with the desire for vengeance against enemies The commentary's historical and literary arguments are enriched by insights from archaeology feminist translation theory and queer studies

Jesus Wept: The Significance of Jesus' Laments in the New Testament Rebekah Eklund, 2015-02-26 Lament does not seem to be a pervasive feature of the New Testament particularly when viewed in relation to the Old Testament A careful investigation of the New Testament however reveals that it thoroughly incorporates the pattern of Old Testament lament into its proclamation of the gospel especially in the person of Jesus Christ as he both prays and embodies lament As an act that fundamentally calls upon God to be faithful to God's promises to Israel and to the church lament in the New Testament becomes a prayer of longing for God's kingdom which has been inaugurated in the ministry and resurrection of Jesus fully to come

Characters from the Promised Land James Arther Lewis, 2021-05-11 *Characters from the Promised Land* allows its reader to be present in the spirit to witness true stories and live adventures from heaven and on earth for example witness when God sent the Word from heaven to dwell on earth among men hear the words spoken by the angel of God to Mary who conceived Jesus be there when John the Baptist first leaped for joy in his mother's womb travel with the wise men go up to Jerusalem with Joseph Mary and Jesus to be taxed go fishing with Simon Peter and his brother follow Jesus witness the sick being healed the dead being raised the blind receiving their sights a woman being loosed from her iniquity sit in with the multitudes being taught by Jesus and witness his capture the scourging his hanging on the cross with the two men dying with him and rising again

The Promise-Plan of God Walter C. Kaiser, Jr., 2009-10-06 What is the central theme of the Bible Given the diversity of authorship

genre and context of the Bible's various books is it even possible to answer such a question Or in trying to do so is an external grid being unnaturally superimposed on the biblical text These are difficult questions that the discipline of biblical theology has struggled to answer In this thoroughly revised and expanded edition of his classic *Toward an Old Testament Theology* Walter Kaiser offers a solution to these unresolved issues He proposes that there is indeed a unifying center to the theology and message of the Bible that is indicated and affirmed by Scripture itself That center is the promise of God It is one all encompassing promise of life through the Messiah that winds itself throughout salvation history in both the Old and New Testaments giving cohesiveness and unity to the various parts of Scripture After laying out his proposal Kaiser works chronologically through the books of both testaments demonstrating how the promise is seen throughout how the various sub themes of each book relate to the promise and how God's plan to fulfill the promise progressively unfolds Here is a rich and illuminating biblical theology that will stir the emotion and the intellect *Hebrew Union College Annual Vol. 91* Hebrew Union College Press, 2021-05-31 Hebrew Union College Annual is the flagship journal of Hebrew Union College Press and the primary face of Hebrew Union College Jewish Institute of Religion to the academic world From its inception in 1924 its goal has been to cultivate Jewish learning and facilitate the dissemination of cutting edge scholarship across the spectrum of Jewish Studies including Bible Rabbinics Language and Literature History Philosophy and Religion The Riches of Divine Wisdom David Gooding, The wisdom of God is revealed in both Old and New Testaments but it is impossible to appreciate that wisdom fully if the two are read in isolation Sometimes the New Testament quotes the Old as authoritative Sometimes it cancels things that the Old says At other times it indicates that the Old was a type that illustrates New Testament doctrine How are we to understand and apply its teaching Is the New Testament being arbitrary when it tells us how to understand the Old or do its careful interpretations show us how the Old was meant to be understood Could it be that the New Testament's many different ways of using some of its passages provide us with guidance for reading studying and applying the whole of the Old Testament Drawing upon many years of biblical research and teaching Professor Gooding addresses these issues by expounding key New Testament passages that use the Old Testament First he examines the importance of the general relationship of the two testaments He then considers five major thought categories of the New Testament's interpretation that encompass the many insights that it employs as tools for harvesting the wealth of the Old Finally he formulates guidelines for interpreting Old Testament narrative and illustrates them from three familiar passages Taken together these insights provide invaluable help for appreciating the richness of God's multifaceted wisdom which has come down to us as the revenue of all the ages Rachel's Cry Kathleen D. Billman, Daniel L. Migliore, 2007-10-01 Modern theology needs the rediscovery of the category of consolation This book is rich of consolations because it takes the cry of lament seriously Jurgen Moltmann A timely accessible and valuable book The recovery of the biblical traditions of loss and hurt is intrinsically worth doing more worth doing in an increasingly disestablished society Walter Brueggemann Columbia

Theological Seminary Emeritus This cross disciplinary collaboration is poignant and compelling testimony to the personal and communal power of lament and its importance to the practice of ministry This book is the one that I have been waiting for Christie Cozad Neuger Brite Divinity School Few books in the literature of lament have drawn together so much material from the biblical theological and pastoral spheres as Rachel s Cry Patrick D Miller Princeton Theological Seminary Honesty with God is the doorway to authentic hope and faith This is one of the most liberating books I have read in a long time James Newton Poling Garrett Evangelical Theological Seminary This is the first book to bring scattered discussions together into one coherent whole with deep Christian insight and conviction with vivid examples and with learning which is as gracefully communicated as it is broad and deep in its substance I will be keeping it near at hand so as to return to it often Nicholas Wolterstorff Yale University Rachel s Cry is not only a timely book it is an urgently needed resource for people who long for a way to live with irrational suffering Unless we recover the prayer of lament we are in danger of being trapped in powerlessness cynicism and despair Herbert Anderson Catholic Theological Union Emeritus I found it difficult to put this book down Rachel s Cry convincingly argues that an authentic and empowering spirituality requires the language of lament and protest alongside praise and thanksgiving Nancy J Ramsay Louisville Presbyterian Theological Seminary Kathleen M Billman is dean of academic affairs and professor of pastoral theology and counseling at Lutheran School of Theology in Chicago Daniel L Migliore is Charles Hodge Professor of Systematic Theology at Princeton Theological Seminary

Jeremiah 30-52 and Lamentations John Martin Bracke,2000-01-01 In Part Two of his commentary on Jeremiah and Lamentations John Bracke provides a powerful interpretation of the prophet s message to a nation refusing to repent and obey God and points beyond exile and suffering to God s restoration of the people and renewal of the covenant Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice Each volume explains the biblical book in its original historical context and explores its significance for faithful living today These books are ideal for individual study and for Bible study classes and groups **The MEV Promises of God Creative**

X *New Testament Theology* Thomas R. Schreiner, 2008-06-01 In this substantial volume Thomas Schreiner takes up the study of New Testament theology looking for the themes that emerge from a detailed reading of the whole rather than considering the individual writings separately Two themes in particular emerge The first concerns redemptive history and the kingdom of God The New Testament writers adopt the Old Testament vision of God's reign and affirm that it has come in Jesus Christ although final fulfillment is yet to come Second the ultimate goal of the kingdom is God's glory Schreiner goes on to relate these themes to the life of the believer and the community of faith Pastors and students will find this a comprehensive and illuminating survey of the unifying themes found throughout the New Testament *The Promise and the Promiser: Or The Power and Presence of the Lord with His People* Anna Shipton, 1873 *A Women's Lectionary for the Whole Church Year C* Wilda C. Gafney, 2024-07-02 The final installment in the critically acclaimed lectionary series that focuses on women's stories In this third volume of a three volume lectionary widely praised womanist bible scholar and priest Wilda Gafney selects scripture readings that emphasize women's stories Focusing especially on the Gospel of Luke Year C of A Women's Lectionary features Gafney's fresh inclusive and thought provoking translations of every reading alongside commentary on each reading Designed for liturgical use or scriptural study this resource offers a new perspective on the Bible and the liturgical year Gafney's paradigm shifting scholarship will influence biblical preaching and teaching for generations to come National Catholic Reporter **Jacob's Story as Christian Scripture** Philip H. Kern, 2021-01-06 Jacob is all too often underappreciated in works on biblical theology He nevertheless stands squarely in the line of promise and is the man who becomes Israel His blessings come not because he is virtuous but because God remains faithful In this his story contributes to the themes of Genesis and of the Pentateuch as a whole and extends into the life of the church Jacob's Story as Christian Scripture begins with a reading of Genesis 25 to 35 and then moves beyond the boundaries of Genesis to track the words he pronounces over his twelve sons Jacob's blessings give shape to Balaam's oracles and ultimately to subsequent prophecies concerning the lion of the tribe of Judah Prophetic appropriation of Jacob's story presented here via a fresh investigation of OT passages from Jeremiah Obadiah Micah and others includes troubling elements of Jacob's character to indict the nation in the hope that God's people like the patriarch will stop being Jacob and become Israel *Jeremiah, Lamentations* F. B.
